

## SCHEDULE 7

### Fees

## PART 3

### Fees payable by manufacturers

#### **Site inspections – type of site**

**32.** For the purposes of deciding the fee for a site inspection—

“super site” is a site at which 250 or more relevant persons are employed;

“major site” is a site at which 60 or more, but fewer than 250, relevant persons are employed;

“standard site” is a site at which 10 or more, but fewer than 60 relevant persons are employed;

“minor site” is a site at which fewer than 10 relevant persons are employed;

“relevant person” means a person employed on the premises and systems inspected.
