A member of the RMPP who comes within the description in either Paragraph (a) or (b) above, or who is an Underlying Member, is a qualifying member of the RMPP for the purposes of Part 2 of the Postal Services Act 2011<sup>(7)</sup>.

(2) Each Wholly Transferred Beneficiary will, from the Commencement Date, have under the RMSPS the same rights and entitlements as applied to them under the RMPP as at the end of the Cut-Off Date, subject to sub-paragraphs (3) and (4) below, other than any rights and entitlements in respect of money purchase benefits which (subject to Clause 10 (Additional voluntary contributions transferred from the RMPP)) shall remain in the RMPP. - (a) any duty of the RMPP Trustees or an Employer, or any power or discretion which may be exercisable by the RMPP Trustees or an Employer, howsoever expressed, shall be a duty, power or discretion of the Secretary of State; and
  - (b) any role or function which would under the RMPP have been performed by the “Actuary” (as defined in the RMPP) shall be, to the extent relevant to the RMSPS, performed by the Secretary of State on the advice of the Actuary.
- (4) In relation to each Wholly Transferred Beneficiary who is a Member who opted out of the RMPP under General Rule 1A (Optional membership) or Rule 10E (Opting out of the Scheme) of Section C of the RMPP Rules before the end of the Cut-Off Date, and who is in Employer employment—
- (a) if the Member is retired from service with an Employer by reason of ill-health or incapacity, that Member’s RMSPS benefits will commence payment as they would have done if that Member had retained his or her benefits in the RMPP; and
  - (b) the amount of any benefit payable to or in respect of the Member from the RMSPS will be the same as would have been payable from the RMPP if that Member had retained his or her benefits in the RMPP.
- (5) Except as expressly provided for in these Rules, where a Cut-Off Date Active has one or more periods of RMPP Reckonable Service that ended on or before the Cut-Off Date, that person shall be treated as a Wholly Transferred Beneficiary (and this Clause 3 shall apply to that person) in respect of his or her rights and entitlements relating to such earlier period or periods of RMPP Reckonable Service, subject to the following—
- (a) If the Cut-Off Date Active has a period of RMPP Reckonable Service that ended on or before the Cut-Off Date and which was at the end of the Cut-Off Date treated as continuous with RMSPS Reckonable Service, that person shall be treated as a Cut-Off Date Active (subject to the Section A, Section B, Section C or Section E Rules as applicable) in respect of that period.
  - (b) In respect of a Section C Active, this Clause 3(5) operates without prejudice to the provisions made in Rule 5 (RMSPS Pension Supplement) of Section C in respect of any Suspended Pre-Cut-Off Date RMPP Pension Supplement that that person may have.
  - (c) In relation to any person who is or becomes entitled or contingently entitled to receive a pension or other benefits in respect of one or more periods of a Member’s RMPP Reckonable Service that ended on or before the Cut-Off Date, principles that are equivalent to those set out in the preceding provisions of this Clause 3(5) will apply.
- (6) If a Cut-Off Date Non-Active is a Plan L Member, that Member had accrued an obligation to pay the amount of contributions due to the RMPP under General Rule 21 (Contributions for widow’s pensions) of the RMPP Rules. The amount of that obligation, as had accrued as at the end of the Cut-Off Date and revalued under the RMSPS as if it were a benefit payable to that Member under the RMSPS, is an Accrued Plan L Amount. The Plan L Member will be treated as owing an obligation to the RMSPS in respect of the Accrued Plan L Amount, to be discharged by one or both of the methods set out in Paragraphs (a) and (b) below. Where both methods are available, the Member will choose the proportion of the accrued amount that will be met by each method, unless the Member has died, in which case the Secretary of State will use the method set out in Paragraph (a).
- (a) Under the method set out in this Paragraph, any lump sum benefits payable in respect of the Member from the RMSPS (including any lump sum payable on that Member’s death) will be reduced by the Accrued Plan L Amount (or if the Member also chooses to use the method set out in Paragraph (b), the appropriate share of the Accrued Plan L Amount under the RMSPS).
  - (b) Under the method set out in this Paragraph, the Member’s Transferred AVC Fund will, as provided for in Clause 10 (Additional voluntary contributions transferred from the RMPP),

#### **New POL Scheme**

5.—(1) If a “New POL Scheme” as defined in Clause 28B (Transfer of the POL Fund out of the Scheme at the request of the Principal Employer or POL) of the RMPP Commencement Date Rules is established (the New POL Scheme), these Rules shall apply to a Cut-Off Date Active as provided for in the remainder of this Clause where all or part of the benefits to which the Cut-Off Date Active is entitled under the RMPP are transferred to the New POL Scheme pursuant to that clause.

(2) The Secretary of State will apply these Rules with any modifications or adjustments as he may consider to be reasonably necessary in order to ensure that a Cut-Off Date Active’s benefits under the RMSPS (including without limitation the amount of such benefits, the circumstances under which they are paid and the treatment of elections or actions taken by the Cut-Off Date Active or any other person) are the same as they would have been had the Cut-Off Date Active’s RMPP benefits remained in the RMPP rather than transferring to the New POL Scheme.

- (3) Without limitation to sub-paragraph (2) above—
- (a) all references in these Rules to benefits payable, events taking place, directions, elections, nominations and requests made and actions taken under or in relation to the RMPP or any of its Employers shall where appropriate be deemed to refer to benefits payable, events taking place, elections made and actions taken under or in relation to the New POL Scheme;

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- (b) the definition of “Employer” in Clause 1 (Purpose, definitions and interpretation) shall where appropriate mean an “Employer” for the purposes of the rules of the New POL Scheme;

### **Member choices and nominations made under the RMPP**

6.—(1) Any directions, elections, nominations and requests made by any person (whether Wholly Transferred Beneficiaries, Cut-Off Date Actives or any beneficiaries with actual or contingent rights to benefits in respect of them) under the RMPP Rules and notified to the RMPP Trustees before the Commencement Date in accordance with the requirements of the RMPP Rules will continue to (as appropriate) bind or be taken into account by the Secretary of State from the Commencement Date, subject as appropriate to any later directions, elections, nominations and requests that may be made by any person under the RMSPS in accordance with these Rules.

(2) Without limitation to sub-paragraph (1), where any lump sum benefits are payable under the RMSPS on the death of a Member or any other person, the Secretary of State (or any responsible persons as may be appointed for such purpose by the Secretary of State under General Rule 6 (Member’s power to place benefits within the Secretary of State’s discretion), or the equivalent provisions of the RMPP Rules as apply to Wholly Transferred Beneficiaries under Clause 3) (Benefits payable in respect of Wholly Transferred Beneficiaries)) shall take into account any nomination form completed by the Member or any other person and delivered before the Commencement Date to the RMPP Trustees (a Pre-Commencement Nomination), and shall take account of the wishes regarding the distribution of death benefits (including treating any person as a beneficiary of any death benefit) as set out in the Pre-Commencement Nomination in the same way as if that Pre-Commencement Nomination had been delivered to the Secretary of State instead of to the RMPP Trustees. To the extent that a Pre-Commencement Nomination has been superseded by any valid nomination form that is delivered at a later date to the Secretary of State under these Rules, the Secretary of State (or any responsible persons referred to above) may take into account the Pre-Commencement Nomination as he considers (or they consider) to be reasonable and appropriate in order to determine the distribution of death benefits.

### **Payment of benefits**

7.—(1) Where, by reason of an overpayment of pension or other benefit in respect of a Wholly Transferred Beneficiary that occurred under the RMPP on or before the Cut-Off Date, the RMPP Trustees would at the end of the Cut-Off Date have had a right to recover that overpayment from future instalments of the pension in respect of that person, subject to sub-paragraph (3) below the Secretary of State in his absolute discretion may recover that overpayment as if it had occurred under the RMSPS by reducing future instalments of pension or any other benefit owed in respect of that person (and for these purposes any monetary obligation due from the beneficiary to the RMPP as at the end of the Cut-Off Date by reason of the overpayment will be treated as an obligation owing to the RMSPS).

(2) Where an overpayment of pension or other benefit in respect of any person occurs under the RMSPS after the Cut-Off Date, subject to sub-paragraph (3) below the Secretary of State in his

absolute discretion may recover that overpayment by reducing future instalments of pension or any other benefit owed in respect of that person.

(3) The Secretary of State will only have the power to make recovery from a person as described in sub-paragraphs (1) and (2) above to the extent that—

- (a) the RMPP Trustees may have done so had that person's benefit been retained in the RMPP; and
- (b) it is permitted under the Surrender and Forfeiture Laws as applied to the RMSPS under Clause 19 (Surrender and Forfeiture Laws).

### **Limitations of Claims**

**8.** No person whether a Member or otherwise shall have any claim right or interest upon to or in respect of the RMSPS or any interest thereon or any such claim upon or against the Secretary of State except under and in accordance with the provisions of the RMSPS.

### **Augmentation and new benefits**

**9.** The Secretary of State may provide increased or additional benefits in respect of any Member (or any spouse or dependant of a Member) or any Wholly Transferred Beneficiary. ### **Additional voluntary contributions transferred from the RMPP**

**10.**—(1) Where a Member has uncrystallised rights to money purchase benefits under the RMPP that are derived from additional voluntary contributions (including additional voluntary contributions that are made to the RMPP after the end of the Cut-Off Date), funds under the relevant account provided to that Member under the RMPP in respect of such contributions (the RMPP AVC Fund) may be transferred to the RMSPS and applied to provide benefits in accordance with this Clause (the part of the RMPP AVC Fund that is transferred to the RMSPS being the Transferred AVC Fund).

(2) Where the Member is an RMSPS AVC Only Beneficiary, the entire balance of the RMPP AVC Fund may at the Member's election be transferred to the RMSPS at the time the Member elects to crystallise those money purchase benefits.   - (ii) a pension under the RMSPS on such terms and conditions as the Secretary of State decides in his absolute discretion; and/or
- (b) if the Member is a Plan L Member and so elects, to meet some or all of the obligation to the RMSPS in respect of the Accrued Plan L Amount, as provided for in Clause 3(6) (Benefits payable in respect of Wholly Transferred Beneficiaries) (in the case of a Cut-Off Date Non-Active) or General Rule 15 (Plan L) (in the case of a Cut-Off Date Active).

(3) Where the Member is a Cut-Off Date Active and has elected to use the RMPP AVC Fund to take a lump sum cash benefit under the RMPP of a value equal to (or, in the opinion of the Secretary of State in his absolute discretion, sufficiently close to) the maximum pension commencement lump sum (as that term is defined under the Finance Act 2004) that may be paid to that Member under the

The Transferred AVC Fund may only be used for the following purposes and subject to the following conditions—

- (a) to provide a lump sum cash benefit from the RMSPS, to the extent that this would be an authorised payment under the Finance Act 2004; and/or
- (b) if the Member is a Plan L Member and so elects, to meet some or all of the obligation to the RMSPS in respect of the Accrued Plan L Amount provided for in Clause 3(6) (Benefits payable in respect of Wholly Transferred Beneficiaries),

and the amount that is transferred from the RMPP AVC Fund will not exceed the sum of—

- (i) the maximum amount of the Transferred AVC Fund that the Member may take as a pension commencement lump sum (as defined under the Finance Act 2004) under the RMSPS (and for avoidance of doubt, when determining this amount (A) any other lump sums payable to the Member under the RMSPS will be taken into account and (B) the Transferred AVC Fund will be included as part of the Member's RMSPS benefit); and
- (ii) the maximum amount necessary to meet the Member's entire obligation to the RMSPS in respect of the Accrued Plan L Amount.

- (4) A Transferred AVC Fund must be transferred to the RMSPS in the form of cash only.

- (ii) to acquire rights under another scheme whose trustees or managers are able and willing to accept him or her. The receiving scheme must be a Registered scheme or a QROPS. The transfer must comply with the relevant requirements of the Contracting-out Laws and the Transfer Value Laws.

The Member can exercise this right by application in writing to the Secretary of State at any time up to a year before Normal Retiring Age (or, if later, six months after the Cut-Off Date, but in any event no later than Normal Retiring Age). The Secretary of State shall have a discretion to use the cash equivalent of that Member's benefit in the same manner in relation to a Member who is within a year of, at or over Normal Retiring Age. In either case, the Secretary of State may impose such conditions as he considers appropriate.

(2) For the purposes of determining whether a Member has a right to a cash equivalent transfer and when that right may be exercised, references to "Normal Retiring Age" in sub-paragraph (1) above should be read as follows—

- (a) in respect of Section B Actives, as age 65 in respect of both any uncrystallised RMSPS NRA60 Benefits and RMSPS NRA65 Benefits and in respect of Section C Actives, as age

65 in respect of any uncrystallised RMSPS NRA60 Pension and RMSPS NRA65 Pension. Such a Member's right (and the Secretary of State's discretion) under sub-paragraph (1) above may be exercised in respect of that Member's RMSPS NRA60 Benefits and RMSPS NRA65 Benefits separately (in relation to Section B) and in respect of that Member's RMSPS NRA60 Pension and RMSPS NRA65 Pension separately (in relation to Section C); and

- (b) (i) in respect of a Member who is a Former RMPP Section B Member and—
  - (A) had both NRA60 Benefits and NRA65 Benefits (as these terms are used for the purposes of the Section B Rules of the RMPP Cut-Off Date Rules), as age 65 in respect of both any such uncrystallised NRA60 Benefits and NRA65 Benefits accrued under the RMPP; or
  - (B) had only benefits accrued under the RMPP in respect of RMPP Reckonable Service before 1 April 2010, as age 60; and
- (ii) in respect of a Member who is a Former RMPP Section C Member and—
  - (A) had both a NRA60 Pension and a NRA65 Pension (as these terms are used for the purposes of the Section C Rules of the RMPP Cut-Off Date Rules), as age 65 in respect of any such uncrystallised NRA60 Pension and NRA65 Pension accrued under the RMPP; and
  - (B) had only benefits accrued under the RMPP in respect of RMPP Reckonable Service before 1 April 2010, as age 60.

The rights of a Member referred to in Paragraphs (a) and (b)(i)(A) and (ii)(A) above (and the Secretary of State's discretion in respect of that Member under sub-paragraph (1) above) may be exercised in respect of that Member's NRA60 Benefits and NRA65 Benefits separately (in relation to former membership of Section B of the RMPP) and in respect of that Member's NRA60 Pension and NRA65 Pension separately (in relation to former membership of Section C of the RMPP).

(3) Where a Member would otherwise have a right to require the Secretary of State to use the cash equivalent in accordance with sub-paragraph (1) above, but that Member left Post Office employment before 1 January 1986, the Secretary of State shall have discretion to apply a transfer value payment in accordance with sub-paragraph (1) above.

(4) In this Clause the cash equivalent or other transfer value payment shall be an amount calculated by the Secretary of State on the advice of the Actuary in accordance with the Transfer Value Laws where they apply.

(5) Where the Secretary of State has used the cash equivalent of the Member's preserved benefit in the manner described in this Clause, he will be discharged from any obligation to provide benefits to which the cash equivalent related.

### **Pension sharing on divorce**

**12.**—(1) Orders or other provisions under Section 28(1) of the Welfare Reform and Pensions Act 1999(9) (activation of pension sharing) were—

- (a) made in respect of the RMPP and implemented in the RMPP on or before the Cut-Off Date; and
- (b) made in respect of the RMPP (whether on, before or after the Cut-Off Date) but (where relevant) not implemented in the RMPP by the end of the Cut-Off Date, and such orders or provisions shall be implemented in the RMSPS in accordance with Schedule 3 of the Benefits Order,

---

(9) 1999 c.30.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(such orders or provisions being “RMPP Pension Sharing Orders”). The Secretary of State shall provide pension credit benefits under the Scheme, or implement the RMPP Pension Sharing Orders in the RMSPS, as the case may be in accordance with Schedule 3 of the Benefits Order. The relevant provisions of the RMPP Cut-Off Date Rules shall govern such benefits and the terms on which RMPP Pension Sharing Orders are implemented. For avoidance of doubt, the remaining provisions of this Clause 12 shall not apply to them.

(2) It may be that an order or other provision under Section 28(1) of the Welfare Reform and Pensions Act 1999 (activation of pension sharing) made in respect of the RMSPS requires all or part of a Member’s benefits to be transferred to the Member’s former spouse. If this happens, the Secretary of State will discharge his liability to the former spouse in accordance with the requirements of that Act. However, the Secretary of State may provide benefits for the former spouse under the Scheme and will do so where required by relevant legislation. The Secretary of State may recover charges in respect of provision of information in connection with pension sharing on divorce in the circumstances prescribed in the Welfare Reform and Pensions Act 1999 or relevant legislation.

(3) If the Secretary of State provides benefits for the former spouse under the Scheme, the benefits will be subject to the limits in Part IX (Overriding Finance Act Provisions) of this Schedule and will be provided separately from any other benefits to which the former spouse may be entitled under the Scheme. The Secretary of State will provide the former spouse with written details of the benefits that will be provided.

(4) It may be that the former spouse dies before the Secretary of State has discharged his liability to the former spouse. If this happens, the Secretary of State may (but need not) provide benefits in respect of the former spouse in one or both of the following forms as he considers appropriate—

- (a) a lump sum death benefit payable as described in General Rule 6(1) (Member’s power to place benefits within the Secretary of State’s discretion) as if the former spouse were a Member, the lump sum benefit were “the designated sum” for the purpose of that General Rule 6(1) and as if the former spouse had given an appropriate direction;
- (b) a pension or pensions for one or more of the former spouse’s children, new spouse or other dependants on terms determined by the Secretary of State.

(5) Any lump sum death benefit cannot exceed 25% of the transfer payment that could have been made to the other pension arrangement if the former spouse had not died. The amount of any single pension cannot exceed two-thirds of the annuity that the transfer payment that could have been made could have bought for the former spouse, at an available market rate, immediately before his or her death. Where more than one pension is paid, the total of all the pensions cannot exceed the amount of the annuity that could have been bought for the former spouse. If the Secretary of State decides not to provide benefits as described above, he may (but need not) discharge his liability in respect of the former spouse in one of the other ways allowed by the Welfare Reform and Pensions Act 1999. Any part of the transfer payment that is not used as described in this Clause will be retained by the Secretary of State.

(6) A pension payable under this Clause to a surviving spouse or any other adult dependant will be payable for life. A pension payable to a child will be payable until the child reaches age 18. The Secretary of State may, however, pay or continue paying a pension to a child who has reached age 18—

- (a) for so long as the child is in full-time education or training approved by the Secretary of State; or
- (b) for the lifetime of the child, but only if the child was dependent on the former spouse because of disability when the former spouse died, or was wholly incapacitated at birth, subject in both cases to Part IX (Overriding Finance Act Provisions) of this Schedule.

### **Overriding Finance Act 2004 Provisions**

**13.** The RMSPS is a Registered scheme. The provisions of Part IX (Overriding Finance Act Provisions) of this Schedule shall apply to the benefits of Cut-Off Date Actives under the RMSPS and, except where the Rules expressly provide otherwise, override any other provision of the RMSPS with which they are inconsistent. For avoidance of doubt, the benefits of Wholly Transferred Beneficiaries shall not be subject to Part IX, but instead (in accordance with Clause 3(2) (Benefits payable in respect of Wholly Transferred Beneficiaries)) shall be subject to the equivalent Finance Act 2004 provisions that applied to them under the RMPP Cut-Off Date Rules.

### **Contracting-out**

**14.—(1)** The Secretary of State will operate the RMSPS in accordance with the Contracting-out Laws that apply to the RMSPS. The Rules will be treated as including Rules to the same effect as any rule that must be included for the RMSPS to comply with those laws (this Clause 14 overrides all other provisions of the RMSPS, except those that are in accordance with the Contracting-out Laws or where the Rules expressly provide otherwise).

(2) Without limiting sub-paragraph (1) above, any person who is a Wholly Transferred Beneficiary or a Cut-Off Date Active, or is entitled to benefits in respect of such a person, will from the Commencement Date have under the RMSPS rights and entitlements (including future rights and entitlements) to or referable to GMPs (including without limitation any rights or entitlements arising under Chapter III of Part IV of the Pension Schemes Act 1993<sup>(10)</sup>) which are no less favourable in any respect than those that person would have had under the RMPP or any relevant law but for the transfers and discharge under Articles 5 and 7 of the Benefits Order.

### **Prevention of discrimination on grounds of age**

**15.—(1)** Subject to sub-paragraphs (2) to (8) where, in respect of a Member's service under the RMPP on or after 1 December 2006, any of the terms of the RMSPS would, but for this Clause, unlawfully treat a Member or group of Members (the Less Favoured Members) less favourably than another Member or group of Members (the More Favoured Members) on grounds of age, then in respect of a Member's service under the RMPP on and from 1 December 2006 (or the date on which the term has effect, if later) the term is modified so as to disapply the more favourable treatment in respect of the More Favoured Members, to the extent required to ensure that the application of the term to the More Favoured Members and the Less Favoured Members is not unlawful.

