PART 6

CHAPTER 1

General

Calculation of income and capital: applicant's family and polygamous marriages

11.—(1) The income and capital of—

- (a) an applicant; and
- (b) any partner of that applicant,

is to be calculated in accordance with the provisions of this Part.

(2) The income and capital of any partner of the applicant is to be treated as income and capital of the applicant, and in this Part any reference to the applicant applies equally to any partner of the applicant.

(3) Where an applicant or the partner of an applicant is married polygamously to two or more members of his household—

- (a) the applicant must be treated as possessing capital and income belonging to each such member; and
- (b) the income and capital of that member must be calculated in accordance with the following provisions of this Part in like manner as for the applicant.

Circumstances in which income and capital of non-dependant is to be treated as applicant's

12.—(1) Sub-paragraph (2) applies where it appears to an authority that a non-dependant and an applicant have entered into arrangements in order to take advantage of the authority's scheme and the non-dependant has more income and capital than the applicant.

(2) Except where the applicant is on a guarantee credit the authority must treat the applicant as possessing income and capital belonging to that non-dependant and, in such a case, any income and capital which the applicant does possess must be disregarded.

(3) Where an applicant is treated as possessing income and capital belonging to a non-dependant under sub-paragraph (2) the income and capital of that non-dependant must be calculated in accordance with the following provisions of this Part in like manner as for the applicant and, except where the context otherwise requires, any reference to the "applicant" is to be construed for the purposes of this Part as if it were a reference to that non-dependant.

CHAPTER 2

Income

Applicant in receipt of guarantee credit

13. In the case of an applicant who is in receipt, or whose partner is in receipt, of a guarantee credit, the whole of his capital and income must be disregarded.

Calculation of applicant's income in savings credit only cases

14.—(1) In determining the income and capital of an applicant who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, an authority must use the calculation or estimate of the applicant's or as the case may be, the applicant's partner's income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

(2) Where the calculation or estimate provided by the Secretary of State includes the amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

- (a) the amount of any savings credit payable;
- (b) in respect of any dependent children of the applicant, child care charges taken into account under paragraph 24(1)(c) (calculation of income on a weekly basis);
- (c) the higher amount disregarded under this Schedule in respect of—
 - (i) lone parent's earnings; or
 - (ii) payments of maintenance, whether under a court order or not, which are made or due to be made by—
 - (aa) the applicant's former partner, or the applicant's partner's former partner; or

- (d) any amount to be disregarded by virtue of paragraph 10(1) of Schedule 4 (sums disregarded from earnings);
- (e) the income and capital of any partner of the applicant who is treated as a member of the applicant's household under regulation 8, to the extent that it is not taken into account in determining the net income of the person claiming state pension credit;
- (f) paragraph 12 (circumstances in which income of a non-dependant is to be treated as applicant's), if the authority determines that that provision applies in the applicant's case;
- (g) such further reduction (if any) as the authority thinks fit under section 13A(1)(c) of the 1992 Act⁽¹⁾;
- (h) any amount to be disregarded by virtue of paragraph 6 of Schedule 4.

(3) Paragraphs 16 to 36 of this Schedule do not apply to the amount of the net income to be taken into account under sub-paragraph (1), but do apply (so far as relevant) for the purpose of determining any adjustments to that amount which the authority makes under sub-paragraph (2).

(4) If sub-paragraph (5) applies, the authority must calculate the applicant's capital in accordance with paragraphs 31 to 36 of this Schedule.

(5) This sub-paragraph applies if—

- (a) the Secretary of State notifies the authority that the applicant's capital has been determined as being £16,000 or less;
- (b) subsequent to that determination the applicant's capital rises to more than £16,000; and
- (c) the increase occurs whilst there is in force an assessed income period within the meaning of sections 6 and 9 of the State Pension Credit Act 2002⁽²⁾.

Status: This is the original version (as it was originally made).

- (b) in the case of a self-employed earner whose employment is carried on in partnership, his share of the net profit derived from that employment, less—
 - (i) an amount in respect of income tax and of social security contributions payable under the SSCBA calculated in accordance with paragraph 30 (deduction of tax and contributions of self-employed earners); and
 - (ii) one-half of the amount calculated in accordance with sub-paragraph (11) in respect of any qualifying premium;
- (2) For the purposes of sub-paragraph (1)(a) the net profit of the employment must, except where sub-paragraph (8) applies, be calculated by taking into account the earnings of the employment over the assessment period less—
 - (a) subject to sub-paragraphs (4) to (7), any expenses wholly and exclusively incurred in that period for the purposes of that employment;
 - (b) an amount in respect of—
 - (i) income tax; and

- (4) Subject to sub-paragraph (5), no deduction is to be made under sub-paragraph (2)(a) or (3), in respect of—
 - (a) any capital expenditure;
 - (b) the depreciation of any capital asset;
 - (c) any sum employed or intended to be employed in the setting up or expansion of the employment;

