## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations specify the matters which the Secretary of State must take into account in deciding whether to approve, or withdraw approval from, a body under section 106 of the Education and Skills Act 2008 and to appoint, or terminate the appointment of a person under section 87A of the Children Act 1989.

Section 106 of the Education and Skills Act 2008 enables the Secretary of State to approve, or withdraw approval from, a body to carry out inspections of independent educational institutions. Section 87A of the Children Act 1989 allows the Secretary of State to appoint, or terminate the appointment of a person to inspect whether the welfare of children provided with accommodation by schools or colleges is adequately safeguarded and promoted.