(2) Sub-paragraph (1) shall not apply to the extent that, following any modification of a term pursuant to that clause, any pension under the RMSPS would cease to be equivalent to, or better than, the pension which would be provided under a "reference scheme" as described in Section 12B of the Pension Schemes Act 1993.

(3) If the Secretary of State becomes aware that he or (prior to the Commencement Date) the RMPP Trustees have been—

- (a) making payments to or in respect of Members; or
- (b) making statements to Members about benefits which will or may become payable to or in respect of Members at a future date,

where payment of those benefits constitutes or would constitute a breach of a term as that term is modified by sub-paragraph (1) then the Secretary of State shall—

- (i) make whatever adjustments are necessary to benefits in payment or to statements about the payment of future benefits to ensure that from the date of the adjustment the benefits paid and

statements made about benefits accurately reflect the provisions of the Rules and requirements of legislation prohibiting discrimination on the grounds of age; and

- (ii) have power to set off any overpayments of benefit made to or in respect of a Member in breach of a modification of a term pursuant to sub-paragraph (1) against any future payments of benefit to or in respect of that Member.

(4) In this Clause, a term means a term under the Rules or (at any time before the end of the Cut-Off Date) under the RMPP Rules and any provision, criterion, action, decision or practice applied by an Employer, the RMPP Trustees or the Secretary of State (as the case may be) as to the terms on which a person becomes a Member or is or was treated as a Member of the RMSPS or the RMPP.

(5) This Clause does not have effect in relation to rights accrued or benefits payable in respect of periods of RMSPS Reckonable Service prior to 1 December 2006 (or the date on which the relevant term has effect, if later).

(6) Notwithstanding the provisions of Clause 13 (Overriding Finance Act 2004 Provisions), General Rule 4 (Payment of benefits) or Part IX (Overriding Finance Act Provisions) of this Schedule (or the equivalent provisions of the RMPP Cut-Off Date Rules, as they apply to Wholly Transferred Beneficiaries under Clause 3 (Benefits payable in respect of Wholly Transferred Beneficiaries)) regarding the making of payments which would not be authorised payments for the purposes of the Finance Act 2004, the Secretary of State shall have power to make a payment that is or may be an unauthorised payment for the purposes of that Act where the payment is made in breach of a term as that term is modified by sub-paragraph (1) and—

- (a) the Secretary of State was not aware of the breach at the time the payment was made; or
- (b) the Secretary of State was aware of the breach at the time the payment was made but it was not reasonably practicable to prevent the payment being made.

(7) The Secretary of State shall have full power to determine any matters of ambiguity or dispute arising out of the application of this Clause 15 to the terms of the RMSPS.

(8) In this clause, a reference to a Member shall mean a Cut-Off Date Active. For avoidance of doubt, the benefits of Wholly Transferred Beneficiaries shall not be subject to this Clause 15, but instead (in accordance with Clause 3(2) (Benefits payable in respect of Wholly Transferred Beneficiaries)) shall be subject to the equivalent age discrimination provisions that applied to them under the RMPP Cut-Off Date Rules.

#### **Set-off for crime, fraud or negligence**

**16.**—(1) Subject to sub-paragraph (10) below, this Clause applies where, at any time (whether before, on or after the Cut-Off Date)—

- (a) a Section A Active or Section B Active is dismissed by an Employer for misconduct or resigns in order to avoid such dismissal and he or she has incurred a monetary obligation to his or her Employer arising out of his or her criminal, negligent or fraudulent act or omission;
- (b) a Section A Active, Section B Active, Former RMPP Section A Member or Former RMPP Section B Member has caused a monetary loss or incurred a monetary obligation to the RMPP as a result of his or her criminal, negligent or fraudulent act or omission;
- (c) a Section A Active, Section B Active, Former RMPP Section A Member or Former RMPP Section B Member has caused a monetary loss or incurred a monetary obligation to the RMSPS as a result of his or her criminal, negligent or fraudulent act or omission; or
- (d) a Section C Active or Former RMPP Section C Member owes money to his or her Employer arising from a criminal, fraudulent or negligent act or omission.

(2) Where this Clause applies to a person—

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- (a) under Paragraphs (1)(a) and (d) above and the Employer notifies the Secretary of State of the amount determined by them of the monetary obligation due to that Employer; or
- (b) under Paragraph (1)(b) above and the RMPP Trustees notify the Secretary of State of the amount determined by them of the monetary obligation due to the RMPP,

the Secretary of State will reduce the benefits payable to or in respect of that person (including amounts payable by reference to contributions paid by him or her to the RMPP) subject to the following sub-paragraphs of this Clause.

(3) Where this Clause applies to a person under Paragraph (1)(c) above, the Secretary of State may reduce the benefits payable to or in respect of that person (including amounts payable by reference to contributions paid by him or her to the RMPP) subject to the following sub-paragraphs of this Clause.

(4) The amount of the reduction shall not exceed the amount of the monetary obligation due to the Employer or to the RMPP or to the RMSPS (as the case may be) or (if less) the value of the said benefits at the time of the reduction as determined by the Secretary of State on the advice of the Actuary.

(5) No reduction may be made to—

- (a) the person's GMP;
- (b) in the case of monetary obligation due to the Employer from a Section A Active, Section B Active, Former RMPP Section A Member or Former RMPP Section B Member, to benefits payable or contributions refundable in respect of any service with another employer that has been a participating employer under the RMPP (not being an Employer) for which, before the Cut-Off Date, the RMPP Trustees have granted back service credits or other benefits attributable to such service;
- (c) in the case of a Section C Active or Former RMPP Section C Member, benefits granted in respect of a transfer payment to the RMPP (except for benefits to which this Clause may apply notwithstanding the Surrender and Forfeiture Laws as applied to the RMSPS under Clause 19 (Surrender and Forfeiture Laws)); or
- (d) in the case of a Section C Active or Former RMPP Section C Member, benefits granted under the RMPP in respect of additional voluntary contributions as transferred to the RMSPS in accordance with Clause 10 (Additional voluntary contributions transferred from the RMPP).

(6) Before making any such reduction the person in question shall be given a certificate showing the amount of the reduction and the effect of it on that person's benefits.

(7) The reduction shall not be effected where there is a dispute as to the amount of the monetary obligation due to the Employer or to the RMPP or to the RMSPS unless it has become enforceable under an order of a competent court or in consequence of an award of an arbitrator or, in Scotland an arbiter to be appointed (failing agreement between the parties) by the sheriff.

(8) Unless Paragraph (1)(c) above applies, where there is a reduction under the above provisions, the amount of the reduction made will be paid by the Secretary of State to the Employer or to the RMPP Trustees (as appropriate).

(9) The above provisions (as they relate to monetary loss or obligation to the RMPP or to the RMSPS) shall not be exercisable to reduce—

- (a) the benefits of any Former RMPP Section A Member or Former RMPP Section B Member who was at 1 April 1998 already entitled to the receipt of a pension or benefits; or
- (b) the accrued rights of a Section A Active, Section B Active, Former RMPP Section A Member or Former RMPP Section B Member in respect of RMSPS Reckonable Service prior to 1 April 1998, save to the extent that a reduction of benefit would have been permissible under the RMPP Rules or by law immediately prior to 1 April 1998.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(10) The above provisions shall not apply to a Section A Active or Former RMPP Section A Member to the extent that any provision of the Principal Civil Service Pension Scheme which relates to the reduction of a Member's benefits as a result of that Member's criminal, fraudulent or negligent act shall apply to such a Member.

(11) In addition to the above, the Secretary of State is entitled to the benefit of a charge, lien or set-off against benefits under the RMSPS in respect of Section C Actives and Former RMPP Section C Members which are attributable to Pensionable Service (as that term is used in, respectively, the Section C Rules or Section C of the RMPP Rules) on and after 1 April 1998 for the purpose of discharging some monetary obligation due from the person in question to the Scheme or the RMPP and arising out of a criminal, negligent or fraudulent act or omission by him or her. To the extent that the monetary obligation is due from the person in question to the RMPP, the Secretary of State will pay the amount of the reduction to the RMPP. Before exercising the entitlement under this sub-paragraph, the Secretary of State will follow the procedural steps set out in Section 91 of the Pensions Act 1995<sup>(11)</sup> as applied to the RMSPS under Clause 19 (Surrender and Forfeiture Laws). For the avoidance of doubt, the Secretary of State may only exercise the entitlement under this sub-paragraph to the extent that, and in the circumstances in which, the RMPP Trustees would have been able to exercise their entitlement to the benefit of a charge, lien or set-off under Rule 12G (Off-set for Crime, Fraud or Negligence) of Section C of the RMPP Cut-Off Date Rules in respect of the Member's benefits, had such benefits not been transferred to the RMSPS.

#### **Ambiguity, doubt or dispute**

17. In addition to any specific power in these Rules concerning ambiguity, doubt or dispute, the Secretary of State shall have full power to determine any matters of ambiguity, doubt or dispute concerning the interpretation of the Rules and their application to the benefits and entitlements of any Member or any beneficiary under the RMSPS.

#### **Preservation Laws**

18. The Secretary of State will ensure that the amount of a benefit provided under the RMSPS (whether in respect of a Wholly Transferred Beneficiary or a Cut-Off Date Active) is no less than the amount that would be payable if the Preservation Laws applied to the RMSPS, if and to the extent that the benefit as determined under the other provisions of these Rules would not be at least equal to that amount. The Secretary of State will also ensure that the form and time of payment of any such benefit will not be other than what would have been a permitted form and time of payment if the Preservation Laws applied to the RMSPS.

#### **Surrender and Forfeiture Laws**

19.—(1) Subject to the modifications set out in sub-paragraph (2) below, section 91 (Inalienability of occupational pension), section 92 (Forfeiture, etc), section 93 (Forfeiture by reference to obligation to employer) and section 94 (Sections 91 to 93: supplementary) of the Pensions Act 1995 and any regulations made under those sections (the "Surrender and Forfeiture Laws") shall be treated as applicable to the RMSPS, such that—

- (a) entitlements or rights under the RMSPS cannot be forfeited, assigned, commuted, surrendered or charged; and
- (b) no lien or set-off may be exercised in respect of such entitlements or rights, except to the extent permitted under the Surrender and Forfeiture Laws. Any agreement, act or occurrence that is not so permitted shall have the same consequence under the RMSPS as if the Surrender and Forfeiture Laws applied to it directly.

---

(11) 1995 c.26.

(2) The provisions referred to in sub-paragraph (1) shall be treated as modified in their application to the RMSPS, such that—

- (a) the references in or under section 91(5)(d) and section 93 to an “employer” shall be taken to mean an Employer;
- (b) the references in or under section 91(5)(e) to “the scheme” shall be taken to include the RMPP as well as the RMSPS.

(3) Subject in both cases to the Surrender and Forfeiture Laws as applied to the RMSPS under sub-paragraph (1) above, General Rule 5 (Non-assignability of benefits and forfeiture) makes provision relating to assignment and forfeiture of benefits in respect of Cut-Off Date Actives, and sub-paragraph (4) below makes provision relating to assignment and forfeiture of benefits in respect of Wholly Transferred Beneficiaries.

(4) Benefits under the RMSPS in respect of Wholly Transferred Beneficiaries will (in accordance with Clause 3(2) (Benefits payable in respect of Wholly Transferred Beneficiaries)) be subject to any equivalent provisions relating to assignment and forfeiture that applied to them under the RMPP Cut-Off Date Rules. The benefits of a Wholly Transferred Beneficiary may also be set-off in accordance with Clause 16 (Set-off for crime, fraud or negligence).

## PART II

### THE GENERAL RULES OF THE SCHEME

#### Application of the General Rules

1.—(1) Except where specified otherwise in these General Rules, the General Rules apply to all Members who are Cut-Off Date Actives subject to the Section A Rules, the Section B Rules, the Section C Rules and the Section E Rules. They do not apply to Members who are Cut-Off Date Non-Actives or to any other Wholly Transferred Beneficiaries. References to Member in the General Rules shall be read accordingly.

(2) Unless the context requires otherwise, a General Rule which is specified to apply to Section A Actives or Section B Actives shall also apply to Section E Actives who, prior to joining Section E under the RMPP, were Section A Members or Section B Members under the RMPP (respectively).

#### RMSPS Reckonable Service

2. In respect of Section A Actives, Section B Actives and Section E Actives (who are subject to the Section A Rules, the Section B Rules and the Section E Rules respectively), the following expression has the meaning hereby assigned to it (but, for avoidance of doubt, this expression does not apply to Section C Actives (who are subject to the Section C Rules)) and references to Member in this expression shall be read accordingly—

“RMSPS Reckonable Service” means, in relation to a Member, such period as would have constituted the Member’s “Reckonable Service” under the General Rules of the RMPP had the Member opted out of the RMPP under General Rule 1A (Optional membership) of the RMPP Rules at the end of the Cut-Off Date, excluding any such period which was, at the end of the Cut-Off Date, not treated by the RMPP Cut-Off Date Rules as continuous with the Member’s then-continuing RMPP Reckonable Service. For avoidance of doubt, this shall—

- (a) include a period of employment which was, at the end of the Cut-Off Date, treated by the RMPP Cut-Off Date Rules as continuous with the Member’s then-continuing RMPP Reckonable Service;

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- (b) include such part of the Member's RMPP Reckonable Service as constitutes the "Pre-Cut-Off Date AVC FS Added Years Service" of a Section B Active, as defined in Rule 1(1) of Section B of the RMPP Rules (and any equivalent period for a Section A Active); and
- (c) be subject to any special conditions specified by the Principal Employer and agreed by the RMPP Trustees in respect of that Member under General Rule 7(10A) (Members' contributions) of the RMPP Rules.

### **Refund of contributions**

3.—(1) This Rule only applies to Members who are subject to the Section A or Section B Rules.

(2) In this Rule: the "determined proportion" of contributions which is referable to specified benefits means the proportion of those contributions which is determined by the Secretary of State on the advice of the Actuary to be referable to those benefits in particular circumstances.

(3) A Member who has qualified for a pension, whose last marriage has ended and who has no eligible child at the date of that Member's retirement or death before retirement may elect to receive on retirement, or there may be paid to the Member's personal representatives, an amount equal to that Member's own standard contributions paid to the Fund which is referable to Family Benefits and that Member's own contributions paid to the Fund for the purchase of added years which is referable to Family Benefits (being in each case contributions paid to the Fund in respect of that Member's RMPP Reckonable Service since the end of that Member's last marriage if the Member is subject to the Section A Rules, or, if subject to the Section B Rules, since the end of that Member's last marriage or the cessation of that Member's children's eligibility for benefit (whichever is the later)), with Interest. In addition to the ending of a marriage by divorce, decree of nullity or the spouse's death, for the purposes of the Section B Rules a marriage shall be regarded as ended by judicial separation the terms of which do not require the Member to contribute to the spouse's support.

(4) A Member who has qualified for a pension, and who throughout that Member's service under the RMPP has had no spouse, and has no eligible child at the date of that Member's retirement or at the date of death of that Member before retirement, but has had a child or children whom either the RMPP Trustees (before the end of the Cut-Off Date) or the Secretary of State agreed to regard as eligible for Family Benefits, and who is subject to the Section B Rules, may elect to receive on retirement, or on death before retirement there may be paid to that Member's personal representatives, that Member's own standard contributions which is referable to Family Benefits and that Member's own contributions paid to the Fund for the purchase of added years which is referable to Family Benefits (being in each case contributions paid to the Fund in respect of that Member's RMPP Reckonable Service since the cessation of that Member's child's or children's eligibility for benefit), with Interest.

(5) A Member who has qualified for a pension and who throughout that Member's service under the RMPP has had no spouse and no child who is or was eligible for benefits under the Section A Rules or the Section B Rules as may be applicable to the Member, may elect to receive on retirement, or on death of that Member before retirement there may be paid to that Member's personal representatives, an amount equal to a refund of that Member's own standard contributions paid to the Fund which is referable to Family Benefits and that Member's own contributions paid to the Fund for the purchase of added years which is referable to Family Benefits, with Interest.

(6) Sub-paragraphs (3) to (5) inclusive of this Rule shall not apply in respect of contributions paid by a Member to the Fund in respect of Contracted-out Employment by reference to the RMPP on or before the Cut-Off Date.

(7) A female Member who before the end of the Cut-Off Date made an election under General Rule 26 (Election for Widower's pension in respect of service prior to 1 December 1971) of the RMPP Rules and who had no husband through her service under the RMPP or whose last marriage

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

ended before the election was made, may elect to receive on her retirement, or on her death there may be paid to her personal representative, a refund of the additional annual contributions paid to the Fund under that General Rule 26 of the RMPP Rules, with Interest.

(8) A refund of contributions under the RMSPS shall be reduced by an amount equal to the tax which the Secretary of State becomes liable to pay to HMRC.

(9) Where a Contributions Equivalent Premium has been paid to the Secretary of State in respect of a period of Contracted-out Employment by reference to the RMPP relating to a Member, the Secretary of State shall have the power to deduct from any payment due to the Member from the RMSPS that is calculated by reference to contributions paid by the Member to the Fund (excluding any paid under General Rule 19 (Added Years) of the RMPP Rules) an amount equal to the certified amount (as defined in Section 55(2) of the Pension Schemes Act 1993<sup>(12)</sup>), or to not make any such payment if such amount would be less than the certified amount.

(10) For the purposes of this Rule, Contracted-out Employment and Contributions Equivalent Premium have the meanings given under the contracting-out laws of the Pension Schemes Act 1993, as they applied to the RMPP at the end of the Cut-Off Date.

### **Payment of benefits**

4.—(1) All pensions and other benefits shall be payable in such manner and at such places as the Secretary of State decides, and shall be subject to such proof of title and evidence of survival as the Secretary of State requires. Subject to Part IX (Overriding Finance Act Provisions) of this Schedule, no part repayment is necessary on the Pensioner's death (except where a payment is made in error due to late notification of the death).

(2) The Secretary of State may, subject to Part IX (Overriding Finance Act Provisions) of this Schedule and in addition to the provisions of the Rules, pay any of the following benefits to Members—

- (a) a trivial commutation lump sum or other commutation payment on grounds of triviality under the Finance Act 2004<sup>(13)</sup>;
- (b) a serious ill-health commutation lump sum;
- (c) a winding-up lump sum;
- (d) a refund of excess contributions lump sum;
- (e) a lifetime allowance excess lump sum;
- (f) a contributions refund lump sum; and
- (g) any other lump sum the payment of which would be an authorised payment under the Finance Act 2004,

where the terms “trivial commutation lump sum”, “serious ill-health lump sum”, “winding-up lump sum”, “refund of excess contributions lump sum” and “lifetime allowance excess lump sum” have the meanings given to them under the Finance Act 2004 and the term “contributions refund lump sum” has the meaning given to it in the Finance Act 2009<sup>(14)</sup>. The Secretary of State may reduce the amount of the payment by that of any tax or charge for which they may be accountable.

(3) If the Secretary of State is satisfied that a beneficiary is unable by reason of minority, mental incapacity or other cause to manage his or her own affairs the Secretary of State may at its discretion pay any benefits to which the beneficiary is entitled to any other person for the benefit of that beneficiary, and payment to such other person shall be a complete discharge of the Secretary of State who shall not be under any obligation or liability to see to the application of any sums so paid. Secretary of State may also make for the beneficiary any choice which he has under the RMSPS but shall be under no obligation to do so. In neither event shall the Secretary of State incur any consequential liability to the beneficiary or to anyone else.

(4) Where the Secretary of State is due to pay, or has exercised his discretion under General Rule 6(2)(a) (Member's power to place benefits within the Secretary of State's discretion) or Rule 10 (Discretionary trusts) of the Section C Rules to pay, any amount to the personal representatives of a Member, and no grant of representation to the Member's estate is produced to the Secretary of State, the Secretary of State may if in his discretion he thinks fit pay any such amount to any person showing himself or herself to the Secretary of State's satisfaction to be entitled, otherwise than as a creditor, to take out such a grant or to any person appearing to the Secretary of State's satisfaction to be entitled otherwise than as a creditor to share in the estate of the deceased. The Secretary of State may also at his discretion deduct the cost of funeral expenses from the lump sum death benefits and pay it to the person who incurred the funeral expenses.

#### **Non-assignability of benefits and forfeiture**

5.—(1) Benefits under the RMSPS cannot be assigned or charged; subject to General Rules 4(3) and (4), they will not be paid to anyone except the person entitled under these Rules. Subject to the Surrender and Forfeiture Laws as applied to the RMSPS under Clause 19 (Surrender and Forfeiture Laws) a benefit will cease to be payable if—

- (a) the person entitled to the benefit under these Rules tries to assign or charge it or becomes bankrupt; or
- (b) any other event occurs by which all or part of the benefits would become payable to some other person.