 - (b) the repair of an existing business asset except to the extent that any sum is payable under an insurance policy for its repair.
- (6) An authority must refuse to make a deduction in respect of any expenses under sub-paragraph (2)(a) or (3) where it is not satisfied given the nature and the amount of the expense that it has been reasonably incurred.
- (7) For the avoidance of doubt—
 - (a) a deduction must not be made under sub-paragraph (2)(a) or (3) in respect of any sum unless it has been expended for the purposes of the business;

- (10) The amount in respect of any qualifying premium is to be calculated by multiplying the daily amount of the qualifying premium by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying premium is to be determined—
- (a) where the qualifying premium is payable monthly, by multiplying the amount of the qualifying premium by 12 and dividing the product by 365;
 - (b) in any other case, by dividing the amount of the qualifying premium by the number equal to the number of days in the period to which the qualifying premium relates.
- (11) In this paragraph, “qualifying premium” means any premium which is payable periodically in respect of a personal pension scheme and is so payable on or after the date of claim.

- 30.**—(1) The amount to be deducted in respect of income tax under paragraph 29(1)(b)(i), (2)(b)(i) or (8)(a)(i) (calculation of net profit of self-employed earners) is to be calculated—

- (2) But, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph must be calculated on a pro rata basis.

- (a) the amount of Class 2 contributions payable under section 11(1) or, as the case may be, 11(3) of the SSCBA(71) at the rate applicable to the assessment period except where the applicant's chargeable income is less than the amount specified in section 11(4) of that Act (small earnings exception) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and
 - (b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.
- (4) In this paragraph “chargeable income” means—
- (a) except where paragraph (b) applies, the earnings derived from the employment less any expenses deducted under sub-paragraph (3)(a) or, as the case may be, (3) of paragraph 29;
 - (b) in the case of employment as a child minder, one-third of the earnings of that employment.

CHAPTER 3

Capital

Calculation of capital

31.—(1) The capital of an applicant to be taken into account must, subject to sub-paragraph (2), be the whole of his capital calculated in accordance with this Part.

(2) There must be disregarded from the calculation of an applicant's capital under sub-paragraph (1), any capital, where applicable, specified in Schedule 6 (capital disregards).

(3) An applicant's capital is to be treated as including any payment made to him by way of arrears of—

- (a) child tax credit;
- (b) working tax credit;
- (c) state pension credit,

if the payment was made in respect of a period for the whole or part of which a reduction under an authority's scheme was allowed before those arrears were paid.

Calculation of capital in the United Kingdom

32. Capital which an applicant possesses in the United Kingdom is to be calculated at its current market or surrender value less—

- (a) where there would be expenses attributable to the sale, 10 per cent; and
- (b) the amount of any encumbrance secured on it.

(71) The rates of contributions in section 11(1) were substituted by article 2 of [S.I. 2012/807](#). Subsection (3) was amended (so as to transfer functions to the Treasury) by section 2 of, and paragraph 12 of Schedule 3 to, the Social Security Contributions (Transfer of Functions, etc) Act 1999 (c. 2).

Calculation of capital outside the United Kingdom

33. Capital which an applicant possesses in a country outside the United Kingdom is to be calculated—

- (a) in a case where there is no prohibition in that country against the transfer to the United Kingdom of an amount equal to its current market or surrender value in that country, at that value;
- (b) in a case where there is such a prohibition, at the price which it would realise if sold in the United Kingdom to a willing buyer,

less, where there would be expenses attributable to sale, 10 per cent and the amount of any encumbrances secured on it.

Notional capital

34.—(1) An applicant is to be treated as possessing capital of which he has deprived himself for the purpose of securing entitlement to a reduction under an authority's scheme or increasing the amount of that reduction except to the extent that that capital is reduced in accordance with paragraph 35 (diminishing notional capital rule).

(2) A person who disposes of capital for the purpose of—

- (a) reducing or paying a debt owed by the applicant; or
- (b) purchasing goods or services if the expenditure was reasonable in the circumstances of the applicant's case,

is to be regarded as not depriving himself of it.

(3) Where an applicant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, he may be treated as if he were such sole owner or partner and in such a case—

- (a) the value of his holding in that company must, notwithstanding paragraph 31 (calculation of capital) be disregarded; and
- (b) he must, subject to sub-paragraph (4), be treated as possessing an amount of capital equal to the value or, as the case may be, his share of the value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which he does possess.

(4) For so long as the applicant undertakes activities in the course of the business of the company, the amount which he is treated as possessing under sub-paragraph (3) is to be disregarded.

(5) Where an applicant is treated as possessing capital under sub-paragraph (1) the foregoing provisions of this Chapter apply for the purposes of calculating its amount as if it were actual capital which he does possess.

