EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Blood Safety and Quality Regulations 2005 ([S.I. 2005/50](#)) (“the principal Regulations”), which implement Directive [2002/98/EC](#) of the European Parliament and of the Council setting out the standards of quality and safety for the collection, testing, processing, storage and distribution of human blood and blood components⁽⁵⁾ and related Commission Directives⁽⁶⁾.

Regulation 2 amends regulation 22 of the principal Regulations to increase the fees payable by blood establishments and hospital blood banks or facilities in relation to authorisation, operation, and haemovigilance. The overall average fee increase is around 1%. It also introduces a new fee for applications under regulation 12(1) of the principal Regulations to make written representations to, or appear before and be heard by, a person appointed by the Secretary of State.