(2) If a benefit ceases to be payable under sub-paragraph (1) above, the Secretary of State shall be at liberty in his absolute discretion to pay an equivalent benefit to, or for the benefit of, one or more of—

- (a) the person who was entitled to the original benefit; and
- (b) that person's spouse and dependants.

If the Secretary of State decides to pay the benefit to more than one person, he will pay it in such shares as he decides.

(3) Sub-paragraphs (1) and (2) above do not apply to GMPs since, by law, they cannot be assigned; any attempt to assign GMPs is void and will be ignored. Nor do these Rules apply to any lump sum or instalment of pension that falls due for payment before the benefit otherwise ceases to be payable.

(4) The Secretary of State may, in accordance with Section 92(5)(b) of the Pensions Act 1995 as applied to the RMSPS under Clause 19 (Surrender and Forfeiture Laws), forfeit a claim for pension or other benefits under the RMSPS where such pension or benefits are not claimed by the Member or beneficiary within 6 years of the pension or benefit becoming due. The Secretary of State shall have full powers to determine the circumstances in which he shall exercise this power.

(5) A Member's benefits may also be set-off in accordance with Clause 16 (Set-off for crime, fraud or negligence).

#### **Member's power to place benefits within the Secretary of State's discretion**

6.—(1) In this Rule the expression the "designated sum" shall mean any death benefit and/or any lump sum retirement benefit and/or any arrears of pension benefits which may be payable under the Section A or Section B Rules and which in the absence of any direction by a Member under this Rule would be payable to the personal representatives of the Member.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(2) Subject to sub-paragraph (5) below, a Member may at any time by notice in writing to the Secretary of State in such form as the Secretary of State shall approve direct that—

- (a) the designated sum shall be payable to that Member's personal representatives only at the discretion of the Secretary of State; or
- (b) the designated sum shall be paid to such responsible persons (not being less than two nor more than four) as shall be appointed for such purpose by the Secretary of State to be held by the Secretary of State upon the trusts and with and subject to the powers and provisions set out in Part VII (Trusts, Powers and Provisions) of this Schedule hereto at the date of such direction.

(3) Any direction given in accordance with this Rule shall be effective and if a direction is given under sub-paragraph (2)(b) above the designated sum shall accordingly be paid to such responsible persons and shall be held by them upon the trusts and with and subject to the powers and provisions set out in Part VII (Trusts, Powers and Provisions) of this Schedule hereto at the date of such direction.

(4) The trusts powers and provisions set out in Part VII (Trusts, Powers and Provisions) of this Schedule hereto may from time to time be varied by the Secretary of State but so that the trusts powers and provisions as so varied shall only apply in relation to directions given to the Secretary of State after the making of such variations.

(5) Any direction given by the Member to the RMPP Trustees on or before the Cut-Off Date under General Rule 16 (Member's or Pensioner's power to place benefits within the Trustees' discretion) of the RMPP Rules will bind the Secretary of State for the purposes of the RMSPS. No further direction can be given by the Member to the Secretary of State under this Rule.

(6) Any direction given by a Member to the Secretary of State under this Rule, or given to the RMPP Trustees on or before the Cut-Off Date under the RMPP Rules, shall be irrevocable and binding on such Member and that Member's estate and all persons interested therein.

#### **Application of Sections A and B – election for Section B benefits**

7.—(1) Any Section A Active may elect by notice in writing given to the Secretary of State in the form from time to time prescribed and received by him before the relevant date mentioned in sub-paragraph (2) below to be subject to the Section B Rules (in place of the Section A Rules), although remaining a Member of Section A. A Section A Active who, having been enabled at the time by the General Rules then in force to do so, has revoked an election under this sub-paragraph, shall be entitled again to make such an election provided that the provisions of this sub-paragraph can be and are complied with.

(2) The relevant date is three months before a Section A Active's benefits commence or, if earlier, the date six months after the Section A Active's RMPP Exit Date.

(3) The Secretary of State may extend the period during which an election may be made to such later date as he may specify.

(4) An election under sub-paragraph (1) of this Rule shall be irrevocable and shall have effect on the date on which it is received by the Secretary of State or on the date on which the Member retired, whichever is the earlier.

(5) If a Section A Active entitled to make an election under sub-paragraph (1) dies without making such election and within the prescribed period for making an election under that sub-paragraph, the Secretary of State shall pay the benefits (either under the Section A Rules or under the Section B Rules) which in his opinion are the more favourable and his decision shall be final, but the Secretary of State shall be entitled to change his decision where he is of the opinion that such change would enable him to pay benefits which are more favourable.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(6) If the Secretary of State is satisfied that a Section A Active entitled to make an election under sub-paragraph (1) is by reason of mental incapacity unable to do so within the prescribed period for doing so, the Secretary of State shall pay the benefits (either under the Section A Rules or under the Section B Rules) which in his opinion are the more favourable, and his decision shall be final whether or not the Section A Active recovers his or her capacity to manage his or her own affairs but the Secretary of State shall be entitled to change his decision where he is of the opinion that such change would enable him to pay benefits which are more favourable.

(7) Where a Section A Active who has received benefits on retirement under the Section A Rules elects to be subject to the Section B Rules, any lump sum to which that Section A Active may be entitled under the Section B Rules shall be reduced by the amount of any lump sum received by that Section A Active under the Section A Rules.

(8) For the purpose of this Rule a person who has received such benefits or return of contributions as may have been due to that person on retirement shall be deemed to have retired notwithstanding that the person is re-employed by an Employer.

(9) This Rule applies despite anything in Rule 4 (Payment of RMSPS benefits) of the Section A Rules and Rule 4 (Payment of RMSPS benefits, retirement options and flexible retirement) of the Section B Rules.

### **Delay in payment**

#### **8. If either—**

- (a) before the Commencement Date, the RMPP Trustees have deferred payment of any benefit from the RMPP for a period exceeding three months from the due date of the whole or any part of the lump sum or pension due to any person under the contributory part of the RMPP on the ground that they were not satisfied that they could obtain a discharge for such a payment, and the payment remains deferred on the Commencement Date; or
- (b) the Secretary of State defers payment of any benefit from the RMSPS (or continues under the RMSPS any deferral of payment under the RMPP that was commenced by the RMPP Trustees before the Commencement Date) for a period exceeding three months from the due date of the whole or any part of the lump sum or pension due to any person under the RMSPS on the ground that the Secretary of State is not satisfied that he can obtain a discharge for such a payment,

the Secretary of State shall on ultimate payment of the amount so deferred pay Interest for the period from the expiration of the said three months to the date of such payment.

### **Added Years**

9.—(1) Up to and including 1 April 2008, with the consent of the RMPP Trustees a Member who was subject to Section A or Section B of the RMPP Rules could elect to purchase a number of added years by making additional annual contributions to the Fund at rates then specified in the RMPP Rules or determined by the RMPP actuary. The RMSPS Reckonable Service of such Members shall include the added years they purchased under that Rule before the end of the Cut-Off Date.

(2) A number of Members who had made such elections had not completed purchasing such added years as at the Cut-Off Date, such that if such Members had continued in RMPP Reckonable Service after the Cut-Off Date they would have continued to purchase added years by making the required additional contributions after the Cut-Off Date. In the case of each such Member, the number of added years included in RMSPS Reckonable Service shall be calculated according to the amount of contributions paid up to the end of the Cut-Off Date in accordance with the method and assumptions agreed before the Cut-Off Date between the RMPP Trustees and the Principal Employer. Any added years purchased with contributions paid to the “Fund” (as this term is defined for the purposes of the RMPP) after the Cut-Off Date shall not be included in RMSPS Reckonable Service.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(3) The maximum number of added years which will be included in Members' RMSPS Reckonable Service under this Rule can in no case exceed—

- (a) the limits set out in Part IX (Overriding Finance Act Provisions) of this Schedule;
- (b) the number of additional years that would enable the Member to complete 45 years' RMSPS Reckonable Service.

(4) In respect of Members subject to the Section B Rules, any added years which have been purchased under the RMPP and which count as RMSPS Reckonable Service in accordance with (2) above will be counted as RMSPS NRA60 Benefits (as that term is used for the purposes of the Section B Rules) notwithstanding the fact that such added years may have been purchased by contributions paid by the Members to the RMPP on and after 1 April 2010.

### **Provisions relating to application of General Rules 11 to 16**

**10.**—(1) General Rules 11 (Widows' pensions: Members' choices), 12 (Members' choice of methods of payment of contributions), 13 (Plan M), 14 (Plan U), 15 (Plan L) and 16 (Election for Widower's pension in respect of service prior to 1 December 1971) shall only apply to those Members who are subject to the Section A or Section B Rules.

(2) In the Rules referred to in sub-paragraph (1) above, except where the context otherwise requires the expression "widow" and "his widow" shall respectively include "dependent widower" and "her dependent widower".

### **Widows' pensions: Members' choices**

**11.**—(1) A male Member who was excluded from Part III of the Superannuation Act 1965<sup>(15)</sup> by such an election as is referred to in Section 58 of that Act (repealed with savings by the Superannuation Act 1972<sup>(16)</sup>, Schedule 7, paragraph 2), or a male Member whose "Reckonable Service" in the Civil Service began on or before the 14 July 1949, and who, being on that date unmarried or otherwise ineligible has not elected that the said Part III should not apply to him, may have chosen under the RMPP (in accordance with General Rule 20(2) (Widows' Pensions: Members' Choices) of the RMPP Rules) that his widow would receive—

- (a) no annual pension in respect of his RMPP Reckonable Service before he joined the contributory part of the RMPP; or
- (b) an annual pension of  $\frac{1}{3}$  of the Member's pension in respect of his RMPP Reckonable Service before he joined the contributory part of the RMPP or 1 June 1972, whichever is the earlier, and an annual pension of  $\frac{1}{2}$  of the Member's pension in respect of his service (if any) from 1 June 1972 and before he joined the contributory part of the RMPP; or
- (c) an annual pension of  $\frac{1}{2}$  the Member's pension in respect of his RMPP Reckonable Service before he joined the contributory part of the RMPP.

If such a Member had made no choice by such date as was notified to the Member by an Employer under the RMPP Rules, he was deemed to have chosen that his widow should receive no annual pension in respect of his RMPP Reckonable Service before he joined the contributory part of the RMPP.

(2) A Member who after 14 July 1949 gave notice under Section 10(5) of the Superannuation Act 1949<sup>(17)</sup> cancelling his election under Section 10 of that Act that Part 1 of that Act should not apply and should be deemed never to have applied to him, or notice under Section 58(5) of the

Superannuation Act 1965 (repealed with savings by the Superannuation Act 1972(18), Schedule 7, paragraph 2) cancelling his election under Section 58 of that Act that Part III of that Act should not apply and should be deemed never to have applied to him, may have chosen under the RMPP (in accordance with General Rule 20(3) (Widows' Pensions: Members' Choices) of the RMPP Rules) that his widow shall receive either—

- (a) an annual pension of  $\frac{1}{3}$  of the Member's pension; or
- (b) an annual pension of  $\frac{1}{2}$  of the Member's pension in respect of his RMPP Reckonable Service before he joined the contributory part of the RMPP or 1 June 1972, whichever is the earlier.

If such a Member made no choice by such date as was notified to the Member by an Employer under the RMPP Rules, he was deemed to have chosen that his widow should receive an annual pension of  $\frac{1}{3}$  of the Member's pension in respect of such service.

(3) A female Member who has a dependent husband may have chosen under the RMPP (in accordance with General Rule 20(4) (Widows' Pensions: Members' Choices) of the RMPP Rules) before the end of the Cut-Off Date that her dependent widower should receive either—

- (a) an annual pension of  $\frac{1}{3}$  of the Member's pension; or
- (b) an annual pension of  $\frac{1}{2}$  of the Member's pension in respect of her RMPP Reckonable Service before she joined the contributory part of the RMPP or 1 June 1972, whichever is the earlier.

If such a Member made no such choice before the end of the Cut-Off Date, her dependent widower shall receive no annual pension from the RMSPS in respect of such service.

(4) Any other Member may have chosen under the RMPP (in accordance with General Rule 20(5) of the RMPP Rules) that his widow shall receive either—

- (a) an annual pension of  $\frac{1}{3}$  of the Member's pension; or
- (b) an annual pension of  $\frac{1}{2}$  of the Member's pension in respect of his RMPP Reckonable Service before he joined the contributory part of the RMPP or 1 June 1972, whichever is the earlier.

If such a Member made no choice by such date as was notified to the Member by an Employer under the RMPP Rules, he was deemed to have chosen that his widow should receive an annual pension of  $\frac{1}{3}$  of the Member's pension in respect of such service.

(5) A Member's choice under any of the provisions of the RMPP Rules referred to in subparagraphs (1), (2), (3) or (4) of this Rule shall be final unless the Secretary of State agrees otherwise.

### **Members' choice of methods of payment of contributions**

**12.** A Member was required to pay contributions due to the RMPP for the widow's pension that Member had chosen in respect of that Member's RMPP Reckonable Service before that Member joined the contributory part of the RMPP (and contributions which were payable to the RMPP under General Rule 21(2)(a) (Contributions for widow's pensions) of the RMPP Rules) and must have paid those contributions by any one of the three methods (designated Plan M, Plan U or Plan L) set out in General Rules 23 (Plan M), 24 (Plan U) and 25 (Plan L) of the RMPP Rules. If no choice had been made by such date as shall be notified to the Member by an Employer under the RMPP Rules, the Member would have been deemed to have chosen Plan L. Once a Member had started to make payments by the method of that Member's choice, such payments continued under the RMPP until the earlier of the end of the Cut-Off Date (subject to the Member's ability to meet the obligation to

pay contributions under Plan L under the RMSPS by using the methods set out in General Rule 25 (Plan L) of the RMPP Rules) or the Member's outstanding liability to the Fund was discharged.

### **Plan M**

**13.—**(1) A Member who was in post on both 30 November 1971 and 1 December 1971 and not having retired at or after age 60 on or before 30 November 1971 may have elected to pay to the Fund the contributions due in respect of that Member's RMPP Reckonable Service before that Member joined the contributory part of the RMPP in accordance with "Plan M" under General Rule 23 (Plan M) of the RMPP Rules. Such contributions were required to be paid to the Fund either (a) in full in one amount, or (b) payment were required to have been made over a minimum of 5 years, or until age 60 if this is earlier, with a maximum of 25 years for such payment, and subject to the limits on contributions in paragraph 7(c) of Schedule 13 (Overriding Finance Act Provisions) to the RMPP Rules.

(2) The amounts due to the Fund were required to be paid in full by age 60 unless the limits on contributions in paragraph 7(c) of Schedule 13 (Overriding Finance Act Provisions) to the RMPP Rules precluded this. The lump sum or death benefit (as the case may be) under the RMSPS of a Member who had not paid in full by the end of the Cut-Off Date will be reduced by the amount (if any) which the Secretary of State calculates to be outstanding.

(3) If a Member ceased to have a spouse before he or she joined the contributory part of the RMPP and that Member did not remarry, the amount due to the RMPP would have been recalculated by the RMPP Trustees to the date when that Member last had a spouse before joining the contributory part of the RMPP. The difference (if any) between the amount paid to the Fund by the Member and the amount due on such recalculation will be refunded to the Member with Interest on that Member's retirement under the RMSPS, provided that if the Member was serving in the designated category of service similar to service in Civil Service in an unestablished capacity on the date that Member joined the contributory part of the RMPP or the 1 June 1972, whichever is the earlier, and that Member ceased to have a spouse before that date and that Member did not remarry before retirement, no contributions would have been payable and any amount paid to the Fund by the Member shall be refunded to that Member with Interest on that Member's retirement under the RMSPS.

(4) A Member who never had a spouse before joining the contributory part of the RMPP and who did not marry before the end of the Cut-Off Date will be entitled to a refund of contributions with Interest on that Member's retirement under the RMSPS.

### **Plan U**

**14.—**(1) A Member may have elected to pay the contributions due in respect of that Member's RMPP Reckonable Service before joining the contributory part of the RMPP in accordance with "Plan U" under General Rule 24 (Plan U) of the RMPP Rules, in units of 1 1/2% of that Member's salary subject to the limits on contributions in paragraph 7(c) of Schedule 13 (Overriding Finance Act Provisions) to the RMPP Rules.

(2) A Member who never had a spouse before joining the contributory part of the RMPP and who did not marry before the end of the Cut-Off Date will be entitled to a refund of contributions with Interest on that Member's retirement under the RMSPS.

(3) If a Member ceased to have a spouse before joining the contributory part of the RMPP and that Member did not re-marry before the end of the Cut-Off Date, the amount previously due to the RMPP shall be recalculated to the date when that Member last had a spouse before joining the contributory part of the RMPP, and the difference (if any) between the amount paid to the Fund by the Member and the amount due on such recalculation shall be refunded to the Member with Interest on that Member's retirement under the RMSPS; provided that if the Member was serving in the designated category of service similar to service in the Civil Service in an unestablished capacity

on the date that Member joined the contributory part of the RMPP or 1 June 1972, whichever is the earlier, and that Member ceased to have a spouse before that date and that Member did not remarry before the end of the Cut-Off Date, no contributions would have been payable at that time, and any amount paid to the Fund by the Member will be refunded to that Member with Interest on that Member's retirement under the RMSPS.

### **Plan L**

**15.—**(1) Where a Member (being a Plan L Member) elected under the RMPP to pay the contributions due in respect of that Member's RMPP Reckonable Service before that Member joined the contributory part of the RMPP by reduction of that Member's lump sum or that Member's death benefit and/or by the application of that Member's additional voluntary contributions made to the RMPP under General Rule 19A (Additional Voluntary Contributions) of the RMPP Rules, then that Member will have accrued an obligation to pay the amount of contributions due to the RMPP under the RMPP Rules. The amount of that obligation, as had accrued as at the end of the Cut-Off Date and then revalued under the RMSPS as if it were a benefit payable to that Member under the RMSPS, is an Accrued Plan L Amount.

(2) The Plan L Member will be treated as owing an obligation to the RMSPS in respect of the Accrued Plan L Amount, to be discharged by one or both of the methods set out in Paragraphs (a) and (b) below. Where both methods are available, the Member will choose the proportion of the amount that will be met by each method, unless the Member has died, in which case the Secretary of State will use the method set out in Paragraph (a) below—

- (a) Under the method set out in this Paragraph, as at the beginning of the Commencement Date (before any revaluation is applied) any lump sum benefits payable in respect of the Member from the RMSPS (including any lump sum payable on that Member's death) will be treated as if reduced by the Accrued Plan L Amount or (if the Member also chose to use the method set out in Paragraph (b) below) the appropriate share of the Accrued Plan L Amount under the RMSPS.
- (b) Under the method set out in this Paragraph, the Member's Transferred AVC Fund will, as provided for in Clause 10 (Additional voluntary contributions transferred from the RMPP), be applied for the purpose of meeting some or (if the Member also chose to use the method set out in Paragraph (a) above) the appropriate share of the Accrued Plan L Amount.

### **Election for Widower's pension in respect of service prior to 1 December 1971**

**16.—**(1) With the consent of the RMPP Trustees a female Member could, at any time before the end of the Cut-Off Date whilst she was an active Member of the RMPP have elected that the spouse to whom she was married at the time of her retirement at or before normal retirement age or when she otherwise left Employer employment or on her death in service with an Employer, and who did not have a dependent widower's entitlement would be eligible for benefit under Section B Rule 12 (Spouse's pension for Relevant Members) in respect of any part of her RMPP Reckonable Service before becoming a Member of the contributory part of the RMPP. Such election would also entitle her children to benefit under Section B Rule 14(1) (Children's pensions) in respect of the same period of service.

(2) Where the election referred to in sub-paragraph (1) of this Rule was made under the RMPP, the Member was required to pay additional annual contributions to the Fund up to Normal Retiring Age in accordance with the RMPP Rules. The additional benefit payable under the RMSPS shall be calculated according to the actual amount of additional annual contributions paid to the Fund before the end of the Cut-Off Date.

## PART III

### SECTION A RULES OF THE SCHEME

#### Application

1. These Section A Rules shall only apply to Members who are Section A Actives, and they do not apply to Members who are Cut-Off Date Non-Actives or to any other Wholly Transferred Beneficiaries. References to Member in these Section A Rules shall be read accordingly.

#### Benefits of Section A Actives under the RMSPS

2.—(1) Subject to Rule 3 (Pensions increase) and Rule 4 (Payment of RMSPS benefits), and to General Rule 7 (Application of Sections A and B – election for Section B benefits), the benefits in respect of a Section A Active are calculated as the benefits that would have been provided in respect of such a Member under the RMPP, as if such Member had opted-out of membership of the RMPP under General Rule 1A (Optional membership) of the RMPP Rules at the end of the Cut-Off Date.

