

SCHEDULE 6

Exemptions for small pet animals

Animals to which this Schedule applies

1. This Schedule applies in relation to veterinary medicinal products intended solely for the following animals kept exclusively as a pet—

- (a) aquarium animals;
- (b) cage birds;
- (c) ferrets;
- (d) homing pigeons;
- (e) rabbits;
- (f) small rodents; and
- (g) terrarium animals.

Changes to legislation:

There are currently no known outstanding effects for the The Veterinary Medicines Regulations 2013, Paragraph 1.
