Calculation of applicant's income in savings credit only cases

14.—(1) In determining the income and capital of an applicant who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, an authority must use the calculation or estimate of the applicant's or as the case may be, the applicant's partner's income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

(2) Where the calculation or estimate provided by the Secretary of State includes the amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

- (a) the amount of any savings credit payable;
- (b) in respect of any dependent children of the applicant, child care charges taken into account under paragraph 24(1)(c) (calculation of income on a weekly basis);

- (e) the income and capital of any partner of the applicant who is treated as a member of the applicant's household under regulation 8, to the extent that it is not taken into account in determining the net income of the person claiming state pension credit;
- (f) paragraph 12 (circumstances in which income of a non-dependant is to be treated as applicant's), if the authority determines that that provision applies in the applicant's case;
- (g) such further reduction (if any) as the authority thinks fit under section 13A(1)(c) of the 1992 Act⁽¹⁹⁾;
- (h) any amount to be disregarded by virtue of paragraph 6 of Schedule 4.

(3) Paragraphs 16 to 36 of this Schedule do not apply to the amount of the net income to be taken into account under sub-paragraph (1), but do apply (so far as relevant) for the purpose of determining any adjustments to that amount which the authority makes under sub-paragraph (2).

(4) If sub-paragraph (5) applies, the authority must calculate the applicant's capital in accordance with paragraphs 31 to 36 of this Schedule.

- (5) This sub-paragraph applies if—
- (a) the Secretary of State notifies the authority that the applicant's capital has been determined as being £16,000 or less;

 - (i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled,
 - (d) if the applicant would, but for regulation 113 of the Jobseeker’s Allowance Regulations 1996, have been entitled to an income-based jobseeker’s allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and
 - (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.
- (6) But if the amount mentioned in paragraph (a), (b), (c), (d), or (e) of sub-paragraph (5) (“the relevant amount”) is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
 - (b) multiplying the result of that calculation by 7.
- (7) The amount determined under sub-paragraph (5) must be re-determined under that sub-paragraph if the applicant makes a further application for a reduction in council tax under the authority’s scheme and the conditions in sub-paragraph (8) are satisfied, and in such a case—

- (8) The conditions are that—
- (a) a further application is made 26 or more weeks after—
 - (i) the date on which the applicant made an application in respect of which he was first treated as possessing the capital in question under paragraph 34(1) ;
 - (ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (5), the date on which he last made an application which resulted in the weekly amount being re-determined, or
 - (iii) the date on which he last ceased to be entitled to a reduction in council tax under the authority’s scheme,whichever last occurred; and
 - (b) the applicant would have been entitled to a reduction under the authority’s scheme but for paragraph 34(1).
- (9) The amount as re-determined pursuant to sub-paragraph (7) does not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—

“part-week”—

- (a) in relation to an amount mentioned in sub-paragraph (5)(a) means a period of less than a week for which a reduction in council tax under an authority’s scheme is allowed;
- (b) in relation to an amount mentioned in sub-paragraph (5)(b) means a period of less than a week for which housing benefit is payable;
- (c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e) means—

 - (ii) any other period of less than a week for which it is payable;

“relevant week” means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 34(1)—

- (a) was first taken into account for the purpose of determining his entitlement to a reduction under an authority’s scheme; or
- (b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction under that authority’s scheme,

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition the later or latest such reduction week or, as the case may be, the later or latest such part-week of the relevant week;

“relevant subsequent week” means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Continuing reductions where state pension credit claimed

43.—(1) This paragraph applies where—

- (a) the applicant is entitled to a reduction under an authority’s scheme;
- (b) sub-paragraph (2) is satisfied; and
- (c) either—
 - (i) the applicant has attained the qualifying age for state pension credit or, if his entitlement to income-based jobseeker’s allowance or income-related employment and support allowance continued beyond that age, has attained the age of 65; or
 - (ii) the applicant’s partner has actually claimed state pension credit.

⁽⁹⁶⁾ See also paragraph 44 in relation to pensioners moving into the area of an authority from another authority’s area.

(2) This sub-paragraph is only satisfied if the Secretary of State has certified to the authority that the applicant's partner has actually claimed state pension credit or that—

- (a) the applicant's award of—
 - (i) income support has terminated because the applicant has attained the qualifying age for state pension credit; or
 - (ii) income-based jobseeker's allowance or income-related employment and support allowance has terminated because the applicant has attained the qualifying age for state pension credit or the age of 65; and
- (b) the applicant has claimed or is treated as having claimed or is required to make a claim for state pension credit.