(2) For the purposes of determining the rights and entitlements of Section A Actives under this Rule—

- (a) any duty of the RMPP Trustees or an employer under the RMPP, or any power or discretion which may be exercisable by the RMPP Trustees or such employer, howsoever expressed, shall be a duty, power or discretion of the Secretary of State; and
- (b) any role or function which would under the RMPP have been performed by the “Actuary” (as defined in the RMPP) shall be, to the extent relevant to the RMSPS, performed by the Secretary of State on the advice of the Actuary.

(3) Where a pension or lump sum benefit payable under these Section A Rules following a Member’s death is calculated by reference to the Member’s actual or prospective entitlement under these Section A Rules, that actual or prospective entitlement shall be determined applying the principles set out in sub-paragraphs (2) and (3) above and Rule 3 (Pensions increase) and Rule 4 (Payment of RMSPS benefits) below.

#### Pensions increase

3.—(1) Any pension payable under the Section A Rules shall be increased from time to time in accordance with the 1971 Act and Sections 59 and 59A of the 1975 Act, as if it was a pension beginning on the Member’s COD Beginning Date and it were payable under the Principal Civil Service Pension Scheme 1974 and any amendment or replacement thereof, subject to the modifications set out in and the additional provisions of this Rule.

(2) Where the Member’s COD Beginning Date is before the start of the Member’s RMPP Terminal Revaluation Year, in respect of the period from the Member’s COD Beginning Date to the start of that Member’s RMPP Terminal Revaluation Year, the Member’s benefit shall be increased by the percentage specified in each Pension Increase Order coming into force on or before the Member’s RMPP Beginning Date.

(3) In respect of the period from the start of the Member’s RMPP Terminal Revaluation Year to that Member’s RMPP Beginning Date, the Member’s benefit shall be revalued by the factor of  $(1+A\%)$  divided by  $(1+B\%)$ , or by a factor of one, if greater, where—

A% = the percentage increase (if any) specified in the Pension Increase Order which came into force at the end of the Member’s Applicable Revaluation Year; and

B% = (A% multiplied by: (i) the number of complete months in the period from the Member’s RMPP Beginning Date to the end of that Member’s RMPP Terminal Revaluation Year; plus (but only where the Member’s RMPP Beginning Date falls in the same Revaluation Year as

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

that Member's COD Beginning Date) (ii) the number of complete months in the period from the start of that Member's RMPP Terminal Revaluation Year to that Member's COD Beginning Date)) divided by 12,

and an incomplete month is to be treated as a complete month if it would have been so treated for the purposes of the Pension Increase Order coming into force at the end of the Member's Applicable Revaluation Year.

(4) In respect of the period from the Member's RMPP Beginning Date, the Member's benefit shall be increased in accordance with the 1971 Act as if it were a pension beginning on the Member's RMPP Beginning Date.

(5) Where different parts of the Member's benefits are for the purposes of Section 8(2) of the 1971 Act deemed to begin on different days, then for the avoidance of doubt—

(a) the revaluation process under this paragraph will apply separately to the Member's benefit in respect of each such part, as will the definitions of "Applicable Revaluation Year", "COD Beginning Date" and "RMPP Terminal Revaluation Year";

(b) in respect of each such part of the RMSPS benefit, the "RMPP Beginning Date" will refer to the date on which the Member's Relevant RMPP Margin Benefit in respect of that part of the RMSPS benefit is deemed to begin under Section 8(2) of the 1971 Act; where—

(i) the "Relevant RMPP Margin Benefit" means, in respect of a part of the Member's RMSPS benefit, the part of the Member's RMPP benefit in the calculation of which the Corresponding RMPP Amount in relation to that part of the RMSPS benefit is being used; and

(ii) "Corresponding RMPP Amount" means, in respect of a part of the Member's RMSPS benefit, the corresponding part of the "RMSPS Deductible" (as that term is defined in Rule 1XA(3) (Overriding provision) of Section A of the RMPP Rules) in respect of the Member's RMPP benefit.

(6) Any pension payable prior to Normal Retiring Age will receive annual increases (where payable) as if it were a pension payable on or after Normal Retiring Age.

(7) In this Rule—

"1971 Act" means the Pensions (Increase) Act 1971(19);

"1975 Act" means the Social Security Pensions Act 1975(20);

"1992 Act" means the Social Security Administration Act 1992(21);

- (4) In the event that a Member—

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- (a) ceases to be a member of the RMPP by reason of a transfer of all of that Member's benefits out of the RMPP (other than a transfer to a New POL Scheme described in Clause 5 (New POL Scheme)) or a discharge of all the Trustee's obligations to provide benefits to that Member (in either case, other than money purchase benefits) (such Member being a Wholly Discharged RMPP Member); or

the following shall apply instead—

- (i) Sub-paragraphs (2) and (3) above will not apply in respect of a Wholly Discharged RMPP Member or, in the case of a Partially Discharged RMPP Member, that Member's Relevant RMSPS Benefit, unless and to the extent that any benefit under the RMSPS has not yet (or should have) come into payment under sub-paragraph (2).
- (ii) Rule 5 (Benefits payable to Members who retire on ill health grounds or compassionate grounds), Rule 6 (Benefits payable to Members who retire under the RMPP in the interests of efficiency), Rule 7 (Benefits payable to Members who retire under the RMPP on redundancy) and Rule 8 (Benefits payable to Members who take early voluntary retirement under the RMPP) will apply in respect of a Wholly Discharged RMPP Member or, in the case of a Partially Discharged RMPP Member, that Member's Relevant RMSPS Benefit, on the basis provided for in that Rule.
- (iii) Any Wholly Discharged RMPP Member whose benefits (or some of them) are deferred under Rule 3(8) (Benefits payable to Members on retirement) may elect, any time after Minimum Pension Age to take that Member's RMSPS NRA60 Benefits or (if applicable) that Member's RMSPS NRA65 Benefits, or both.

Similarly, if the Relevant RMSPS Benefit of a Partially Discharged RMPP Member is deferred under Rule 3(8) (Benefits payable to Members on retirement), he or she may elect, any time after Minimum Pension Age to take that RMSPS benefit.

In either case, such election shall require the consent of the Secretary of State (provided that such consent shall not be required in respect of RMSPS NRA60 Benefits if the Member has reached age 60, and shall not be required in respect of RMSPS NRA65 Benefits if the Member has reached age 65). In the case of a Wholly Discharged RMPP Member, if only one tranche of benefit is taken, the other shall continue to be deferred but, for avoidance of doubt, the remaining tranche can subsequently be brought into payment early in accordance with this Rule.

In either case, such election shall require the consent of the Secretary of State (provided that such consent shall not be required in respect of RMSPS NRA60 Benefits if the Member has reached age 60, and shall not be required in respect of RMSPS NRA65 Benefits if the Member has reached age 65). In the case of a Wholly Discharged RMPP Member, if only one tranche of benefit is taken, the other shall continue to be deferred but, for avoidance of doubt, the remaining tranche can subsequently be brought into payment early in accordance with this Rule.

- (iv) Any Wholly Discharged RMPP Member may draw RMSPS NRA60 Benefits and RMSPS NRA65 Benefits at different times in accordance with the provisions of this Rule. However, if either a Wholly Discharged RMPP Member or a Partially Discharged RMPP Member wishes to draw RMSPS NRA60 Benefits, that Member must draw all of his or her RMSPS NRA60

Benefits at the same time and may not draw only part of his or her RMSPS NRA60 Benefits (and the same applies to RMSPS NRA65 Benefits). Provided that where a Wholly Discharged RMPP Member or Partially Discharged RMPP Member had at the end of the Cut-Off Date two or more periods of RMPP Reckonable Service which were treated separately in accordance with the RMPP Cut-Off Date Rules, the Wholly Discharged RMPP Member or Partially Discharged RMPP Member (as appropriate) may draw benefits from the RMSPS in respect of each period separately on the same basis as applied under the RMPP before 1 April 2010.

(5) This sub-paragraph applies to a Member (not being either a Partially Discharged RMPP Member whose Relevant RMSPS Benefit is that Member's RMSPS NRA60 Benefits or a Wholly Discharged RMPP Member) whose RMSPS NRA60 Benefits have not yet been brought into payment and who has a prospective RMPP NRA60 Pension under Rule 4(1)(a) (Retirement at or after Normal Retiring Age) of Section B of the RMPP Rules of nil and a prospective RMPP NRA60 Lump Sum under Rule 4(1)(b) of Section B of the RMPP Rules of nil (as described in Rule 4XA (Deemed crystallisation of NRA60 Benefits where no margin over RMSPS NRA60 Benefits) of Section B of the RMPP Rules) on the earliest of the dates specified in Paragraph (d) below (any such Member being a Nil Margin Member).

- (a) Sub-paragraphs (2) and (3) above will not apply in respect of the Nil Margin Member, if and to the extent that any benefit under the RMSPS has not yet (or should have) come into payment under sub-paragraph (2).
- (b) Rule 5 (Benefits payable to Members who retire on ill health grounds or compassionate grounds), Rule 6 (Benefits payable to Members who retire under the RMPP in the interests of efficiency), Rule 7 (Benefits payable to Members who retire under the RMPP on redundancy) and Rule 8 (Benefits payable to Members who take early voluntary retirement under the RMPP) will apply in respect of the Nil Margin Member on the basis provided for in that Rule.
- (c) The Nil Margin Member may elect to take his or her RMSPS NRA60 Benefits at any time after Minimum Pension Age. This election shall require the consent of the Secretary of State (provided that such consent shall not be required if the Nil Margin Member has reached age 60). If only the RMSPS NRA60 Benefits are taken, the RMSPS NRA65 Benefit shall continue to be deferred but, for avoidance of doubt, the RMSPS NRA65 Benefits can subsequently be brought into payment early in accordance with sub-paragraph (2) or (4) above, as appropriate.
- (d) The dates specified for the purposes of this Rule are—
  - (i) the Nil Margin Member's RMPP Exit Date;
  - (ii) the effective date of any election by the Nil Margin Member for the purposes of the RMPP under Rule 4A of Section B of the RMPP Rules, which results in the Nil Margin Member ceasing to accrue further benefits under the RMPP or which would require his or her RMPP NRA60 Benefits to be paid immediately; and
  - (iii) the date of an election by the Nil Margin Member to receive his or her RMSPS NRA60 Benefits under Paragraph (c) of this Rule.

(7) While the Member remains in employment to which the RMPP relates, the Member's consent will not be required to defer payment of his or her GMP after age 65 (being the expiration of five years from the date on which that Member attains Normal Retiring Age in respect of that Member's

RMSPS NRA60 Benefits). Section 13(5)(b) of the Pension Schemes Act 1993 (as applied to the RMSPS by the Contracting-out Laws) shall apply subject to this exemption from its requirements. This sub-paragraph shall not apply to a Wholly Discharged RMPP Member, a Partially Discharged RMPP Member whose Relevant RMSPS Benefit is his or her RMSPS NRA60 Benefits. This sub-paragraph shall apply to a Nil Margin Member who remains in employment with an Employer, notwithstanding that there is at that time no RMPP NRA60 Benefit payable to the Member.

### **Benefits payable to Members who retire on ill health grounds or compassionate grounds**

5.—(1) A Member who is—

- (a) an RMPP Active who is Retired on RMPP Ill Health Grounds (within the meaning of Paragraph (a) of the definition of that term) by that Member's Employer after the Cut-Off Date; or
- (b) an RMPP Leaver who is Retired on RMPP Ill Health Grounds (whether within the meaning of Paragraph (a) or Paragraph (b) of the definition of that term) by that Member's Employer after the Cut-Off Date,

will be paid the RMSPS NRA60 Benefits and RMSPS NRA65 Benefits specified in Rule 3 (Benefits payable to Members on retirement) (or, if either benefit is already in payment, the benefit not already in payment) automatically when that Member's RMPP NRA60 Benefits and/or RMPP NRA65 Benefits come into payment. The reduction set out in Rule 3(9) will not apply to that Member's RMSPS NRA60 Benefits and/or RMSPS NRA65 Benefits that then come into payment.

(2) The following shall also apply in relation to an RMPP Leaver who ceases to be in Employer employment—

(a) If—

- (i) such a Member's RMSPS NRA60 Benefits and/or RMSPS NRA65 Benefits are being deferred under Rule 3(8) (Benefits payable to Members on retirement); and
- (ii) the RMPP Trustees terminate deferment of that Member's RMPP NRA60 Benefits and/or RMPP NRA65 Benefits because they are satisfied that the RMPP Leaver could have Retired on RMPP Ill Health Grounds had the RMPP Leaver still been in Employer employment under Rule 21(4) (Preservation of benefits) of Section B of the RMPP Rules,

the Secretary of State shall (subject, in particular to paragraphs 3 and 4 of Part IX (Overriding Finance Act Provisions) of this Schedule) also terminate the deferment of that Member's RMSPS NRA60 Benefits and/or RMSPS NRA65 Benefits as appropriate. The reduction set out in Rule 3(9) (Benefits payable to Members on retirement) will not apply to that Member's RMSPS NRA60 Benefits and/or RMSPS NRA65 Benefits that then come into payment.

(b) If—

- (i) such a Member's RMSPS NRA60 Benefits and/or RMSPS NRA65 Benefits are being deferred under Rule 3(8) (Benefits payable to Members on retirement) at a time that is within 10 years before that RMPP Leaver reaches Normal Retiring Age;
- (ii) the Member has reached Minimum Pension Age); and
- (iii) the RMPP Trustees at their discretion terminate the deferment of the RMPP Leaver's RMPP NRA60 Benefits and/or RMPP NRA65 Benefits on other compassionate grounds under Rule 21(4) (Preservation of benefits) of Section B of the RMPP Rules,

the Secretary of State will also terminate the deferment of the RMPP Leaver's RMSPS NRA60 Benefits and/or RMSPS NRA65 Benefits as appropriate. The reduction set out in Rule 3(9) (Benefits payable to Members on retirement) will not apply to that Member's RMSPS NRA60 Benefits and/or RMSPS NRA65 Benefits that then come into payment,

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

provided that, to the extent the said benefits relate to periods of RMSPS Reckonable Service on and from 1 December 2006, the benefits shall be reduced on a basis to be determined by the Secretary of State on the advice of the Actuary so that, so far as is reasonably practicable, they are equal in value to the benefits which would have been paid to the RMPP Leaver at Normal Retiring Age.

(3) Sub-paragraphs (1) and (2) above shall not apply in relation to a Wholly Discharged RMPP Member. The following shall apply instead—

(a) If at any time when the RMSPS NRA60 Benefits and/or the RMSPS NRA65 Benefits of a Wholly Discharged RMPP Member are being deferred under Rule 3(8) (Benefits payable to Members on retirement), the Secretary of State is satisfied that the Wholly Discharged RMPP Member Retired on RMPP Ill Health Grounds (or could have Retired on RMPP Ill Health Grounds had the Member still been in Employer employment), the Secretary of State shall (subject, in particular to paragraphs 3 and 4 of Part IX (Overriding Finance Act Provisions) of this Schedule) terminate the deferment of that Member's RMSPS NRA60 Benefits and/or RMSPS NRA65 Benefits as appropriate. The reduction set out in Rule 3(9) (Benefits payable to Members on retirement) will not apply to the RMSPS NRA60 Benefits and/or RMSPS NRA65 Benefits that then come into payment. For avoidance of doubt, Paragraph (b) in the definition of the term Retired on RMPP Ill Health Grounds applies for the purposes of this sub-paragraph (3)(a) in relation to a Wholly Discharged RMPP Member who was in RMPP Reckonable Service on 31 March 2000.

(b) At any time when the RMSPS NRA60 Benefits and/or the RMSPS NRA65 Benefits of a Wholly Discharged RMPP Member are being deferred under Rule 3(8) (Benefits payable to Members on retirement) that is within 10 years before that Member reaches Normal Retiring Age (but as long as the Member has reached Minimum Pension Age), the Secretary of State may at his discretion terminate the deferment of the said benefits on other compassionate grounds. The reduction set out in Rule 3(9) (Benefits payable to Members on retirement) will not apply to the RMSPS NRA60 Benefits and/or RMSPS NRA65 Benefits that then come into payment, provided that, to the extent the said benefits relate to periods of RMSPS Reckonable Service on and from 1 December 2006, the benefits shall be reduced on a basis to be determined by the Secretary of State on the advice of the Actuary so that, so far as is reasonably practicable, they are equal in value to the benefits which would have been paid to the Member at Normal Retiring Age.

(4) In relation to a Nil Margin Member, sub-paragraphs (1) and (2) will apply such that the Member's RMSPS NRA60 Benefits and (if they have not already come into payment) RMSPS NRA65 Benefits both come into payment, notwithstanding that no amount in respect of that Member's RMPP NRA60 Benefits will at that time come into payment under the RMPP.

(5) Similarly, in relation to a Partially Discharged RMPP Member, sub-paragraphs (1) and (2) will apply such that the Member's RMSPS NRA60 Benefits and RMSPS NRA65 Benefits will both come into payment (or, any such benefit that has not already come into payment will come into payment), notwithstanding that no amount in respect of that Member's Discharged RMPP Benefit will at that time come into payment under the RMPP.

### **Benefits payable to Members who retire under the RMPP in the interests of efficiency**

6.—(1) Any Member who is retired from Employer employment in the interests of efficiency under the RMPP after the Cut-Off Date will be paid that Member's RMSPS NRA60 Benefits and RMSPS NRA65 Benefits (or, if either benefit is already in payment, the benefit not already in payment) so that they come into payment at the same time as that Member's RMPP NRA60 Benefits and/or RMPP NRA65 Benefits (respectively) come into payment by reason of Rule 7 (Retirement in the interests of efficiency) or Rule 7A of Section B of the RMPP Rules.

- (h) where a Member has transferred out either his or her RMSPS NRA60 Benefits or his or her RMSPS NRA65 Benefits in accordance with Clause 11 (Individual transfers out of the Scheme) the provisions of this Rule 9 will apply only in respect of that tranche of benefits which is still retained in the RMSPS;

### **Service in unhealthy places**

**10.**—(1) If a Member was employed by an Employer prior to 1 April 1998 in a country or place named in Part IX (Overriding Finance Act Provisions) of this Schedule—

- (a) his service completed prior to 1 April 2010 will reckon at 1½ times its length in computing that Member's RMSPS Reckonable Service;
- (b) each complete year of such service will enable the Member if that Member has qualified for a pension to take that Member's RMSPS NRA60 Benefits 3 months earlier than age 60, so, however, that the lowering of the Normal Retiring Age in respect of RMSPS NRA60 Benefits shall not exceed 5 years in the case of that Member.

(2) The provisions in Paragraphs (1)(a) and (1)(b) above shall not apply in respect of service on and from 1 April 2010, and, for avoidance of doubt, the reductions in Normal Retiring Age in Paragraph (1)(b) above shall not apply to RMSPS NRA65 Benefits.

(3) If the Member was granted unpaid leave by an Employer on or before the Cut-Off Date to take up temporary employment with another employer (not being an Employer) in such country or place, the provisions of sub-paragraph (1) of this Rule 10 shall apply provided that the Member and that other employer either individually or in conjunction paid to the Fund in addition to the cost of enhancement in sub-paragraph (1), both the Member's standard contributions and those of that Member's Employer.

For avoidance of doubt, where the Member is a Relevant Member, for the purposes of determining the spouse's pension payable under (a) above, references in the following provisions of this Rule 11 to "the Member's RMSPS NRA60 Pension" shall be read as "the part of the Member's RMSPS NRA60 Pension attributable to that Member's RMSPS Reckonable Service on and after the Relevant Date".

(4) If the Member dies when no benefits from the RMSPS have been brought into payment, and the Member leaves a spouse, the spouse shall be entitled to a pension equal to the aggregate of—

(5) If the Member dies when that Member's RMSPS NRA60 Pension was in payment but his or her RMSPS NRA65 Pension had not yet come into payment, and the Member left a spouse, the spouse shall be entitled to a pension equal to the aggregate of—

(6) If the Member dies when that Member's RMSPS NRA60 Pension has not come into payment but that Member's RMSPS NRA65 Pension was in payment, and the Member left a spouse, the spouse shall be entitled to a pension equal to the aggregate of—

For avoidance of doubt, nothing in this Rule 12 affects the spouse's pension payable in respect of either the part of the Relevant Member's RMSPS NRA60 Pension attributable to RMSPS Reckonable Service on and after the Relevant Date, or in respect of the Relevant Member's RMSPS NRA65 Pension. The provisions of this Rule 12 are subject to the provisions of Rule 13 (Provisions applicable to Rules 11 and 12).

