Deductions from members' accounts

27.—(1) The Trustee must make deductions from members' pension accounts to contribute to the general costs of the setting up, administration and management of the Scheme.

(2) The Secretary of State must determine the method of calculating how to make deductions during an initial period and for how long that initial period applies.

(3) After the initial period, the Trustee may determine subsequent methods of calculating how to make deductions.

(4) The Trustee must determine the level of deductions to be made from members' pension accounts, using the method of calculation determined by the Secretary of State or the Trustee thereafter.

(5) Subject to paragraph (6), the Trustee must set the deductions at a level that—

- (a) meets the general costs of the setting up, administration and management of the Scheme; and
- (b) allows it to maintain such reserve as it reasonably considers is needed in order to ensure that the Trustee is able to meet its costs where there are unexpected changes in income to, or costs payable by, the Scheme.

(6) In determining the level, the Trustee must have regard to any other sources of income to, and costs payable from, the Scheme.

(7) The Trustee may make further deductions from members' pension accounts to meet the costs of providing a service with respect to members' pension accounts in a particular case or class of case.

(8) In determining a method of calculating how to make deductions, determining the level of deductions under paragraph (4) and making deductions under paragraph (7), the Secretary of State or the Trustee, as the case may be, must ensure that—

- (a) deductions will be applied on a consistent basis between members' pension accounts; and
- (b) a pension account of a member of the Scheme (A) will not be subject to a different level or amount of deduction to another member's pension account solely on the basis of—
 - (i) where A is a worker, the number of persons who are or may in the future become members of the Scheme and workers in relation to A's employer;
 - (ii) the amount of time during which contributions may be made by, or on behalf or in respect of, A;
 - (iii) where A is a worker, the amount of time during which contributions may be made by, or on behalf or in respect of, other persons who are or may in the future become members of the Scheme and workers in relation to A's employer;
 - (iv) the income that is, or may in the future be, earned by A; or
 - (v) where A is a worker, the income that is or may be earned by other persons, as referred to in paragraph (9),

or solely on the basis of more than one of paragraphs (i) to (v) above, in any combination.

(9) The income referred to is income that —

- (a) is, or may in the future be, earned by other members of the Scheme who are workers in relation to A's employer; or

- (b) may in the future be earned by other persons who may become members of the Scheme and workers in relation to A's employer,
- (10) Where the Secretary of State—
- (a) has given financial assistance in the form of a loan to the Trustee pursuant to paragraph 18 of Schedule 1 to the Act for the purposes of setting up, administering and managing the Scheme and such assistance is still ongoing; and
- (b) is of the opinion that the level of deductions under paragraph (4) is, or the deductions under paragraph (7) are, unreasonably high in the circumstances, having regard in particular to the principle that the cost of participation in the Scheme to members should be minimised,
- the Secretary of State may determine an upper limit to the level of deductions under paragraph (4) or deductions under paragraph (7) that may be made from members' pension accounts.
- (11) Where the Secretary of State—
- (a) has given financial assistance in the form of a loan to the Trustee pursuant to paragraph 18 of Schedule 1 to the Act for the purposes of setting up, administering and managing the scheme and such assistance is still ongoing; and
- (b) is of the opinion that the trustee is in breach of any condition of the loan,
- the Secretary of State may determine a lower limit to the level of deductions under paragraph (4) or deductions under paragraph (7) that may be made from members' pension accounts.
- (12) Where the Secretary of State determines an upper limit, the Trustee may not exceed that limit in the level of deductions it determines or the deductions which it makes.
- (13) Where the Secretary of State determines a lower limit, the Trustee must determine a level of deductions, or make deductions, at or above that limit.
- (14) Where the Secretary of State determines an upper or lower limit—
- (a) the Secretary of State may make a further determination removing that limit; and
- (b) on the date any financial assistance given or ongoing for the purposes of paragraphs (10) and (11) is repaid to the Secretary of State, such a further determination shall be deemed to have been made removing that limit.
- (15) The Trustee must consult with the members' panel before—
- (a) determining subsequent methods of calculating how to make deductions, as referred to in paragraph (3); or
- (b) making changes to the level of deductions from members' pension accounts under paragraph (4) or to deductions under paragraph (7).
- (16) The Trustee must make available the information specified in paragraph (17) by placing it on the internet.
- (17) The specified information is information about—
- (a) the method of calculating how to make deductions, determined under paragraph (2), and any subsequent method of calculating how to make deductions, determined under paragraph (3); and
- (b) the level of deductions determined under paragraph (4) and any deductions made or to be made under paragraph (7), as they have effect from time to time.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order establishes a pension scheme known as the National Employment Savings Trust (“the Scheme”) and makes provision for its administration and management and incidental matters.

Article 3 establishes the Scheme and provides for its purpose.

Article 4 appoints the National Employment Savings Trust Corporation (“the Corporation”) as trustee of the Scheme (“the Trustee”).

Article 5 provides for the involvement of the members’ panel (that is to be established by arrangements under article 6) in the appointment of a member or chair of the Corporation.

