2013 No. 3113

The Waste Electrical and Electronic
Equipment Regulations 2013

PART 6

MISCELLANEOUS

Financing obligation: Collection of WEEE from users other than private households

47.—(1) Where WEEE from a user other than a private household arises from EEE placed on the market in the United Kingdom before 13th August 2005 and regulation 12(1)(b) does not apply, the final user of that WEEE will finance the costs of its collection, treatment, recovery and environmentally sound disposal.

(2) Nothing will prevent a user other than a private household from concluding an agreement with a third party whereby the parties to the agreement make alternative arrangements between themselves to finance the costs of collection, treatment, recovery and environmentally sound disposal of WEEE.

(3) In respect of any WEEE which he is responsible for financing the costs of under paragraph (1), a user other than a private household [^{F1}must] ensure that such WEEE is—

- (a) treated at an ATF, or
- (b) exported by an approved exporter for treatment outside the United Kingdom.

(4) Paragraph (3) does not apply to WEEE reused as a whole appliance.

Notification of an intention to retain WEEE falling within certain WEEE streams

53.—[^{F6}(1) Where the operator of a designated collection facility is a local authority, that operator may retain WEEE in any compliance period, which—

- (a) falls within one of the six WEEE collection streams; and
- (b) has been deposited for collection at a designated collection facility that he operates]

provided that the operator of the facility has notified the Secretary of State of their intention to retain that WEEE.

(2) A notification submitted to the Secretary of State under paragraph (1), [^{F7}must]—

- (a) be made in writing;
- (b) be submitted to the Secretary of State by 31st January in the compliance period during which the operator intends to retain WEEE;
- (c) be valid only during the compliance period specified in paragraph (b);
- [^{F8}(d) provide data relating to the tonnage of WEEE deposited at the designated collection facility in the compliance period before the compliance period during which the operator intends to retain WEEE in relation to each of the six WEEE collection streams that the operator intends to retain; and]
- [^{F9}(e) confirm that any WEEE retained by the operator of a designated collection facility in accordance with paragraph (1) must be—
 - (i) prepared for re-use; or
 - (ii) treated at an AATF.]

(3) The Secretary of State [^{F7}must] acknowledge receipt of any notification submitted under paragraph (2) by 28th February in the compliance period during which the operator intends to retain WEEE falling within a particular WEEE stream.
