The Pharmacy Order 2010

PART 4

Registration

Temporary annotations with regard to emergencies involving loss of human life or human illness etc.

35.—(1) If the Secretary of State advises the Registrar that an emergency has occurred, is occurring or is about to occur and that action should be considered under this article, the Registrar may annotate—

- (a) the entry of a registrant in Part 1 or 2 of the Register to indicate that the registrant is qualified to order drugs, medicines and appliances in a specified capacity, notwithstanding that the registrant is not so qualified, if the Registrar considers that the registrant is a fit, proper and suitably experienced person to order drugs, medicines and appliances in that capacity with regard to the emergency; or
- (b) the entries of a specified group of registrants in Part 1 or 2 of the Register to indicate that they are qualified to order drugs, medicines and appliances in a specified capacity, notwithstanding that they are not so qualified, if the Registrar considers that the group is comprised of registrants who are of a type who may reasonably be considered fit, proper and suitably experienced persons to order drugs, medicines and appliances in that capacity with regard to the emergency.

(2) The Registrar may make the annotation in such a way as to distinguish registrants whose entries are annotated by virtue of paragraph (1) from registrants in respect of whose entries the annotation is made otherwise than by virtue of paragraph (1).

(3) Annotations made by virtue of paragraph (1)—

- (a) must be removed by the Registrar if the Secretary of State advises the Registrar that the circumstances that led the Secretary of State to advise the Registrar as mentioned in paragraph (1) no longer exist;
- (b) may be removed by the Registrar at any time, including where the Registrar has grounds for suspecting that the person's fitness to order drugs, medicines and appliances may be impaired.

(4) A registrant whose entry in Part 1 or 2 of the Register is annotated by virtue of paragraph (1) (b) as one of a specified group may have that annotation removed without the Registrar removing the equivalent annotations of the other members of the group or by virtue of a decision to remove the annotations made by virtue of paragraph (1)(b) of all the members of the group.