(2) Where the Relevant Member was in receipt of that Member's RMSPS NRA60 Pension on the date of his or her death and that Member dies leaving a widow or a Dependant Widower, the spouse's pension otherwise payable to the widow or Dependant Widower in respect of that part of his or her RMSPS NRA60 Pension attributable to RMSPS Reckonable Service before the Relevant Date shall be calculated as follows—

- (a) if under General Rule 20 (Widows' Pensions: Members' Choices) of the RMPP Rules the Relevant Member chose, or was deemed to have chosen, that his or her spouse shall receive an annual pension of  $\frac{1}{3}$  of the Relevant Member's pension in respect of his or her RMSPS Reckonable Service before the Relevant Date,  $\frac{1}{3}$  of that part of the Relevant Member's RMSPS NRA60 Pension in payment on the date of his or her death which is attributable to the Relevant Member's RMSPS Reckonable Service before the Relevant Date; or

### **Provisions applicable to Rules 11 and 12**

**13.—**(1) If a Member dies in receipt of either or both his or her RMSPS NRA60 Pension or his or her RMSPS NRA65 Pension, the spouse's pension in respect of the pension (whether RMSPS NRA60 Pension, RMSPS NRA65 Pension, or both) in payment at the date of the Member's death shall, for a period of 91 days after the Member's death, be payable to the spouse at the same rate as the pension in payment at the date of the Member's death.

(2) If a Member dies in receipt of a pension (whether RMSPS NRA60 Pension, RMSPS NRA65 Pension or both) and the Member has married after the Cut-Off Date, the pension payable to the spouse in respect of whichever part of the Member's pension is in payment (whether RMSPS NRA60 Pension, RMSPS NRA65 Pension or both) shall be calculated excluding any part of the Member's RMSPS Reckonable Service in respect of which a refund of contributions referable to benefits paid under Section A or Section B to or in respect of the Member's widow, widower or children has been made: (i) from the RMSPS in accordance with General Rule 3 (Refund of contributions); or (ii) before the Cut-Off Date from the RMPP in accordance with General Rule 11 (Refund of contributions) of the RMPP Rules, unless there has been a subsequent payment of an equivalent amount to the Secretary of State by or on behalf of the Member together with Interest. Where a Member's RMSPS Reckonable Service exceeds 45 years the limits in Rules 3(3) and 3(4) (Benefits payable to Members on retirement) shall not apply for the purpose of this Rule.

(3) Any spouse's pension payable, provided it is not a widow's GMP, will be calculated without regard to any surrender of part of the Member's pension under Rule 16 (Surrender of part pension to provide for a spouse or other Dependant), inclusive of any amount that the Member was entitled to as a result of the exercise of the conversion option under Rule 17 (Conversion of lump sum into pension), and disregarding any exercise of the commutation option in Rule 18 (Commutation of pension) and shall be initially not less than £260 per annum and thereafter subject only to increases under Rule 19 (Pensions increase).

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(4) A spouse's pension shall not be payable in respect of service given by a Member before 6 April 1978 if at the time of the Member's death the spouse was judicially separated from that Member on terms by which that Member contributed nothing to the spouse's support.

(5) Where the recipient of a pension payable to a spouse remarries the pension will continue unreduced until the death of the recipient.

(6) A spouse will always receive any GMP that the RMSPS is required to provide for the spouse under the Contracting out Laws. Additionally, the spouse's pension must be sufficient to satisfy the statutory standard referred to in Section 12A of the Pension Schemes Act 1993, as would have applied under the RMPP if the relevant Member had retained his or her benefits in the RMPP and had opted out of the RMPP under General Rule 1A (Optional membership) of the RMPP Rules at the end of the Cut-off Date, or such higher standard as is agreed between the Principal Employer and the Secretary of State.

(7) Where a Member has transferred out either his or her RMSPS NRA60 Benefits or his or her RMSPS NRA65 Benefits in accordance with Clause 11 (Individual transfers out of the Scheme), the provisions of Rule 11 (Spouse's pension) and Rule 12 (Spouse's pension for Relevant Members) will apply only in respect of that tranche of benefit which is still retained in the RMSPS.

### **Children's pensions**

**14.—**(1) There shall be paid in respect of the Children of a Member who dies after the Cut-Off Date an annual pension of the following proportions of the pension or the deferred pension (both RMSPS NRA60 Pension and RMSPS NRA65 Pension) that Member was receiving or, in the case of a deferred pension, would have been entitled to receive at that date had the pension then come into payment without the reduction set out in Rule 3(9)—

(a) where the Member dies after the Cut-Off Date and a pension is paid under Rule 11 (Spouse's pension) (and, if applicable, Rule 12 (Spouse's pension for Relevant Members)) or Rule 15 (Dependants' pensions)—

1 Child  $\frac{1}{3}$  of the Member's pension

2 or more Children  $\frac{2}{3}$  of the Member's pension,

(b) where the Member dies after the Cut-Off Date and either no pension is paid under Rule 11 (Spouse's pension) (and, if applicable, Rule 12 (Spouse's pension for Relevant Members)) or Rule 15 (Dependant's pensions) or a pension ceases to be paid under either of those Rules—

1 Child  $\frac{4}{9}$  of the Member's pension

2 or more Children  $\frac{8}{9}$  of the Member's pension,

provided that—

(i) for the purposes of this sub-paragraph (1) no account shall be taken of any person in categories (d), (e) or (f) of the definition of "Child" who in the opinion of the Secretary of State was not wholly or mainly dependent on the Member at the date of that Member's retirement or earlier death;

(ii) the pension payable under this sub-paragraph (1) shall be calculated without regard to any surrender of part of the Member's pension under Rule 16 (Surrender of part pension to provide for a spouse or other Dependant), inclusive of any amount that the Member was entitled to as a result of the exercise of the conversion option under Rule 17 (Conversion of lump sum into pension), and disregarding any exercise of the commutation option in Rule 18 (Commutation of pension);

(iii) in any circumstances which the Secretary of State considers appropriate he may pay the higher level of pension where a pension is paid under Rule 11 (Spouse's pension) (and, if applicable,

Rule 12 (Spouse's pension for Relevant Members)) or Rule 15 (Dependants' pensions), subject to the limits in Part IX (Overriding Finance Act Provisions) of this Schedule; and

(iv) should the payment of a pension to a Child under this sub-paragraph (1) constitute an unauthorised payment for the purposes of the Finance Act 2004, the Secretary of State has discretion not to pay that pension in accordance with Paragraph 3(a) of Part IX (Overriding Finance Act Provisions) of this Schedule.

(2) The annual rate of a children's pension while—

(a) there is only one eligible Child, shall be initially not less than £173.33 per annum and thereafter subject only to increases under Rule 19 (Pensions Increases); and

(b) there are two or more eligible Children, shall be initially not less than £260 per annum and thereafter subject only to increases under Rule 19 (Pensions Increases).

(3) Subject to Part IX (Overriding Finance Act Provisions) of this Schedule, a Child of a deceased Member who, at the date of death of the Member, is incapable of self support by reason of bodily or mental infirmity may at the discretion of the Secretary of State either receive or continue to receive (as the case may be) a Child's pension for as long as the Secretary of State may determine unless the Child is receiving a dependant's pension under Rule 15 (Dependants' pensions). For the purposes of this sub-paragraph only, the age limits specified in the definition of "Children" shall not apply.

(4) Where there are two or more eligible Children, the Secretary of State may at his discretion either pay any pension under this Rule equally between the Children or pay any pension in such shares to such Children as he determines.

### **Dependants' pensions**

**15.** If a Member dies after the Cut-Off Date leaving no surviving spouse the Secretary of State may at his sole discretion and subject to the provisions of paragraph 3 of Part IX (Overriding Finance Act Provisions) of this Schedule pay a Dependant's pension equivalent to the spouse's pension under Rule 11 (Spouse's pension) (and, if applicable, Rule 12 (Spouse's pension for Relevant Members)) to any person who in his opinion is a Dependant of the Member, for such period and subject to such terms as the Secretary of State may from time to time decide.

### **Surrender of part pension to provide for a spouse or other Dependant**

**16.—(1)** A Member shall have an option to surrender not more than  $\frac{1}{3}$  of that Member's pension under the RMSPS to provide a pension for a person referred to in sub-paragraph (3) below of such amount as may be calculated by the Secretary of State according to tables prepared by the Actuary.

(2) The option must be exercised within 6 months before the date on which the Member's pension becomes payable or within such longer period as the Secretary of State may specify in a particular case (or in the circumstances set out in sub-paragraph (8) below).

(3) The pension may be—

(a) for the Member's spouse from the day after the Member's death; or

(b) for one Dependant from the day after the Member's death.

(4) The spouse's or Dependant's pension payable after the Member's death shall not exceed the amount of the Member's pension reduced by the surrender under sub-paragraph (1) of this Rule.

(5) The amount to be surrendered shall be calculated to an exact number of pounds.

(6) Where the Member is entitled or prospectively entitled to a GMP the amount of pension surrendered under sub-paragraph (1) above may not exceed the amount which would make the Member's pension, after deduction of the amount surrendered, equal to such GMP.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(7) Subject as mentioned in sub-paragraph (12) below of this Rule the option shall be irrevocable after midnight of the Member's last day of service with an Employer or after midnight of the day before that Member's pension becomes payable or after midnight of any day appointed for the purpose by the Secretary of State, whichever is the latest provided that if the Member or his or her spouse or Dependant dies before midnight of the relevant day the option shall be void.

(8) A Pensioner who marries after retirement shall have a similar option to provide by surrender of part of his or her own pension a pension for his or her spouse from the day after the Member's death provided that the amounts surrendered with any amount surrendered under the preceding part of this Rule shall not exceed  $\frac{1}{3}$  of his or her pension.

(9) The option under sub-paragraph (8) above shall be exercised within 3 months after the Pensioner's marriage, and subject as mentioned in sub-paragraph (12) below of this Rule shall be irrevocable after midnight of the date on which the Secretary of State receives notification of the exercise of the option or after midnight of any day appointed for the purpose by the Secretary of State, whichever is the later provided that if the Pensioner or his or her spouse dies before midnight on the relevant day the option shall be void.

(10) Except where they are inconsistent with sub-paragraphs (8) and (9) above the other sub-paragraphs of this Rule shall apply to pensions provided hereunder by a Pensioner as they apply to pensions provided hereunder by a Member.

(11) After any option under this Rule becomes effective the Member's pension will continue at the reduced rate if that Member survives his or her spouse or Dependant.

(a) (12) (a) Notwithstanding sub-paragraphs (7) and (9) above of this Rule a Pensioner who has exercised the option may notify the Secretary of State in such manner as he may require of his or her wish to cancel the option or reduce the amount of provision for the spouse's or Dependant's pension with retrospective effect from 1 April 1991, provided that any such notification will be subject to—

(i) acceptance by the Secretary of State at his discretion;

(ii) there being no resultant decrease in the spouse's or Dependant's overall benefit by comparison with such benefit payable before 1 April 1991; and

(iii) the prior written agreement of the potential beneficiary being given.

(b) The Secretary of State will also be entitled at his discretion to review any case in which a Pensioner, having exercised the option, has died, and he may in his discretion cancel the option or reduce the amount of provision for the spouse's or Dependant's pension with retrospective effect from 1 April 1991 if in his opinion it would have been in the best interests of the spouse or Dependant for the Pensioner to have done so himself or herself.

(13) Reduction of the provision for a spouse's or Dependant's pension under sub-paragraph (12) above of this Rule shall cause the Pensioner's benefit to be correspondingly restored with retrospective effect from 1 April 1991.

(14) For the purposes of this Rule, Members who were in RMSPS Reckonable Service on 1 April 2010 may surrender either or both RMSPS NRA60 Pension and RMSPS NRA65 Pension and references in this Rule to "pension" shall be interpreted accordingly. The fractions and limits on the amount that can be surrendered under this Rule shall apply separately to RMSPS NRA60 Pension and RMSPS NRA65 Pension.

### **Conversion of lump sum into pension**

17.—(1) A Member shall have the option, by giving notice in writing to the Secretary of State not later than 31 days before the date of retirement (or such later time as the Secretary of State may allow) to request that all or part of the lump sum (whether RMSPS NRA60 Lump Sum, RMSPS

NRA65 Lump Sum, or both) payable on retirement shall be converted into an additional pension assessed on a basis to be determined by the Secretary of State on the advice of the Actuary.

(2) For the avoidance of doubt, any additional pension resulting from an exercise of the option under sub-paragraph (1) of this Rule will be taken into account for the purpose of determining any pension payable under Rule 11 (Spouse's pension) (and, where applicable, Rule 12 (Spouse's pension for Relevant Members)), Rule 14 (Children's pensions) or Rule 15 (Dependants' pensions), and Rule 9(2)(a)(i), Rule 9(3)(a)(i), Rule 9(4)(a)(i) or Rule 9(5) (Lump sum benefits payable on death of a Member) and Rule 19 (Pensions increase) shall apply to both the pension payable under Rule 3 (Benefits payable to members on retirement), Rule 6 (Benefits payable to Members who retire under the RMPP in the interests of efficiency), Rule 7 (Benefits payable to Members who retire under the RMPP on redundancy) or Rule 8 (Benefits payable to Members who take early voluntary retirement under the RMPP) (as appropriate) and the additional pension.

### **Commutation of pension**

**18.**—(1) A Member shall have the option, by giving notice in writing to the Secretary of State not later than 31 days before the date of retirement (or such later time as the Secretary of State may allow) to request that part or all of the pension (whether RMSPS NRA60 Pension, RMSPS NRA65 Pension, or both) payable on retirement shall be commuted into an additional lump sum assessed on a basis to be determined by the Secretary of State on the advice of the Actuary.

(2) For the avoidance of doubt, any reduction in pension resulting from an exercise of the option under sub-paragraph (1) above will be disregarded for the purpose of determining any pension payable under Rule 11 (Spouse's pension) (and, where applicable, Rule 12 (Spouse's pension for Relevant Members)), Rule 14 (Children's pensions) or Rule 15 (Dependants' pensions).

### **Pensions increase**

**19.**—(1) Any pension payable under the Section B Rules shall be increased from time to time in accordance with the 1971 Act and Sections 59 and 59A of the 1975 Act, as if it were a pension beginning on the Member's COD Beginning Date and it were payable under the Principal Civil Service Pension Scheme 1974 and any amendment or replacement thereof, subject to the modifications set out in and the additional provisions of this Rule.

(2) Subject to the further provisions made by sub-paragraphs (5) to (8) below, a Member's RMSPS Final Salary Benefits will be increased in accordance with sub-paragraph (3) below, and a Member's CSDB Benefits will be separately increased in accordance with sub-paragraph (4) below, provided that—

- (a) where different parts of the Member's RMSPS and RMPP benefits are for the purposes of Section 8(2) of the 1971 Act deemed to begin on different days, then for the avoidance of doubt the revaluation process under this paragraph will apply separately to the Member's RMSPS benefit in respect of each such part and a reference to the revaluation process applicable to the Member's RMPP benefit will be a reference to that process as applicable separately to the Member's RMPP benefit in respect of each such part. The definitions of "Applicable Revaluation Year", "CSDB Applicable Revaluation Year", "CSDB Terminal Revaluation Year", "Relevant RMPP Beginning Date", "COD Beginning Date" and "RMPP Terminal Revaluation Year" will be read accordingly; and
  - (b) where the COD Beginning Date in respect of the Member's benefit is on the same date as or later than the Relevant RMPP Beginning Date, the Member's benefit will not increase under sub-paragraph (3) or (4).
- (3) The Member's RMSPS Final Salary Benefit shall be increased as follows—
- (a) Where the Member's COD Beginning Date is before the start of the Member's RMPP Terminal Revaluation Year, in respect of the period from the Member's COD Beginning

Date to the start of that Member's RMPP Terminal Revaluation Year, it shall be increased as if the percentage specified in each Pension Increase Order coming into force on or before the Relevant RMPP Beginning Date were the higher of zero and the percentage increase in the Government index of retail prices for the 12 months to the September preceding the date on which that Pension Increase Order came into force.

- (b) In respect of the period from the start of the Member's RMPP Terminal Revaluation Year to the Relevant RMPP Beginning Date, it shall be revalued by the factor of  $(1+A\%)$  divided by  $(1+B\%)$ , or by a factor of one, if greater, where—

A% = the percentage increase (if any) in the Government index of retail prices for the 12 months to the September of the Member's Applicable Revaluation Year, as if that percentage were the percentage increase specified in the Pension Increase Order which came into force at the end of the Member's Applicable Revaluation Year; and

B% = (A% multiplied by: ((i) the number of complete months in the period from the Relevant RMPP Beginning Date to the end of that Member's RMPP Terminal Revaluation Year; plus (but only where the Relevant RMPP Beginning Date falls in the same Revaluation Year as that Member's COD Beginning Date) (ii) the number of complete months in the period from the start of that Member's RMPP Terminal Revaluation Year to that Member's COD Beginning Date)) divided by 12,

and an incomplete month is to be treated as a complete month if it would have been so treated for the purposes of the Pension Increase Order coming into force at the end of the Member's Applicable Revaluation Year.

- (4) A Member's CSDB Benefits will be increased as follows—

- (a) In respect of the period from the Member's COD Beginning Date to the start of the Member's CSDB Terminal Revaluation Year, it shall be increased as if the percentage specified in each Pension Increase Order coming into force on or before the Relevant RMPP Beginning Date were the higher of zero and the percentage increase in the Government index of retail prices for the 12 months to the September preceding the date on which that Pension Increase Order came into force.

- (b) In respect of the period following the start of the Member's CSDB Terminal Revaluation Year to the Relevant RMPP Beginning Date, the CSDB Benefits will be increased by the factor of  $(1+C\%)$  divided by  $(1+D\%)$ , or by a factor of one, if greater, where—

C% = the percentage increase (if any) in the Government index of retail prices for the 12 months to the September of the Member's CSDB Applicable Revaluation Year, as if that percentage were the percentage specified in the Pension Increase Order which came into force at the end of the Member's CSDB Applicable Revaluation Year; and

D% = (C% multiplied by: ((i) the number of complete months in the period from the Member's Deemed RMPP Exit Date to the end of that Member's CSDB Terminal Revaluation Year; plus (but only where the Member's Deemed RMPP Exit Date falls in the same Revaluation Year as the Commencement Date) (ii) the number of complete months in the period from the start of that Member's CSDB Terminal Revaluation Year to the Commencement Date)) divided by 12,

and an incomplete month is to be treated as a complete month if it would have been so treated for the purposes of the Pension Increase Order coming into force at the end of the Member's CSDB Applicable Revaluation Year.

- (5) Subject to sub-paragraphs (6), (7) and (8) below, in respect of the period from the Relevant RMPP Beginning Date, the Member's benefit shall be increased in accordance with the 1971 Act as if it were a pension beginning on the Relevant RMPP Beginning Date. For these purposes, the modifications set out in sub-paragraphs (3) and (4) above will not apply to the requirements of the 1971 Act.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(6) Where the Relevant RMPP Beginning Date and RMSPS Retirement Date both occur in the same Revaluation Year as that Member's Deemed RMPP Exit Date, the Member's pension will be increased at the Member's RMSPS Retirement Date by the Statutory Underpin Amount with respect to the period from the COD Beginning Date to the Relevant RMPP Beginning Date.

(7) Where the Relevant RMPP Beginning Date occurs in the same Revaluation Year as that Member's Deemed RMPP Exit Date, at the effective date of the first Pension Increase Order to come into force on or after the Member's Deemed RMPP Exit Date, the Member's pension will be increased by the Statutory Underpin Amount with respect to the period from the COD Beginning Date to the effective date of the first Pension Increase Order to come into force on or after the Relevant RMPP Beginning Date.

(8) Where the Relevant RMPP Beginning Date does not occur in the same Revaluation Year as the Member's Deemed RMPP Exit Date, at the Relevant RMPP Beginning Date the Member's pension will be increased by such additional amount (if any) as may be required to ensure that the amount of the Member's pension is not less than the amount it would have been had any increases provided under sub-paragraphs (3)(a) and (3)(b) been calculated by reference to the actual percentages specified in the Pension Increase Orders applicable to the periods described in those sub-paragraphs.

(9) Any pension payable prior to Normal Retiring Age will receive annual increases (where payable) as if it were a pension payable on or after Normal Retiring Age.

---

(25) 1995 c.26.

- (b) the sum of the Member's RMSPS Revalued Pension Blocks, as calculated under sub-paragraph (5) below, for RMSPS Pensionable Service on and after 1 April 2008 and on and before 31 March 2010,

plus the RMSPS Pension Supplement (if any) calculated and payable in accordance with Rule 5 (RMSPS Pension Supplement).

