EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Plant Health (Fees) (Forestry) Regulations 2006 ([S.I. 2006/2697](#)) (“the principal Regulations”).

The principal Regulations implement Article 13d of Council Directive [2000/29/EC](#) on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community (OJNo. L 169, 10.7.2000, p.1). Article 13d requires member States to collect fees for checks carried out on consignments of wood, wood product, and isolated bark.

Under the principal Regulations an importer is required to pay, in respect of consignments to which regulation 3(6) applies, the fees specified in Schedule 3 for plant health checks and the fees specified in Schedule 4 for documentary checks and identity checks that are carried out on those consignments (regulation 3(4)). These Regulations amend Schedule 3 so as to increase the fees for plant health checks from £12.25 to £26 per consignment. They amend Schedule 4 to increase the fees for documentary checks from £5.29 to £6 per consignment and for identity checks from £5.29 to £6 and (for bulk loads of 100m³ or more) £10.58 to £12 per consignment. In addition these Regulations amend Schedule 3 to provide that the fees to be applied to wood in the form of shavings, chips and sawdust are the same as the fees applied to isolated bark.

An impact assessment has been prepared and placed in the Library of each House of Parliament. Copies can be obtained from the Forestry Commission, 231 Corstorphine Road, Edinburgh, EH12 7AT.