Diminishing notional capital rule

35.—(1) Where an applicant is treated as possessing capital under paragraph 34(1) (notional capital), the amount which he is treated as possessing—

- (a) in the case of a week that is subsequent to—
 - (i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or
 - (ii) a week which follows that relevant week and which satisfies those conditions,is to be reduced by an amount determined under sub-paragraph (3);
- (b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—

Status: This is the original version (as it was originally made).

- (i) that week is a week subsequent to the relevant week; and
 - (ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied, is to be reduced by the amount determined under sub-paragraph (5).
- (2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—
- (a) he is in receipt of a reduction under an authority's scheme; and
 - (b) but for paragraph 34(1), he would have received a greater reduction under that scheme in that week.
- (3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is to be equal to the aggregate of—
- (a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;
 - (b) where the applicant has also claimed state pension credit, the amount of any state pension credit or any additional amount of state pension credit to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 21(1) of the State Pension Credit Regulations 2002(72) (notional capital);
 - (c) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of housing benefit to which he would have been entitled in respect of the whole or part of that reduction week to which sub-paragraph (2) refers but for the application of regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006(73) (notional capital);
 - (d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996(74) (notional capital); and
 - (e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008(75) (notional capital).
- (4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b), the condition is that the applicant would have been entitled to a reduction in council tax under the authority's scheme in the relevant week but for paragraph 34(1).
- (5) In such a case the amount of reduction in the amount of the capital which he is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—
- (a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for paragraph 34(1);
 - (b) if the applicant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

(72) S.I. 2002/1792; regulation 21 was amended by S.I. 2002/3019, S.I. 2002/3197, S.I. 2004/547.

(73) S.I. 2006/214.

(74) S.I. 1996/207.

(75) S.I. 2008/794; regulation 115 has been amended by S.I. 2008/2428, S.I. 2010/641, S.I. 2011/1707 and S.I. 2011/2425.

- (c) if the applicant would, but for regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week, within the meaning of regulation 2 of those Regulations (interpretation), which includes the last day of the relevant week, the amount which is equal to—
 - (i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled,
 - (d) if the applicant would, but for regulation 113 of the Jobseeker’s Allowance Regulations 1996, have been entitled to an income-based jobseeker’s allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and
 - (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.
- (6) But if the amount mentioned in paragraph (a), (b), (c), (d), or (e) of sub-paragraph (5) (“the relevant amount”) is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
 - (b) multiplying the result of that calculation by 7.
- (7) The amount determined under sub-paragraph (5) must be re-determined under that sub-paragraph if the applicant makes a further application for a reduction in council tax under the authority’s scheme and the conditions in sub-paragraph (8) are satisfied, and in such a case—
- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
 - (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.
- (8) The conditions are that—
- (a) a further application is made 26 or more weeks after—
 - (i) the date on which the applicant made an application in respect of which he was first treated as possessing the capital in question under paragraph 34(1) ;
 - (ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (5), the date on which he last made an application which resulted in the weekly amount being re-determined, or
 - (iii) the date on which he last ceased to be entitled to a reduction in council tax under the authority’s scheme,whichever last occurred; and
 - (b) the applicant would have been entitled to a reduction under the authority’s scheme but for paragraph 34(1).
- (9) The amount as re-determined pursuant to sub-paragraph (7) does not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

Status: This is the original version (as it was originally made).

(10) For the purposes of this paragraph—

“part-week”—

- (a) in relation to an amount mentioned in sub-paragraph (5)(a) means a period of less than a week for which a reduction in council tax under an authority’s scheme is allowed;
- (b) in relation to an amount mentioned in sub-paragraph (5)(b) means a period of less than a week for which housing benefit is payable;
- (c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e) means—
 - (i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker’s allowance is payable; and
 - (ii) any other period of less than a week for which it is payable;

“relevant week” means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 34(1)—

- (a) was first taken into account for the purpose of determining his entitlement to a reduction under an authority’s scheme; or
- (b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction under that authority’s scheme,

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition the later or latest such reduction week or, as the case may be, the later or latest such part-week of the relevant week;

“relevant subsequent week” means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Capital jointly held

36. Except where an applicant possesses capital which is disregarded under paragraph 34(4) (notional capital), where an applicant and one or more persons are beneficially entitled in possession to any capital asset they must be treated, in the absence of evidence to the contrary, as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

Calculation of tariff income from capital

37. The capital of an applicant, calculated in accordance with this Part(**76**), is to be treated as if it were a weekly income(**77**) of—

- (a) £1 for each £500 in excess of £10,000 but not exceeding £16,000; and
- (b) £1 for any excess which is not a complete £500.

(76) See chapters 1 and 3 of this Part and the capital to be disregarded in accordance with Schedule 6.

(77) Income from capital is taken into account in calculating income: see paragraph 16(1)(i).
