**2013 No. 3113**

The Waste Electrical and Electronic  
Equipment Regulations 2013

PART 3

PRODUCER OBLIGATIONS

**Producers supplying EEE by means of distance communication**

**13.** A producer who is established in the United Kingdom and who places EEE onto the market in any Member State other than the United Kingdom by means of distance communication will comply with their obligations under the Directive in that Member State.