Article 6 requires the Trustee to make arrangements for consulting members of the Scheme and employers admitted to participation in the Scheme (“participating employers”) about the operation, development or amendment of the Scheme including the establishment and maintenance of a panel to represent members of the Scheme (“members’ panel”) and a panel to represent participating employers.

Article 7 provides for the timing for the establishment of the panels.

Article 8 requires the Trustee to make provision in relation to the composition, appointment and functions of the panels. It provides that the functions of the panels are to include providing comments to the Trustee on any statement of investment principles and that the functions of the members’ panel are to include making an annual report on the extent to which the Trustee has taken into account the views of members of the Scheme.

Article 9 provides for reasonable payments to be made to members of the panels.

Articles 10 to 12 provide for the disclosure of data by the Trustee to the Secretary of State in specified circumstances.

Article 13 provides for the exclusion of the liability of the Trustee, and its members and staff, for certain acts and omissions in connection with the administration and management of the Scheme and enables the Trustee to indemnify or insure itself, or its members or staff, against certain losses, costs or damages connected with the administration or management of the Scheme.

Article 14 enables the Trustee to take such steps as it considers appropriate for increasing awareness and understanding of the Scheme.

Article 15 enables the Trustee to make rules under section 67 of the Pensions Act 2008 (c.30) (“the 2008 Act”).

Article 16 provides that the Trustee Act 2000 (c.29) applies as if the Order and any rules made under section 67 of the 2008 Act were a trust instrument.

Article 17 requires the Trustee to place on the internet a copy of the annual report and accounts for the Scheme and associated documents.

Article 18 provides for the circumstances in which an employer may be admitted to participation in the Scheme including where an employer wishes to use the Scheme in order to comply with a duty on it under sections 2 to 9 of the 2008 Act (in Great Britain) or sections 2 to 9 of the [Pensions \(No. 2\) Act \(Northern Ireland\) 2008 \(c.13 \(N.I.\)\)](#) (in Northern Ireland) (“the NI Act”) to enrol one of its employees in a pension scheme.

Articles 19 and 20 provide for the circumstances in which a person may be admitted as a member of the Scheme, including where that person is an employee who must, under sections 2 to 9 of the

2008 Act (in Great Britain) or sections 2 to 9 of the NI Act (in Northern Ireland), be enrolled in a pension scheme by their employer and where that person is a self-employed person, a single person director or a person entitled to a pension credit.

Article 21 provides for the allocation of a pension account to a person who is admitted as a member of the Scheme, for contributions to be applied to the member's pension account and for refunds of contributions to be made in specified circumstances.

Article 22 provides for an annual contribution limit for contributions made in each tax year by, or on behalf or in respect of, a member of the Scheme. It also provides for the adjustment of that limit in accordance with changes in the average earnings index.

Article 23 provides for the contributions that are to count, and those that are not to count, towards the annual contribution limit in article 22.

Article 24 provides for the circumstances in which contributions that are made in a tax year in excess of the annual contribution limit may be refunded to a member of the Scheme, a participating employer or a person other than a participating employer.

Article 25 provides that all contributions counting towards the annual contribution limit are to be treated as made to the Scheme when they are received by the Trustee.

Article 26 provides for the circumstances in which, where a member of the Scheme is in multiple employment, the Trustee may accept contributions that are in excess of the annual contribution limit and may refund such contributions to a participating employer or a member of the Scheme.

Article 27 provides for the Trustee to make deductions from members' pension accounts to cover the general costs of the setting up, administration and management of the Scheme and the costs of providing a service with respect to members' accounts in a particular case or class of case. It provides for the Secretary of State to be able, in certain circumstances, to determine upper or lower limits to the level or amount of deductions that the Trustee may make, for the Trustee to consult the members' panel over the method of calculating, or the level or amount of, deductions and to make available information in relation to deductions.

Article 28 provides that the Trustee has the power to invest the assets of the Scheme, including the power to take certain specified actions by way of investment.

Article 29 provides for the Trustee to establish investment funds. It also makes provision for what the Trustee may and must do where a member of the Scheme expresses a choice as to where assets of the Scheme are to be directed.

Article 30 provides that the Trustee may accept a cash transfer sum in relation to a member of the Scheme. Such a sum represents the cash equivalent of that person's benefits from another scheme at the date on which a person's pensionable service in relation to the other scheme terminates.

Article 31 allows the Trustee to confer appropriate rights on a person entitled to a pension credit, where the credit derives from the Scheme, and to pay the amount of the credit to a person responsible for a qualifying arrangement. It also allows the Trustee to accept a payment of a pension credit from the trustees or managers of another pension scheme, where the credit relates to a member of the Scheme.

Article 32 provides for the benefits that the Trustee may provide using a member's pension account.

An assessment of the impact on business, charities and the voluntary sector of the provision made by this Order is included in the Impact Assessment relating to the legislation made under Part 1 of the Pensions Act 2008 (c.30) as a whole. A copy of this assessment has been placed in the libraries of both Houses of Parliament.