(3) Subject to sub-paragraph (4), in a case to which this paragraph applies, a person continues to be entitled to a reduction under an authority's scheme for the period of 4 weeks beginning on the day following the day on which the applicant's entitlement to income support or, as the case may be, income-based jobseeker's allowance or, income-related employment and support allowance, ceased, if and for so long as the applicant otherwise satisfies the conditions for entitlement to a reduction under the scheme.

(4) Where a reduction under that scheme is awarded for the period of 4 weeks in accordance with sub-paragraph (3), and the last day of that period falls on a day other than the last day of a reduction week, then a reduction under the scheme must continue to be awarded until the end of the reduction week in which the last day of that period falls.

- (a) the applicant's council tax liability has increased; or
- (b) a change in the deduction under paragraph 8 (non-dependent deductions) falls to be made.

Date on which change of circumstances is to take effect

46.—(1) Except in cases where paragraph 28 (disregard of changes in tax, contributions, etc) applies and subject to the following provisions of this paragraph and paragraph 47 (change of circumstances when state pension credit in payment), a change of circumstances which affects entitlement to, or the amount of, a reduction under an authority’s scheme (“change of circumstances”), takes effect from the first day of the reduction week following the date on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs is the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under sections 11 or 11A (discounts) of that Act⁽⁹⁷⁾, it takes effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant’s acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

⁽⁹⁷⁾ 1992 c. 14; section 13 was amended by section 127 of, and paragraphs 40 and 42 of Schedule 7 to, the Local Government Act 2003 (c. 26) (“2003 Act”); section 11 was amended by section 127 of, and paragraphs 40 and 42 of Schedule 7 and Part 1 of Schedule 8 to, the 2003 Act; section 11A was inserted by section 75 of the 2003 Act and amended by section 11 of the Local Government Finance Act 2012 (c. 17).

(6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same reduction week would, but for this paragraph, take effect in different reduction weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances takes effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of the authority's scheme.

(9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of the authority's scheme.

(10) Sub-paragraph (11) applies if—

- (a) the applicant or the applicant's partner has attained the age of 65; and
- (b) either—
 - (i) a non-dependant took up residence in the applicant's dwelling; or
 - (ii) there has been a change of circumstances in respect of a non-dependant so that the amount of the deduction which falls to be made under paragraph 8 (non-dependent deductions) increased.

(11) Where this sub-paragraph applies, the change of circumstances referred to in sub-paragraph (10)(b) takes effect from the effective date.

(12) In sub-paragraph (11), but subject to sub-paragraph (13), "the effective date" means—

- (a) where more than one change of a kind referred to in sub-paragraph (10)(b) relating to the same non-dependant has occurred since—
 - (i) the date on which the applicant's entitlement to a reduction under the authority's scheme first began; or
 - (ii) the date which was the last effective date in respect of such a change, whichever is the later, the date which falls 26 weeks after the date on which the first such change occurred;
- (b) where paragraph (a) does not apply, the date which falls 26 weeks after the date on which the change referred to in sub-paragraph (10)(b) occurred.

(13) If in any particular case the date determined under sub-paragraph (12) is not the first day of a reduction week, the effective date in that case is the first day of the next reduction week to commence after the date determined under that sub-paragraph.

 - (b) the amount of state pension credit awarded to him is changed in consequence of a change in the applicant's circumstances or the correction of an official error; and
 - (c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction he receives under an authority's scheme.
- (2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—
- (a) an increase in the reduction he receives under that scheme, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the increased rate; or
 - (b) a decrease in the reduction he receives under that scheme, the change takes effect from the first day of the reduction week next following the date on which—
 - (i) the authority receives notification from the Secretary of State of the increase in the amount of state pension credit; or
 - (ii) state pension credit is increased,whichever is the later.
- (3) Where the change of circumstance (“the relevant change”) is that the applicant's state pension credit has been reduced and in consequence the reduction the applicant receives under the authority's scheme reduces—

 - (b) entitlement to state pension credit begins,

(b) a change of circumstances which is a relevant determination, each of which results in a change in the amount of reduction the applicant receives under the authority's scheme, the change of circumstances referred to in paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).

(7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or his partner and this would result in an increase in the amount of a reduction the applicant receives under the authority's scheme, the change takes effect from the first day of the reduction week next following the date in respect of which the guarantee credit is first payable.

(8) Where a change of circumstances would, but for this sub-paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in paragraph 43 (continuing reductions where state pension credit claimed), that change takes effect on the first day of the first reduction week to commence after the expiry of the 4 week period.