(2) Subject to sub-paragraph (3) below, a Member who retires after the Cut-Off Date at or after age 65 will receive a pension for life (RMSPS NRA65 Pension) of the sum of the Member's RMSPS Revalued Pension Blocks, as calculated under sub-paragraph (5) below, for RMSPS Pensionable Service from and including 1 April 2010 until the end of the Cut-Off Date, plus the RMSPS Pension Supplement (if any) calculated and payable in accordance with Rule 5 (RMSPS Pension Supplement).

(5) In respect of RMSPS Pensionable Service on or after 1 April 2008 to the earlier of completion of 45 years' RMSPS Reckonable Service and the Cut-Off Date (inclusive), the benefits of each Member shall be determined on the following basis—

- (a) At each Renewal Date up to and including the Cut-Off Date, the Member accrued under the RMPP a pension of  $\frac{1}{60}$ th of the Member's CSDB Pensionable Pay for the year up to and including the Renewal Date (an RMSPS Pension Block).
- (b) The RMSPS Pension Block accrued at each Renewal Date was revalued under the RMPP, first at the Renewal Date at the end of the subsequent year and then at each subsequent Renewal Date thereafter, up to and including the Cut-Off Date by the annual increase in the Government index of retail prices for all items for the 12 months to the preceding September subject to a maximum increase of 5% and a minimum increase of 0% each year.
- (c) Each RMSPS Pension Block, as successively revalued under Paragraph (b) above, will be an RMSPS Revalued Pension Block.

- (d) A Member whose benefits (whether RMSPS NRA60 Benefits, RMSPS NRA65 Benefits, or both) are preserved under this sub-paragraph (6) will (if the payment of immediate benefits is not contrary to the provisions of Part IX (Overriding Finance Act Provisions) of

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

this Schedule) receive early payment before Normal Retiring Age of either or both of those tranches of benefits in the circumstances set out in Rule 4 (Payment of RMSPS benefits, retirement options and flexible retirement). If only one tranche is brought into payment, the remaining tranche will continue to be preserved under this Rule 3 (although, for avoidance of doubt, the remaining tranche can be brought into payment early subsequently in the circumstances set out in Rule 4 or as may otherwise be provided for under these Rules).

- (e) Except as may otherwise be provided for under these Rules, any benefits paid early under Paragraph (d) above will be reduced on a basis determined by the Secretary of State and which has been certified as reasonable by the Actuary to take account of early payment.

(7) In the case of early payment under Paragraph (6)(d) above, the Secretary of State after taking into account the advice of the Actuary must be reasonably satisfied that the pension is at least equal in value to the preserved pension (including future increases under Rule 17 (Pension increases)) payable from age 60 (in respect of RMSPS NRA60 Pension) and age 65 (in respect of RMSPS NRA65 Pension) to which that Member would otherwise have become entitled.

(8) A Member may not defer RMSPS NRA60 Pension after age 60 or RMSPS NRA65 Pension after age 65 save as permitted under Rule 6 (Late retirement).

#### **Payment of RMSPS benefits, retirement options and flexible retirement**

4.—(1) A Member's RMSPS NRA60 Pension and RMSPS NRA65 Pension are separate benefit entitlements, and shall constitute separate arrangements for the purposes of the Finance Act 2004(26) provided that the Secretary of State has the power to arrange the benefits under the RMSPS (in respect of one or a number of Members) so that RMSPS NRA60 Pension and RMSPS NRA65 Pension constitute the same arrangement for the purposes of the Finance Act 2004.

(2) Subject to sub-paragraph (4) below in relation to Wholly Discharged RMPP Members and Partially Discharged RMPP Members and sub-paragraph (5) below in relation to Nil Margin Members, but despite any other provision of these Section C Rules—

- (a) a Member's RMSPS NRA60 Pension—
  - (i) will come into payment automatically under the RMSPS when that Member draws or is paid his or her RMPP NRA60 Pension from the RMPP (having obtained all consents necessary under the RMPP to do so); and
  - (ii) may not come into payment under the RMSPS until that Member draws or is paid his or her RMPP NRA60 Pension from the RMPP; and
- (b) a Member's RMSPS NRA65 Pension—
  - (i) will come into payment automatically under the RMSPS when that Member draws or is paid his or her RMPP NRA65 Pension from the RMPP (having obtained all consents necessary under the RMPP to do so); and
  - (ii) may not come into payment under the RMSPS until that Member draws or is paid his or her RMPP NRA65 Pension from the RMPP.

Rule 6 (Late retirement) and Rule 7 (Early retirement through incapacity) will in each case apply on a basis that is consistent with this principle (except that sub-paragraphs (4) and (5) below, and any specific provisions that are set out in those Rules, will apply in relation to Wholly Discharged RMPP Members, Partially Discharged RMPP Members and Nil Margin Members).

- (3) Where a Member's RMSPS NRA60 Pension or RMSPS NRA65 Pension—
  - (a) should have come into payment automatically under Paragraph (2)(a) or (b) but has not come into payment, the Member shall be paid the relevant RMSPS NRA60 Pension or

---

(26) 2004 c.12.

RMSPS NRA65 Pension in arrears, with such Interest, if any, as the Secretary of State considers appropriate; and

- (b) has come into payment, but the RMPP NRA60 Pension or RMPP NRA65 Pension, as appropriate under Paragraph (2)(a) or (b), has not come into payment, the relevant RMSPS NRA60 Pension or the RMSPS NRA65 Pension will be treated as having been paid in error, and the Secretary of State must take whatever action he deems appropriate in his absolute discretion to correct the error.

(4) In the event that a Member—

- (a) ceases to be a member of the RMPP by reason of a transfer of all of that Member's benefits out of the RMPP (other than a transfer to a New POL Scheme described in Clause 5 (New POL Scheme)) or a discharge of all of the RMPP Trustees' obligations to provide benefits to that Member (in either case, other than money purchase benefits (such Member being a Wholly Discharged RMPP Member)); or
- (b) ceases to have a right or entitlement to either that Member's RMPP NRA60 Pension or RMPP NRA65 Pension for one of the reasons set out in Paragraph (a) above (such Member being a Partially Discharged RMPP Member and that benefit being a Discharged RMPP Benefit),

the following will apply—

- (i) Sub-paragraphs (2) and (3) above will not apply in respect of a Wholly Discharged RMPP Member or, in the case of a Partially Discharged RMPP Member, that Member's Relevant RMSPS Benefit, if and to the extent that any benefit under the RMSPS has not yet (or should have) come into payment under sub-paragraph (2).
- (ii) Rule 6 (Late retirement) and Rule 7 (Early retirement through incapacity) will apply in respect of the Wholly Discharged RMPP Member or, in the case of a Partially Discharged RMPP Member, that Member's Relevant RMSPS Benefit, as provided for in each of those Rules.
- (iii) Any Wholly Discharged RMPP Member whose benefits (or some of them) are preserved under Rule 3(6) (Benefits payable to Members on retirement) may elect, any time after Minimum Pension Age to take his or her RMSPS NRA60 Benefits or (if applicable) his or her RMSPS NRA65 Benefits, or both.

Similarly, if Relevant RMSPS Benefit of a Partially Discharged RMPP Member is preserved under Rule 3(6) (Benefits payable to Members on retirement) that Member may elect, any time after Minimum Pension Age to take that RMSPS benefit.

This election shall require the consent of the Secretary of State (provided that such consent shall not be required in respect of a RMSPS NRA60 Pension if the Wholly Discharged RMPP Member or Partially Discharged RMPP Member has reached age 60, and shall not be required in respect of a RMSPS NRA65 Pension if the Wholly Discharged RMPP Member or Partially Discharged RMPP Member has reached age 65). If only one tranche of benefit is taken, the other shall continue to be preserved but, for avoidance of doubt, the remaining tranche can subsequently be brought into payment early in accordance with this Rule.

Similarly, if Relevant RMSPS Benefit of a Partially Discharged RMPP Member is preserved under Rule 3(6) (Benefits payable to Members on retirement) that Member may elect, any time after Minimum Pension Age to take that RMSPS benefit.

This election shall require the consent of the Secretary of State (provided that such consent shall not be required in respect of a RMSPS NRA60 Pension if the Wholly Discharged RMPP Member or Partially Discharged RMPP Member has reached age 60, and shall not be required in respect of a RMSPS NRA65 Pension if the Wholly Discharged RMPP Member or Partially Discharged RMPP Member has reached age 65). If only one tranche of benefit is taken, the other shall continue to be preserved but, for avoidance of doubt, the remaining tranche can subsequently be brought into payment early in accordance with this Rule.

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(iv) Any Wholly Discharged RMPP Member may draw his or her RMSPS NRA60 Pension and his or her RMSPS NRA65 Pension at different times in accordance with the provisions of this Rule. However, if a Wholly Discharged RMPP Member or Partially Discharged RMPP Member wishes to draw his or her RMSPS NRA 60 Pension, that Member must draw all his or her RMSPS NRA60 Pension at the same time and not only part of it (and the same applies to RMSPS NRA65 Pension). Provided that where a Wholly Discharged RMPP Member or Partially Discharged RMPP Member had at the end of the Cut-Off Date two or more periods of RMPP Reckonable Service which were treated separately in accordance with Rule 10A (Breaks in Reckonable Service) of Section C of the RMPP Cut-Off Date Rules, the Member may draw benefits in respect of each period separately on the same basis as applied under the RMPP before 1 April 2010.

(5) This sub-paragraph applies to a Member (not being a Partially Discharged RMPP Member whose Relevant RMSPS Benefit is his or her RMSPS NRA60 Pension or a Wholly Discharged RMPP Member) whose RMSPS NRA60 Pension has not yet been brought into payment and who has a prospective RMPP NRA60 Pension payable from the RMPP under Rule 5A(1) (Normal Retirement) of Section C of the RMPP Rules of nil (as described in Rule 5AX (Deemed crystallisation of NRA60 Pension where no margin over RMSPS NRA60 Pension) of Section C of the RMPP Rules)) on the earliest of the dates specified in Paragraph (d) below (any such Member being a Nil Margin Member).

- (a) Sub-paragraphs (2) and (3) above will not apply in respect of the Nil Margin Member, if and to the extent that any benefit under the RMSPS has not yet (or should have) come into payment under sub-paragraph (2).
- (b) Rule 6 (Late retirement) and Rule 7 (Early retirement through incapacity) will apply in respect of the Nil Margin Member on the basis provided for in each of those Rules.
- (c) The Nil Margin Member may elect to take his or her RMSPS NRA60 Pension at any time after Minimum Pension Age. This election shall require the consent of the Secretary of State (provided that such consent shall not be required if the Nil Margin Member has reached age 60). If only the RMSPS NRA60 Pension is taken, the RMSPS NRA65 Pension shall continue to be preserved but, for avoidance of doubt, the RMSPS NRA65 Pension can subsequently be brought into payment early in accordance with sub-paragraph (2) or (4) above, as appropriate.
- (d) The dates specified for the purposes of this Rule are—
  - (i) the Nil Margin Member's RMPP Exit Date;
  - (ii) the effective date of any election by the Nil Margin Member for the purposes of the RMPP under Rule 5AA of Section C of the RMPP Rules (Retirement options and flexible retirement), which results in the Nil Margin Member ceasing to accrue further benefits under the RMPP or which would require his or her RMPP NRA60 Pension to be paid immediately; and
  - (iii) the date of an election by the Nil Margin Member to receive his or her RMSPS NRA60 Pension under Paragraph (c) of this Rule.

(6) While the Member remains in employment to which the RMPP relates, the Member's consent will not be required to defer payment of his or her GMP after age 65 (being the expiration of five years from the date on which that Member attains Normal Retiring Age in respect of that Member's RMSPS NRA60 Pension). Section 13(5)(b) of the Pension Schemes Act 1993 (as applied to the RMSPS by the Contracting-out Laws) shall apply subject to this exemption from its requirements. This sub-paragraph shall not apply to a Wholly Discharged RMPP Member, a Partially Discharged RMPP Member whose Relevant RMSPS Benefit is his or her RMSPS NRA60 Benefits. This sub-paragraph shall apply to a Nil Margin Member who remains in employment with an Employer, notwithstanding that there is at that time no RMPP NRA60 Pension payable to the Member.

## **RMSPS Pension Supplement**

5.—(1) The RMSPS Pension Supplement shall be payable in the circumstances described in sub-paragraphs (2) to (7) below, subject to the overriding principles in sub-paragraph (8) below. It shall be determined as the sum of the following—

- (a) in respect of RMSPS Pensionable Service on or before 31 March 2008, a pension accrued at the annual rate of  $\frac{1}{60}$ th of the average Lower Earnings Deduction in force from time to time over the period during which RMSPS Final Pensionable Pay is determined; and
- (b) in respect of RMSPS Pensionable Service on and after 1 April 2008, a sum accrued at each Renewal Date following 1 April 2008 up to and including the Cut-Off Date calculated as  $\frac{1}{60}$ th of the Lower Earnings Deduction in force for the 12 months up to and including that Renewal Date (such Lower Earnings Deduction having been reduced in accordance with the RMPP Rules in such manner as the RMPP Trustees considered appropriate for periods of non-RMSPS Reckonable Service in the same 12 month period, and reduced proportionately to the number of hours worked in respect of a Part-time Member). The RMSPS Pension Supplement earned at each such Renewal Date was revalued up to the end of the Cut-Off Date on the same basis as the Member's RMSPS Pension Block was revalued (as described in Rule 3 (Benefits payable to Members on retirement)),

provided that—

- (i) the total amount of RMSPS Pensionable Service for Paragraphs (a) and (b) combined shall not exceed 45 years. Consistent with this requirement (and in accordance with Rule 3(3) (Benefits payable to Members on retirement)), the method of determining the RMSPS Pension Supplement will not take into account RMSPS Pensionable Service after the earlier of completion of 45 years' RMSPS Pensionable Service and the end of the Cut-Off Date;
- (ii) if any part of a Member's RMPP Pension Supplement was provided to the Member by the RMPP Trustees in recognition of that Member having transferred assets into the RMPP (the RMPP Transfer Credit Pension Supplement), the RMSPS Pension Supplement shall include a corresponding part (the RMSPS Transfer Credit Pension Supplement) reflecting the benefit provided under the RMPP in respect of such assets as were transferred into the RMPP on or before the Cut-Off Date; and
- (iii) a Member's RMSPS Pension Supplement shall include any Suspended Pre-Cut-Off Date RMPP Pension Supplement that the Member may have, as provided for in sub-paragraph (6) below.

(2) Subject to the other provisions of this Rule 5 below—

- (a) any RMSPS Pension Supplement accrued in respect of RMSPS Pensionable Service on or before 31 March 2010 (the RMSPS NRA60 Pension Supplement) shall only become payable at the time the Member takes his or her RMSPS NRA60 Pension, provided that such time is before the Member's State Pension Age; and
- (b) any RMSPS Pension Supplement accrued in respect of RMSPS Pensionable Service on and after 1 April 2010 (the RMSPS NRA65 Pension Supplement) shall only become payable at the time the Member takes his or her RMSPS NRA65 Pension, provided that such time is before the Member's State Pension Age.

Should the Member take neither RMSPS NRA60 Pension nor RMSPS NRA65 Pension before State Pension Age, therefore, no RMSPS Pension Supplement shall be paid to that Member.

(3) Should both—

- (a) the Member take a reduced early retirement pension (whether RMSPS NRA60 Pension, RMSPS NRA65 Pension, or both) before Normal Retiring Age; and
- (b) the Member is at that time under State Pension Age,

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

notwithstanding sub-paragraph (2) above, no RMSPS Pension Supplement shall be payable unless at the Member's Normal Retiring Age the Member will be under State Pension Age (in accordance with legislation in force at the date of the Member's retirement). If RMSPS Pension Supplement is payable under this sub-paragraph (3), the total amount of the RMSPS Pension Supplement which would have been paid to the Member between Normal Retiring Age and State Pension Age (had the Member retired at Normal Retiring Age) will be paid to the Member over the period starting from commencement of that Member's early retirement pension until the attainment of State Pension Age in such a manner as the Secretary of State shall determine. Any RMSPS Pension Supplement paid under this sub-paragraph (3) will be reduced for early payment on a basis determined by the Secretary of State and which has been certified as reasonable by the Actuary.

(4) Should the Member take an unreduced early retirement pension (whether RMSPS NRA60 Pension, RMSPS NRA65 Pension, or both) before Normal Retiring Age, the Member shall (where sub-paragraph (2) above applies) receive an RMSPS Pension Supplement from the date of that Member's early retirement.

(5) Notwithstanding the provisions of Rule 4 (Payment of RMSPS benefits, retirement options and flexible retirement), no RMSPS Pension Supplement shall be brought into payment while the Member is in Service. However if, at the time they provided it, the RMPP Trustees determined that any part of a Member's RMPP Transfer Credit Pension Supplement that was provided in recognition of that Member having transferred assets into the RMPP on or before the Cut-Off Date may be paid to that Member (in accordance with the other provisions of Rule 5AB (Pension Supplement) of Section C of the RMPP Rules that govern the payment of the RMPP Pension Supplement) while that Member is still in Service, the RMSPS Transfer Credit Pension Supplement will also be paid to that Member in accordance with sub-paragraph (2), (3) or (4) above while that Member is still in Service. Once the Member leaves Service, any RMSPS Pension Supplement which would, but for this sub-paragraph (5), have been brought into payment previously, shall be brought into payment at the time the Member actually leaves Service if, at the date of leaving Service, the Member is under State Pension Age. Any such RMSPS Pension Supplement payable shall be paid at the rate which would at that time have been in payment had the RMSPS Pension Supplement come into payment at the time the Member took the relevant pension (and so, for avoidance of doubt, will not therefore include any arrears of RMSPS Pension Supplement).

(6) In accordance with the previous provisions of Rule 10A (Breaks in Reckonable Service) of Section C of the RMPP Rules that were in force before 1 April 2010, if a Member in receipt of a pension returned to Service under the RMPP, that pension (the "Suspended RMPP Pension") together with any RMPP Pension Supplement then payable to him or her was suspended (any such RMPP Pension Supplement that continued to be suspended at the end of the Cut-Off Date being a Suspended Pre-Cut-Off Date RMPP Pension Supplement). On and from 1 January 2008, Rule 10A (Breaks in Reckonable Service) of Section C of the RMPP Rules was amended so that, on and from that date, any Suspended RMPP Pension was immediately brought into payment once again (and for avoidance of doubt, in respect of such a pension a Section C Active will be treated as a Wholly Transferred Beneficiary in accordance with Clause 3 (Benefits payable in respect of Wholly Transferred Beneficiaries)). However, in accordance with that Rule, any Suspended Pre-Cut-Off Date RMPP Pension Supplement could not be brought into payment under the RMPP until the Member actually left Service. A Member's RMSPS Pension Supplement will include a part that is equal in amount and corresponds to any Suspended Pre-Cut-Off Date RMPP Pension Supplement that the Member may have had at the end of the Cut-Off Date. That part of the Member's RMSPS Pension Supplement—

- (a) may not be brought into payment under the RMSPS until the Member actually leaves Service (if, at the date of leaving Service, the Member is under State Pension Age), and until that time will be treated as suspended under the RMSPS; and
- (b) will not be payable if, at the date of leaving Service, the Member is at or over State Pension Age.

(7) Where a Member has taken pension (whether RMSPS NRA60 Pension, RMSPS NRA65 Pension, or both) prior to that Member's State Pension Age and where in accordance with sub-paragraphs (2), (3), (4), (5) or (6) above some or all of the RMSPS Pension Supplement has actually come into payment, any RMSPS Pension Supplement in payment shall cease to be paid once the Member reaches State Pension Age.

