

SCHEDULE 6

Restrictions on the sale of raw milk intended for direct human consumption

7. In any case where the Agency carries out sampling, analysis and examination of raw cows' milk in accordance with paragraph 6, there shall be due to the Agency from the occupier of the production holding who is selling the milk a fee of £63, which is payable by the occupier to the Agency on demand.

Changes to legislation:

There are currently no known outstanding effects for the The Food Safety and Hygiene (England) Regulations 2013, Paragraph 7.
