2012 No. 632

The Control of Asbestos Regulations 2012

PART 2

General requirements

Washing and changing facilities

23.—(1) Every employer must ensure that the following are provided to any of that employer's employees who is exposed to asbestos—

- (a) adequate washing and changing facilities;
 - (b) where an employer is required to provide protective clothing, adequate facilities for the storage of—
 - (i) that protective clothing, and
 - (ii) personal clothing not worn during working hours; and
 - (c) where an employer is required to provide respiratory protective equipment, adequate facilities for the storage of that equipment.
- (2) The facilities provided under paragraph (1) for the storage of—
- (a) personal protective clothing;
 - (b) personal clothing not worn during working hours; and
 - (c) respiratory protective equipment,

must be separate from each other.
