*(This note is not part of the Regulations)*

These Regulations make provision for the Treasury to make payments to qualifying Equitable Life annuitants.

Regulation 1 defines certain terms used in the Regulations, including “qualifying Equitable Life annuitant”.

Regulation 2 sets out the conditions under which a qualifying Equitable Life annuitant is entitled to a payment of £5000, or an equivalent amount in the currency of the country in which the qualifying Equitable Life annuitant is resident, and the circumstances in which the payment can be made to a qualifying Equitable Life annuitant’s personal representative.

Regulation 3 provides for a qualifying Equitable Life annuitant to be entitled to a further payment of £5000, or an equivalent amount in the currency of the country in which the qualifying Equitable Life annuitant is resident, if that person was in receipt of state pension credit on 1st November 2013.

Regulation 4 provides for procedural matters.