(8) Subject to Paragraph (e) below, the following will apply despite any other provision of this Rule and of Rule 4 (Payment of RMSPS benefits, retirement options and flexible retirement), if and to the extent that those provisions would not have the same effect as the following—

- (a) A Member's RMSPS NRA60 Pension Supplement—
  - (i) will come into payment automatically under the RMSPS when that Member draws or is paid his or her Pension Supplement under Section C of the RMPP accrued in respect of his or her RMPP Reckonable Service on or before 31 March 2010 (the RMPP NRA60 Pension Supplement); and
  - (ii) may not come into payment under the RMSPS until that Member draws or is paid his or her RMPP NRA60 Pension Supplement.
- (b) A Member's RMSPS NRA65 Pension Supplement—
  - (i) will come into payment automatically under the RMSPS when that Member draws or is paid his or her RMPP Pension Supplement in respect of his or her RMPP Reckonable Service on and from 1 April 2010 (the RMPP NRA65 Pension Supplement); and
  - (ii) may not come into payment under the RMSPS until that Member draws or is paid his or her RMPP NRA65 Pension Supplement.
- (c) Where a Member's RMSPS NRA60 Pension Supplement or RMSPS NRA65 Pension Supplement should have come into payment automatically under Paragraph (a) or (b) above but has not come into payment, the Member shall be paid the relevant RMSPS Pension Supplement in arrears with such interest, if any, as the Secretary of State considers appropriate.
- (d) Where a Member's RMSPS NRA60 Pension Supplement or RMSPS NRA65 Pension Supplement has come into payment but the relevant RMPP Pension Supplement (as appropriate under Paragraph (a) or (b) above) has not come into payment, the relevant RMSPS Pension Supplement will be treated as having been paid in error, and the Secretary of State must take whatever action he deems appropriate in his absolute discretion to correct the error.
- (e) Paragraphs (a) to (d) above will not apply to the RMSPS Pension Supplement of a Wholly Discharged RMPP Member, or to a Partially Discharged RMPP Member in respect of that Member's RMSPS NRA60 Pension Supplement (if that Member's Relevant RMSPS Benefit is his or her RMSPS NRA60 Pension) or his or her RMSPS NRA65 Pension Supplement (if his or her Relevant RMSPS Benefit is his or her RMSPS NRA65 Pension), as the case may be. Similarly, Paragraphs (a) to (d) above will not apply in respect of a Nil Margin Member's RMSPS NRA60 Pension Supplement. However, for avoidance of doubt, sub-paragraphs (2) to (7) above will continue to apply in respect of the RMSPS Pension Supplement (or relevant part thereof) of such Members.

### **Late retirement**

**6.—(1)** A Member who is an RMPP Active and who retires from the RMPP after Normal Retiring Age will receive a pension for life calculated in accordance with Rule 3 (Benefits payable to members on retirement) (and will also receive the RMSPS Pension Supplement, if any, in accordance with Rule 5 (RMSPS Pension Supplement)), subject to sub-paragraphs (2) and (3) below. This Rule—

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- (a) will not apply to a Member from the time that Member becomes a Wholly Discharged RMPP Member, and if a Member is or becomes a Wholly Discharged RMPP Member on or after the Normal Retiring Age for that Member's RMSPS NRA60 Pension and/or RMSPS NRA65 Pension, the relevant benefit(s) will then come into payment;
- (b) will not apply to the Relevant RMSPS Benefit of a Member from the time that Member becomes a Partially Discharged RMPP Member, and if a Member is or becomes a Partially Discharged RMPP Member on or after the Normal Retiring Age for that Member's Relevant RMSPS Benefit, that benefit will then come into payment; and
- (c) will apply to a Member's RMSPS NRA60 Pension from the time that Member becomes a Nil Margin Member, and if a Member is or becomes a Nil Margin Member on or after age 60, that Member's RMSPS NRA60 Pension will then come into payment (provided that no Member will be treated as becoming a Nil Margin Member by the operation of this Paragraph if they would not otherwise at that time have become a Nil Margin Member at their Normal Retiring Age).

(2) The pension will not be less than is necessary to comply with the anti franking requirements of the Contracting-out Laws.

(3) Payment of such a Member's GMP will be postponed in the circumstances permitted by the Contracting-out Laws (see Rule 4(6) (Payment of RMSPS benefits, retirement options and flexible retirement) above) as necessary to comply with Rule 4(2)).

#### **Early retirement through incapacity**

7.—(1) A Member whose RMSPS NRA60 Pension and/or RMSPS NRA65 Pension is preserved under Rule 3(6) (Benefits payable to Members on retirement) and who is—

- (a) an RMPP Active who retires under the RMPP before Normal Retiring Age through RMPP Incapacity (within the meaning of Paragraph (a) of the definition that term) in accordance with Rule 5D (Early retirement through Incapacity) of Section C of the RMPP Rules after the Cut-Off Date; or
- (b) an RMPP Leaver who retires under the RMPP before Normal Retiring Age through RMPP Incapacity (whether within the meaning of Paragraph (a) or Paragraph (b) of the definition that term) in accordance with Rule 5D (Early retirement through Incapacity) of Section C of the RMPP Rules after the Cut-Off Date,

will receive an immediate pension from the RMSPS calculated as described in Rule 3 together with the RMSPS Pension Supplement in accordance with Rule 5 (RMSPS Pension Supplement). The reduction set out in Rule 3(6)(e) will not apply to the benefits that come into payment under this sub-paragraph.

(2) The following shall also apply in relation to an RMPP Leaver whose RMSPS NRA60 Pension and/or his or her RMSPS NRA65 Pension is preserved under Rule 3(6) (Benefits payable to Members on retirement) and who is no longer in Service—

- (a) If the RMPP Trustees terminate deferment of the Member's RMPP NRA60 Pension and/or RMPP NRA65 Pension under Rule 9CA (Early pension – no longer in Service) of Section C of the RMPP Rules because, in their opinion, that Member would have retired through RMPP Incapacity under Rule 5D (Early retirement through Incapacity) of Section C of the RMPP Rules had that Member remained in Service, the Secretary of State shall (subject, in particular to paragraphs 3 and 4 of Part IX (Overriding Finance Act Provisions) of this Schedule) also terminate the deferment of his or her RMSPS NRA60 Pension and/or RMSPS NRA65 Pension as appropriate. The reduction set out in Rule 3(6)(e) (Benefits payable to Members on retirement) will not apply to the benefits that come into payment under this Paragraph; or

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- (b) If the Member has reached Minimum Pension Age and the RMPP Trustees terminate the deferment of the Member's RMPP NRA60 Pension and/or RMPP NRA65 Pension under Rule 9CA (Early pension – no longer in Service) of Section C of the RMPP Rules on any compassionate grounds as the RMPP Trustees may determine, the Secretary of State shall (subject, in particular to paragraphs 3 and 4 of Part IX (Overriding Finance Act Provisions) of this Schedule) also terminate the deferment of the relevant tranche (or both tranches) of RMSPS benefit. The reduction set out in Rule 3(6)(e) (Benefits payable to Members on retirement) will not apply to the benefits that come into payment under this Paragraph except that, to the extent the Member's benefit relates to periods of RMSPS Reckonable Service on and from 1 December 2006, the benefit shall be reduced by the Secretary of State on a basis he shall determine and which has been certified as reasonable by the Actuary to take account of early payment.
- (3) Sub-paragraphs (1) and (2) above shall not apply in relation to a Wholly Discharged RMPP Member. Instead, if such a Member's RMSPS NRA60 Pension and/or RMSPS NRA65 Pension is preserved under Rule 3(6) (Benefits payable to Members on retirement), the following will apply.
- (a) If the Secretary of State is satisfied that the Wholly Discharged RMPP Member is retired by his or her Employer through RMPP Incapacity, the Member will receive (subject, in particular, to paragraphs 3 and 4 of Part IX (Overriding Finance Act Provisions) of this Schedule) an immediate pension calculated as described in Rule 3 (Benefits payable to Members on retirement) together with any RMSPS Pension Supplement in accordance with Rule 5 (RMSPS Pension Supplement). The reduction set out in Rule 3(6)(e) will not apply to the benefits that come into payment under this Paragraph. For avoidance of doubt, sub-paragraph (2) of the definition of the term RMPP Incapacity applies for the purposes of this Paragraph (a) in relation to a Wholly Discharged RMPP Member who was in RMPP Pensionable Service on 31 March 2000.
- (b) If the Member is no longer in Service and, in the opinion of the Secretary of State, that Member would have retired through RMPP Incapacity had that Member remained in Service, the Member will receive (subject, in particular, to paragraphs 3 and 4 of Part IX (Overriding Finance Act Provisions) of this Schedule) an immediate pension calculated as described in Rule 3 (Benefits payable to Members on retirement) together with any RMSPS Pension Supplement in accordance with Rule 5 (RMSPS Pension Supplement). The reduction set out in Rule 3(6)(e) will not apply to the benefits that come into payment under this Paragraph. For avoidance of doubt, sub-paragraph (2) of the definition of the term RMPP Incapacity applies for the purposes of this Paragraph (b) in relation to a Wholly Discharged RMPP Member who was in RMPP Pensionable Service on 31 March 2000.
- (c) If the Member is no longer in Service and has reached Minimum Pension Age, that Member may receive (subject, in particular, to paragraphs 3 and 4 of Part IX (Overriding Finance Act Provisions) of this Schedule) an immediate pension calculated as described in Rule 3 (Benefits payable to Members on retirement) together with any RMSPS Pension Supplement in accordance with Rule 5 (RMSPS Pension Supplement) on any compassionate grounds as the Secretary of State may determine. Provided that—
- (i) should both a Member's RMSPS NRA60 Pension and that Member's RMSPS NRA65 Pension be preserved under Rule 3(6), the Secretary of State may exercise this discretion in respect of either the Member's RMSPS NRA60 Pension, RMSPS NRA65 Pension or both. If that Member does so in respect of one tranche of benefit only, the remaining tranche will continue to be deferred under Rule 3(6) (although, for avoidance of doubt, the remaining tranche can subsequently be brought into payment under either paragraph (b) above or this Paragraph (c)); and
- (ii) the reduction set out in Rule 3(6)(e) (Benefits payable to Members on retirement) will not apply to the benefits that come into payment under this Paragraph except that, to the extent it relates to periods of Reckonable Service on and from 1 December

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

2006, it shall be reduced by the Secretary of State on a basis he shall determine and which has been certified as reasonable by the Actuary to take account of early payment.

Sub-paragraphs (1) and (2) above and sub-paragraph (5) below will apply to a Nil Margin Member, notwithstanding that no amount in respect of that Member's RMPP NRA60 Pension will at that time come into payment under the RMPP.

(4) Similarly, those sub-paragraphs will also apply to a Partially Discharged RMPP Member, notwithstanding that no amount in respect of that Member's Discharged RMPP Benefit will at that time come into payment under the RMPP.

(5) If a Member is entitled to payment of benefits under sub-paragraph (1), Paragraph (2)(a), Paragraph (3)(a) or Paragraph (3)(b) above, all that Member's benefits, (RMSPS NRA60 Pension, RMSPS NRA65 Pension and any RMSPS Pension Supplement) shall be brought into payment at the same time.

(6) The Secretary of State must be reasonably satisfied that a Member's pension is at least equal in value (e.g. taking account of the longer period of payment) to the preserved pension (including future increases under Rule 17 (Pension increases)) payable from Normal Retiring Age to which that Member would otherwise have become entitled.

### **Choosing a lump sum benefit**

8.—(1) A Member may—

- (a) choose to give up RMSPS NRA60 Pension, RMSPS NRA65 Pension or both (including the RMSPS Pension Supplement, if any) for a lump sum in accordance with this Rule when that Member draws the relevant tranche of benefit; and/or
- (b) apply the Transferred AVC Fund in accordance with Clause 10 (Additional voluntary contributions transferred from the RMPP) to provide a lump sum benefit.

A Member must, however, keep a pension not less than his or her GMP (unless the Member is paid a serious ill-health lump sum under General Rule 4(2) (Payment of benefits)) and may only take one lump sum from each tranche of benefit. The Secretary of State will convert pension to lump sum on a basis he shall determine which has been certified as reasonable by the Actuary. The maximum lump sum a Member may choose shall be subject to the limits in paragraph 7(b) of Part IX (Overriding Finance Act Provisions) of this Schedule.

### **Lump sum death benefits**

9.—(1) If a Section C Active dies after the Cut-Off Date, a lump sum will be payable by the Secretary of State in accordance with Rule 10 (Discretionary trusts). The amount of the lump sum payable in respect of the Member depends on which of the following sub-paragraphs is applicable to that Member on the day that he or she died.

(2) If the Member dies in Service when no benefits from the RMSPS have come into payment, the lump sum payable is the greater of—

- (a) the aggregate of—
  - (i) an amount equal to 5 years' payment of that Member's preserved annual RMSPS NRA60 Pension (but excluding the RMSPS Pension Supplement (if any)) assuming that Member had an entitlement to the immediate payment of such pension without reduction under Rule 3(6)(e) (Benefits payable to Members on retirement); and
  - (ii) an amount equal to 5 years' payment of that Member's preserved annual RMSPS NRA65 Pension (but excluding the RMSPS Pension Supplement (if any)) assuming

- that Member had an entitlement to the immediate payment of such pension without reduction under Rule 3(6)(e) (Benefits payable to Members on retirement); or
- (b) 4 times the Member's RMSPS Final Pensionable Pay (but in determining RMSPS Final Pensionable Pay for this purpose, the Member's "Pensionable Pay" as defined in Section C of the RMPP Cut-Off Date Rules will not be reduced by the Lower Earnings Deduction and such "Pensionable Pay" for a Part-time Member will be ascertained ignoring the penultimate paragraph of that definition of "Pensionable Pay" in Section C of the RMPP Cut-Off Date Rules).
- (3) If the Member dies in Service when that Member's RMSPS NRA60 Pension is in payment but his or her RMSPS NRA65 Pension has not come into payment, the lump sum payable is the greater of—
- (a) the aggregate of—
- (i) if the Member dies within 5 years of his or her RMSPS NRA60 Pension coming into payment, an amount equal to the pension payments which would have been made during the remainder of the 5 year period if that Member had not died (but disregarding any future increases and the RMSPS Pension Supplement (if any)); and
- (ii) an amount equal to 5 years' payments of his or her preserved annual RMSPS NRA65 Pension (but excluding the RMSPS Pension Supplement (if any)) assuming that Member had an entitlement to the immediate payment of such pension without reduction under Rule 3(6)(e) (Benefits payable to Members on retirement); or
- (b) 4 times the Member's RMSPS Final Pensionable Pay (but in determining RMSPS Final Pensionable Pay for this purpose, the Member's "Pensionable Pay" as defined in Section C of the RMPP Cut-Off Date Rules will not be reduced by the Lower Earnings Deduction and such "Pensionable Pay" for a Part-time Member will be ascertained ignoring the penultimate paragraph of the definition of "Pensionable Pay" in Section C of the RMPP Cut-Off Date Rules) less the aggregate of—
- (i) the total amount of RMSPS NRA60 Pension (including increases and any RMSPS Pension Supplement) paid to the Member between the date his or her RMSPS NRA60 Pension commenced and the date of that Member's death; and
- (ii) the amount of the lump sum (if any) paid to the Member in accordance with Rule (Choosing a lump sum benefit).
- (4) If the Member dies in Service when his or her RMSPS NRA60 Pension has not yet come into payment but his or her RMSPS NRA65 Pension is in payment, the lump sum payable is the greater of—
- (a) the aggregate of—
- (i) an amount equal to 5 years' payments of his or her preserved annual RMSPS NRA60 Pension (but excluding the RMSPS Pension Supplement (if any)) assuming that Member had an entitlement to the immediate payment of such pension without reduction under Rule 3(6)(e) (Benefits payable to Members on retirement); and
- (ii) if the Member dies within 5 years of his or her RMSPS NRA65 Pension coming into payment, an amount equal to the pension payments which would have been made during the remainder of the 5 year period if that Member had not died (but disregarding any future increases and the RMSPS Pension Supplement (if any)); or
- (b) 4 times the Member's RMSPS Final Pensionable Pay (but in determining RMSPS Final Pensionable Pay for this purpose, the Member's "Pensionable Pay" as defined in Section C of the RMPP Cut-Off Date Rules will not be reduced by the Lower Earnings Deduction and such "Pensionable Pay" for a Part-time Member will be ascertained ignoring the

penultimate paragraph of the definition of “Pensionable Pay” in Section C of the RMPP Cut-Off Date Rules) less the aggregate of—

- (i) the total amount of RMSPS NRA65 Pension (including increases and any RMSPS Pension Supplement) paid to the Member between the date his or her RMSPS NRA65 Pension commenced and the date of his or her death; and
- (ii) the amount of the lump sum (if any) paid to the Member in accordance with Rule 8(1) (Choosing a lump sum benefit).

(5) If the Member has ceased to be in Service and both his or her RMSPS NRA60 Pension and RMSPS NRA65 Pension are preserved in the RMSPS, the lump sum payable is the aggregate of—

- (a) an amount equal to 5 years’ payments of his or her preserved annual RMSPS NRA60 Pension (but excluding the RMSPS Pension Supplement (if any)) assuming that Member had an entitlement to the immediate payment of such pension without reduction under Rule 3(6)(e) (Benefits payable to Members on retirement); and
- (b) an amount equal to 5 years’ payments of his or her preserved annual RMSPS NRA65 Pension (but excluding the RMSPS Pension Supplement (if any)) assuming that Member had an entitlement to the immediate payment of such pension without reduction under Rule 3(6)(e) (Benefits payable to Members on retirement),

provided that the total lump sum payable under this Rule 9(5) shall not exceed 4 times the Member’s RMSPS Final Pensionable Pay (but in determining RMSPS Final Pensionable Pay for this purpose, the Member’s “Pensionable Pay” as defined in Section C of the RMPP Cut-Off Date Rules will not be reduced by the Lower Earnings Deduction and such “Pensionable Pay” for a Part-time Member will be ascertained ignoring the penultimate paragraph of the definition of “Pensionable Pay” in Section C of the RMPP Cut-Off Date Rules).

(6) If the Member has ceased to be in Service and his or her RMSPS NRA60 Pension has come into payment but his or her RMSPS NRA65 Pension is preserved in the Scheme, the lump sum payable is the aggregate of—

- (a) if the Member dies within 5 years of his or her RMSPS NRA60 Pension coming into payment, an amount equal to the pension payments which would have been made during the remainder of the 5 year period if that Member had not died (but disregarding any future increases and the RMSPS Pension Supplement (if any)); and
- (b) an amount equal to 5 years’ payments of his or her preserved annual RMSPS NRA65 Pension (but excluding the RMSPS Pension Supplement (if any)) assuming that Member had an entitlement to the immediate payment of such pension without reduction under Rule 3(6)(e) (Benefits payable to Members on retirement),

provided that the total lump sum payable under this Rule 9(6) shall not exceed 4 times the Member’s RMSPS Final Pensionable Pay (but in determining RMSPS Final Pensionable Pay for this purpose, the Member’s “Pensionable Pay” as defined in Section C of the RMPP Cut-Off Date Rules will not be reduced by the Lower Earnings Deduction and such “Pensionable Pay” for a Part-time Member will be ascertained ignoring the penultimate paragraph of the definition of “Pensionable Pay” in Section C of the RMPP Cut-Off Date Rules).

(7) If the Member has ceased to be in Service and his or her RMSPS NRA60 Pension is preserved in the Scheme but his or her RMSPS NRA65 Pension has come into payment, the lump sum payable is the aggregate of—

- (a) an amount equal to 5 years’ payments of his or her preserved annual RMSPS NRA60 Pension (but excluding the RMSPS Pension Supplement (if any)) assuming that Member had an entitlement to the immediate payment of such pension without reduction under Rule 3(6)(e) (Benefits payable to Members on retirement); and

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- (b) if the Member dies within 5 years of his or her RMSPS NRA65 Pension coming into payment, an amount equal to the pension payments which would have been payable during the remainder of the 5 year period if that Member had not died (but disregarding any future increases and the RMSPS Pension Supplement (if any)),

provided that the total lump sum payable under this Rule 9(7) shall not exceed 4 times RMSPS Final Pensionable Pay (but in determining RMSPS Final Pensionable Pay for this purpose, the Member's "Pensionable Pay" as defined in Section C of the RMPP Cut-Off Date Rules will not be reduced by the Lower Earnings Deduction and such "Pensionable Pay" for a Part-time Member will be ascertained ignoring the penultimate paragraph of the definition of "Pensionable Pay" in Section C of the RMPP Cut-Off Date Rules).

(8) If the Member dies when that Member is in receipt of both his or her RMSPS NRA60 Pension and his or her RMSPS NRA65 Pension, unless sub-paragraph (9) below applies, the lump sum payable is the aggregate of—

- (a) if the Member dies within 5 years of his or her RMSPS NRA60 Pension coming into payment, an amount equal to the pension payments which would have been made during the remainder of the 5 year period if that Member had not died (but disregarding any future increases and the RMSPS Pension Supplement (if any)); and
- (b) if the Member dies within 5 years of his or her RMSPS NRA65 Pension coming into payment, an amount equal to the pension payments which would have been made during the remainder of the 5 year period if that Member had not died (but disregarding any future increases and the RMSPS Pension Supplement (if any)).

