**The Feed-in Tariffs (Specified Maximum Capacity
and Functions) (Amendment No.3) Order 2011**

Amendments to the 2010 Order

3. In article 16, for paragraph (1) substitute—

“**16.**—(1) Paragraph (2) applies where—

- (a) the Authority receives notice that an installation which uses an eligible low-carbon energy source (“the existing installation”) has been extended; and
- (b) either—
 - (i) a request for accreditation of the existing installation as an accredited FIT installation has been refused; or
 - (ii) if a request were made for accreditation of the existing installation, the request would be refused.”.
