
STATUTORY INSTRUMENTS

2010 No. 948

The Community Infrastructure Levy Regulations 2010

PART 3

CHARGING SCHEDULES

Differential rates

- 13.**—(1) A charging authority may set differential rates—
- (a) for different zones in which development would be situated;
 - (b) by reference to different intended uses of development.
- (2) In setting differential rates, a charging authority may set supplementary charges, nil rates, increased rates or reductions.