(9) If the Member is in receipt of both his or her RMSPS NRA60 Pension and his or her RMSPS NRA65 Pension by reason of having retired under 7(1) or (3)(a) (Early retirement through incapacity) and dies in the 5 years following his or her retirement under that Rule, the lump sum payable is the greater of—

- (a) the aggregate of—
  - (i) if the Member dies within 5 years of his or her RMSPS NRA60 Pension coming into payment, an amount equal to the pension payments which would have been made during the remainder of the 5 year period if that Member had not died (but disregarding any future increases and the RMSPS Pension Supplement (if any)); and
  - (ii) an amount equal to the pension payments in respect of RMSPS NRA65 Pension which would have been made during the remainder of the 5 year period if that Member had not died (but disregarding any future increases and the RMSPS Pension Supplement (if any)); or

- (b) 4 times the Member's RMSPS Final Pensionable Pay (but in determining RMSPS Final Pensionable Pay for this purpose, the Member's "Pensionable Pay" as defined in Section C of the RMPP Cut-Off Date Rules will not be reduced by the Lower Earnings Deduction and such "Pensionable Pay" for a Part-time Member will be ascertained ignoring the penultimate paragraph of the definition of "Pensionable Pay" in Section C of the RMPP Cut-Off Date Rules) less the aggregate of—

- (i) the total amount of pension (both RMSPS NRA60 Pension and RMSPS NRA65 Pension (including increases and any RMSPS Pension Supplement)) paid to the Member between the date such pension commenced and the date of his or her death; and
- (ii) the amount of the lump sum (if any) paid to the Member in accordance with Rule 8(1) (Choosing a lump sum benefit).

(10) Where a Member has transferred out either that Member's RMSPS NRA60 Pension or that Member's RMSPS NRA65 Pension in accordance with Clause 11 (Individual transfers out of the

Scheme), the provisions of this Rule 9 will apply only in respect of that tranche of benefit which is still retained in the RMSPS.

(11) Where a Member had at the end of the Cut-Off Date two or more periods of RMPP Reckonable Service (at least one of these being RMSPS Reckonable Service), such periods are to be treated in aggregate as a single period of RMSPS Reckonable Service for the purpose of the calculation of death benefits under this Rule 9.

### **Discretionary trusts**

**10.**—(1) The Secretary of State will pay the lump sum death benefit (together with any arrears of pension or lump sum benefits which may be payable under the Rules) to one or more of the Beneficiaries or apply it for their benefit in such proportions as he sees fit. He may at his discretion deduct the cost of funeral expenses from the lump sum death benefits and pay it to the person who incurred the funeral expenses. If he cannot do so within 2 years he will pay it to the Member's personal representatives, unless there is no will of the Member under which it will pass and the successor on the Member's intestacy is the Crown or the Duchy of Lancaster or Cornwall, in which case no benefit will be payable. Interest will only be added if the Secretary of State so determines and the limits in Part IX (Overriding Finance Act Provisions) of this Schedule are not exceeded.

(2) So long as no-one other than a Beneficiary can become entitled the Secretary of State may—

- (a) direct that all or part of the benefit will be held by himself or by trustees on such trusts (including discretionary trusts) and with such powers and provisions (including powers of selection and variation) as the Secretary of State sees fit; or
- (b) pay all or part of the benefit to the trustees of any other existing trust.

### **Pensions for spouses, children and dependants**

**11.** Rule 12 (Spouse's pension and dependants' pension), Rule 13 (Children's pensions) and Rule 15 (Orphans) set out general provisions concerning the provision of spouse's and children's pensions. Rule 14 (Spouse's and children's pensions) sets out specific provisions concerning what benefits are payable and in what circumstances depending on the status of the Member on the date that Member died.

### **Spouse's pension and dependants' pension**

**12.**—(1) If a Member dies after the Cut-Off Date, leaving a surviving spouse, the spouse will receive a pension until remarriage. The Secretary of State may at his discretion restore the pension if that marriage ends. A spouse will always receive any GMP that the RMSPS is required to provide for the spouse under the Contracting-out Laws. Additionally, the spouse's pension must be sufficient to satisfy the statutory standard referred to in Section 12A of the Pension Schemes Act 1993, as would have applied under the RMPP if the relevant Member had retained his or her benefits in the RMPP and had opted out of the RMPP under Rule 10E (Opting out of the Scheme) of Section C of the RMPP Rules at the end of the Cut-off Date, or such higher standard as is agreed between the Principal Employer and the Secretary of State.

(2) If the Member dies after the Cut-Off Date leaving no surviving spouse, the Secretary of State may pay a pension to one or more of the Member's Dependants. This pension may be calculated as a spouse's pension. However the Secretary of State may pay a pension of a smaller amount, and may reduce or stop any pension at any time as he sees fit.

### **Children's pensions**

**13.** If a Member dies after the Cut-Off Date leaving one or more Pensionable Children, a children's pension will be paid. The children's pension will be paid to one or more of the Pensionable

provided that for the first 91 days after the Member's death, the spouse's pension payable under (ii) above shall be at the same rate as the Member's RMSPS NRA65 Pension (excluding the RMSPS Pension Supplement (if any)) in payment at the date of his or her death; and

## Revaluation of preserved pensions

16.—(1) A Member’s benefit under the Section C Rules, or where appropriate a component of that benefit, will be increased as set out in this Rule 16 in accordance with the requirements of the Revaluation Laws as if—

- (a) they applied to the Scheme; and
- (b) such benefit or component of that benefit was a benefit to which section 83(1)(a) of the Pension Schemes Act 1993 applied and the Member had been in pensionable service under the RMSPS that had ended at the end of the Cut-Off Date,

subject to the modifications and additional provisions set out in this Rule.

(2) For the purposes of determining the increase to the Member’s benefit that is required by the Revaluation Laws (including the increases required under sub-paragraphs (3) to (7) below), any part of the benefit attributable to RMSPS Reckonable Service on or after 6 April 2009 will be increased by the “appropriate lower revaluation percentage”, but as if—

- (a) any reference to “2.5 per cent” in the definition of “lower maximum rate” instead read “5 per cent”; and
- (b) the “appropriate lower revaluation percentage” specified by the Secretary of State under the Revaluation Laws was determined on that basis,

where the terms appropriate lower revaluation percentage and lower maximum rate have the meanings given to them under the Revaluation Laws.

(3) The Member’s RMSPS benefit, or where appropriate a component of that benefit, will be revalued at the Deemed RMPP Exit Date—

- (a) under sub-paragraph (4) below where relevant;
- (b) where the Deemed RMPP Exit Date is not that Member’s Notional Payment Date, in accordance with sub-paragraph (5) and sub-paragraph (6) below, or sub-paragraph (7) below, as applicable;
- (c) in accordance with sub-paragraph (8) below, if required;
- (d) in accordance with sub-paragraph (9) below; and
- (e) in accordance with sub-paragraph (10) below or sub-paragraph (11) below, if required.

(4) Unless the Member’s Notional Payment Date precedes the Cut-Off Date (in which case there shall be no revaluation under this sub-paragraph), the Member’s benefit, or where appropriate a component of that benefit, will be revalued in respect of the period from the Cut-Off Date up to the earlier of—

- (a) the Deemed RMPP Exit Date; and
- (b) the date the relevant Member reaches his or her Normal Retiring Age in respect of that benefit or component of that benefit (the Notional Payment Date),

as if the “inflation percentage” referred to in paragraph 2(3)(a) of Schedule 3 to the Pension Schemes Act 1993 was the percentage increase (if any) in the Government index of retail prices during the period which was the reference period in relation to that revaluation period.

(5) Where the Member’s Notional Payment Date in respect of that Member’s benefit, or where appropriate a component of that benefit, falls before the Deemed RMPP Exit Date, the benefit or component of that benefit (as revalued under sub-paragraph (4) above) will be further increased—

- (a) by the application of any Notional In Payment Increases in respect of the period between the Notional Retirement Date and the Deemed RMPP Exit Date; and then
- (b) unless otherwise stated in sub-paragraph (6), by multiplying it by the Part Year Increase Factor.

(6) The Part Year Increase Factor (which may apply even if the benefit or component of that benefit would not otherwise have been increased by Paragraph (5)(a), but which equally may lead to no increase in the relevant benefit) will apply unless—

- (a) the benefit or component of the benefit is, or is a component of, the Member's RMSPS Final Salary Benefits; and
- (b) the Member's RMPP Final Pensionable Pay, by reference to which that component is calculated, is determined by reference to a Calculation Year (or a period of 3 consecutive tax years) which ended before that Member's Final Deemed Increase Date.

(7) Where—

- (a) the Member's Notional Payment Date in respect of the relevant benefit or component of that benefit falls after the Deemed RMPP Exit Date;
- (b) the payment of the Member's relevant benefit or component of that benefit does not commence on the Deemed RMPP Exit Date; and
- (c) the number of complete twelve-month periods between the Cut-Off Date and the Member's Notional Payment Date in respect of the benefit exceeds the sum of—
  - (i) the number of complete twelve-month periods between the Cut-Off Date and the Deemed RMPP Exit Date; plus
  - (ii) the number of complete twelve month periods between the Deemed RMPP Exit Date and the Member's Notional Payment Date in respect of the benefit or component of that benefit,

the Member's benefit or component of that benefit, as revalued under sub-paragraph (4) above, will be further increased by the Relevant Percentage at the Deemed RMPP Exit Date.

(8) The Member's RMSPS CSDB Benefits will then be further increased to the extent necessary (if at all) so that the overall percentage revaluation which has been applied to them by the end of the Deemed RMPP Exit Date is no less than the overall percentage revaluation which, by the end of that date, would have been applied under the RMSPS to the Pension Block accrued by the Member at the Renewal Date coincident with the Cut-Off Date, if the RMSPS Rules had required that the Pension Block be increased at each Renewal Date falling after the Cut-Off Date and before the Deemed RMPP Exit Date by the annual increase in the Government index of retail prices for all items for the 12 months to the preceding September subject to a minimum increase of 0% a year and a maximum increase of 5% a year.

(9) In respect of any period from the Member's RMPP Exit Date but before the RMSPS Retirement Date, the Member's benefit or component of that benefit will be increased in accordance with the requirements of the Revaluation Laws as if they applied to the Scheme and as if such benefit was a benefit to which section 83(1)(a) of the Pension Schemes Act 1993(27) applied and the Member had been in pensionable service under the RMSPS that had ended on that Member's RMPP Exit Date. For these purposes, any modifications set out in sub-paragraphs (3) to (8) above will not apply to the requirements of the Revaluation Laws, but the modifications set out in sub-paragraph (2) above will continue to apply.

(10) Where the Notional Payment Date in respect of that Member's benefit or component of that benefit falls on or after the Deemed RMPP Exit Date, the Member's benefit or component of that benefit will be increased at the Member's RMSPS Retirement Date by the Statutory Underpin Amount (if any) as though the Revaluation Period was of the same length as the number of complete years from the Cut-Off Date to the Member's RMSPS Retirement Date.

(11) Where the Notional Payment Date in respect of that Member's benefit or component of that benefit falls before the Deemed RMPP Exit Date (but after the Cut-Off Date), at the Deemed RMPP Exit Date the Member's benefit or component of that benefit will be increased by the Statutory

## **PART VI**

### **SECTION E RULES OF THE SCHEME**

#### **Application**

1. These Section E Rules shall only apply to Members who are Section E Actives, and they do not apply to Members who are Cut-Off Date Non-Actives or to any other Wholly Transferred Beneficiaries. References to Member in these Section E Rules shall be read accordingly.

#### **Interpretation**

2. Terms defined in the RMSPS Rules shall have the same meaning in these Rules.

#### **Definition**

3. The following term shall have the following meaning in these Rules—

“Former Section” means whichever of Section A or Section B of the contributory part of the RMPP to which the Member was subject immediately prior to joining Section E of the RMPP.

#### **Transfer of RMPP Reckonable Service**

4. All RMPP Reckonable Service built up in a Member’s Former Section in relation to that Member’s period of service immediately prior to the date of joining Section E of the RMPP (which was transferred to Section E of the RMPP in accordance with the provisions of Section E of the RMPP Rules applying to the Member upon the date of that Member joining Section E of the RMPP) was treated as if it were RMPP Reckonable Service in Section E of the RMPP and was continuous with RMPP Reckonable Service accrued after joining Section E of the RMPP. All such continuous RMPP Reckonable Service accrued under a Former Section and accrued after joining Section E of the RMPP, up to the end of the Cut-Off Date, will be counted as RMSPS Reckonable Service for the purposes of these Section E Rules. For avoidance of doubt, no Section E Active has any rights under Section A or Section B of the RMSPS in relation to RMPP Reckonable Service accrued under a Former Section (unless the RMPP Reckonable Service under a Former Section was not treated under the RMPP Rules as continuous with that Member’s RMPP Reckonable Service under Section E and hence does not form part of that Member’s RMSPS Reckonable Service; in such a case, the Member will be treated as a Wholly Transferred Beneficiary in relation to that prior RMPP Reckonable Service).

For the avoidance of doubt, the RMSPS benefits payable to a Section E Active who was formerly subject to the Rules of Section A of the contributory part of the RMPP shall be calculated in accordance with the provisions of the Section A Rules, but subject to any election made or deemed to be made under General Rule 7 (Application of Sections A and B – election for Section B benefits) to be treated as being subject to the Section B Rules, and the RMSPS benefits payable to a Section E Active who was formerly subject to the Rules of Section B of the contributory part of the RMPP shall be calculated in accordance with the provisions of the Section B Rules.

### **Application of General Rules to Section E Members**

## PART IX

### OVERRIDING FINANCE ACT PROVISIONS

1. The provisions of this Part IX override any other provisions of the RMSPS Rules with which they are inconsistent and apply to all Members of the RMSPS who are Cut-Off Date Actives provided that—

- (a) This Part IX shall not apply in relation to Section A Members (or those Section E Members who were Section A Members before joining Section E) and so shall not override the provisions of the Section A Rules (or, in the same manner, the Section E Rules).
- (b) This Part IX shall only apply in part to Section B Members (or those Section E Members who were Section B Members before joining Section E) and so shall not override the following provisions of the Section B Rules (or, in the same manner, the Section E Rules)  
—
  - (i) Rule 2 (Definitions and interpretation), definition of “RMSPS Pensionable Salary”;
  - (ii) Rule 13(1) (Provisions applicable to Rules 11 and 12), for the purpose of applying the “first 91 days”;
  - (iii) Rule 15 (Dependants’ pensions), payment of dependants’ pension equivalent to widow’s or widower’s pension under Rule 11 (Spouse’s pension) (and, where applicable, Rule 12 (Spouse’s pension for Relevant Members)); and
  - (iv) Rule 19 (Pensions increase).

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- (c) For the purpose of this Part IX all Section B Members or those Section E Members who were Section B Members before joining Section E will be treated as if they had joined the RMPP before 17 March 1987 unless they elect otherwise subject to their not having a break in Post Office service (or service with an Employer) other than any period of temporary loan.
2. The RMSPS will be administered as a Registered pension scheme in accordance with the Finance Act 2004.
3. Subject to Clause 15(6) (Prevention of discrimination on grounds of age), the Secretary of State shall only make payments from the RMSPS which are authorised payments (as that term is used for the purposes of the Finance Act 2004) except that—
- (a) if the Rules contain a provision which would require the Secretary of State to make a payment which would be an unauthorised payment, then the effect of Regulation 3 of the Registered Pension Schemes (Modification of the Rules of Existing Schemes) Regulations 2006 but without the limitation to the transitional period (as adopted in relation to the RMPP by clause 1(a) of the Interim Amending Deed for the RMPP dated 3 April 2006), applies to the RMSPS as if it were an “existing scheme” to which those regulations apply under Regulation 2 of those regulations, and the Secretary of State therefore has a discretion whether or not to make the payment, by virtue of that regulation; and
- (b) the Secretary of State may, if he thinks fit in any particular circumstance, make a payment from the Scheme notwithstanding that it is or may be an unauthorised payment. The Secretary of State will where reasonably practicable obtain the consent of the Member or beneficiary (where applicable) before making any such payment. No person will, however, have any entitlement to such a payment.
4. The Secretary of State may use reasonable endeavours to rearrange any benefit that would not be an authorised payment so that the benefit actually paid is an authorised payment.
5. Except as otherwise mentioned in this Part IX, the benefits, rights and options of or in respect of all Members and other persons will, as a restriction imposed by the RMSPS Rules, be subject to—
- (a) the same restrictions as applied to them immediately before 6 April 2006 (or would have applied had they then been entitled) by virtue of the previous provisions of the RMPP in force immediately before 6 April 2006; and
- (b) the restrictions which applied as requirements of the approval of the RMPP by HMRC under IR12 (2001) (IR12),

in each case as increased, indexed or revalued where appropriate in such manner and at such dates as the Secretary of State decides (Scheme Limits) and neither the amount nor the nature of any benefit will be increased or varied as a result of the said restrictions having ceased to apply to the RMPP on or after 6 April 2006 or not having applied directly to the RMSPS, except where specified in the RMSPS Rules or this Part IX.

6. The Secretary of State may decide to waive or modify all or any part of the Scheme Limits whether conditionally or otherwise in respect of some or all Members.

7. Except as specified in paragraph 7(h) below, the following provisions (which were applied under the RMPP Rules with effect on and from 6 April 2006) will apply so as to vary the Scheme Limits under the RMSPS—

- (a) When calculating the benefits of Members under the RMSPS, a Scheme-specific limit (the Scheme Earnings Cap) will apply. It applies to all Members (other than those who, as Members of the RMPP, were neither actually nor potentially subject to the permitted maximum immediately before 6 April 2006). The Scheme Earnings Cap is the “Scheme Earnings Cap” that applied under the RMPP as at the end of the Cut-Off Date, as set out in Schedule 13 (Overriding Finance Act provisions) of the RMPP Cut-Off Date Rules

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(the RMPP Scheme Earnings Cap). The RMPP Scheme Earnings Cap operated in the same manner as the permitted maximum (as that term was defined in Section 590C of the Income and Corporation Taxes Act 1988)<sup>(28)</sup> and was £108,600 for tax year 2006/07. For subsequent tax years the RMPP Scheme Earnings Cap was the amount for the previous tax year increased by—

- (i) the same percentage increase in the Index of Retail Prices for the 12 month period ending the previous September (rounded up to the nearest multiple of £600); or
  - (ii) such greater amount as the Principal Employer may at its absolute discretion from time to time have directed the RMPP Trustees.
- (b) The maximum limit on lump sum benefits contained in paragraph 8.5 of IR12 will not apply and Members may draw such an amount of lump sum benefits in accordance with the Rules as they determine up to the lesser of—
- (i) the maximum amount that would constitute a pension commencement lump sum under the Finance Act 2004; and
  - (ii) 25% of the standard lifetime allowance (as that term is used for the purposes of the Finance Act 2004).
- (c) Benefits referable to additional voluntary contributions paid by a Member to the RMPP will be capable of commutation in so far as the payment would be an authorised payment under the Finance Act 2004 and the restriction in paragraph 8.3 of IR12 shall not apply.
- (d) Additional voluntary contributions paid by a Member to the RMPP on a money purchase basis and transferred to the RMSPS under Clause 10 (Additional voluntary contributions transferred from the RMPP) will not be brought into account in applying the Scheme Limits.
- (e) The maximum limits on benefits on death in service contained in paragraph 11.2 of IR12 will not apply (although, in accordance with Paragraph (a) above, the Scheme Earnings Cap will continue to apply for the calculation of any lump sum death benefit under the RMSPS which is calculated by reference (however expressed) to a multiple of salary).
- (f) The restrictions in IR12 on the circumstances in which Members may take benefits whilst remaining in service will not apply to the RMSPS. Members may take benefits whilst remaining in service with an Employer in accordance with the provisions of the Rules.
- (g) The requirements contained in IR12 to take account of retained benefits (as that term is used in Appendix I of IR12) will not apply when calculating the Scheme Limits.
- (h) The requirements in IR12 providing that benefits were limited by reference to 40 years' service (or 40 years' service prior to normal retirement age and a further 5 years thereafter) shall not apply. For Members who were subject to this change under the RMPP, which was put into effect under the RMPP Rules on and from 1 December 2006, benefits under the RMPP were instead limited by reference to 45 years' RMPP Reckonable Service (in accordance with the provisions of the RMPP Rules), and this limit also applies under the relevant provisions of the RMSPS Rules in respect of such Members.

**8.** The Secretary of State may arrange the benefits under the RMSPS (in respect of one or a number of Members) so that those benefits constitute a single or multiple arrangements for the purposes of the Finance Act 2004.

**9.** If any Member or any other person entitled to a benefit under the RMSPS is within any of the transitional provisions and savings in Schedule 36 of the Finance Act 2004 then the Secretary of State may apply those provisions including (without limitation) exercising the power to surrender the relevant excess under paragraph 12(5) of that schedule but so that the Secretary of State will

not be liable for any loss or cost arising from failure to apply those provisions where they relate to primary or enhanced protection (as those terms are used for the purposes of the Finance Act 2004).

**10.** The Secretary of State may determine any matters of ambiguity or dispute arising out of this Part IX or the application of the Finance Act 2004 to the RMSPS.
