

## SCHEDULE 6

### Restrictions on the sale of raw milk intended for direct human consumption

**2.—**(1) Any person, other than the occupier of a production holding or a distributor, who sells raw cows' milk intended for direct human consumption commits an offence.

(2) The occupier of a production holding who sells raw cows' milk intended for direct human consumption in contravention of paragraph 3 commits an offence.

(3) A distributor who sells raw cows' milk intended for direct human consumption in contravention of paragraph 4 commits an offence.
