The Policing Protocol

Legislative Framework

14. The public accountability for the delivery and performance of the police service is placed into the hands of the PCC on behalf of their electorate. The PCC draws on their mandate to set and shape the strategic objectives of their force area in consultation with the Chief Constable. They are accountable to the electorate; the Chief Constable is accountable to their PCC. The Panel within each force area is empowered to maintain a regular check and balance on the performance of the PCC in that context.
