

SCHEDULE 1

Authorised project

PART 3

Requirements

Construction traffic management plan

31.—(1) No stage of the connection works shall commence until a construction traffic management plan (which accords with the outline construction traffic management plan) has been submitted to and approved by West Sussex County Council in consultation with the Secretary of State for Transport.

(2) The construction traffic management plan shall accord with the principles set out in the environmental statement and shall include proposals for—

- (a) construction vehicle routing;
- (b) site accesses;
- (c) the management of junctions to and crossings of the public highway and other public rights of way;
- (d) the scheduling and timing of movements, in particular the details of abnormal load movements;
- (e) temporary warning signs;
- (f) a workforce travel plan; and
- (g) access routes along the highway network to construction compounds and construction laydown areas.

(3) The construction traffic management plan shall be implemented as approved.

(4) The access marked AC6 on the access to works plan at Lambley's Lane/A27 trunk road shall not be brought into use as a construction access for the authorised development until the undertaker has demonstrated to the reasonable satisfaction of the Secretary of State for Transport that the access and the junction with the A27 trunk road can be used or altered in a way that maintains the safety and operation of the A27 trunk road.
