**2013 No. 1774**

**The Commons (Registration of Town or Village Greens)  
and Dedicated Highways (Landowner Statements  
and Declarations) (England) Regulations 2013**

**Removal of entries from the register**

7.—(1) The commons registration authority may remove an entry from the register, or any part of it, if that authority is satisfied that the map or statement in question contains a material error.

(2) Before removing an entry from the register, the commons registration authority must give not less than 28 days' notice of its intention to do so to the owner of the land to which the map or statement relates.
