

SCHEDULE 1

Authorised project

PART 3

Requirements

Landfill site

- 21.**—(1) No relevant stage of the connection works shall commence until—
- (a) a scheme for the site investigation and risk assessment at the former landfill site at Brooklands Pleasure Park, the location of which is identified on figure 22.4 in the environmental statement, is submitted to and approved by West Sussex County Council in consultation with the Environment Agency and Worthing Borough Council; and
 - (b) a landfill management plan to address potential risks identified by the approved scheme in (a) above is submitted to and approved by West Sussex County Council in consultation with the Environment Agency and Worthing Borough Council.
- (2) The approved landfill management plan shall thereafter be fully implemented and adhered to throughout the period of the construction of the connection works.
