PART 12

Appeals and determinations

CHAPTER 1

Determinations and role of IQMP

Determinations by the scheme manager

151. The scheme manager must determine whether a person is entitled to an award or to retain an award.

Role of IQMP in determinations by the scheme manager

152.—(1) In making a determination as to whether a person is entitled to an award, or to retain an award, where the determination as to entitlement depends in part on the ill-health or capacity of the person who would be so entitled, the scheme manager must obtain the written opinion of the IQMP on any issue which is wholly or partly of a medical nature.

(2) The scheme manager must request an IQMP to provide an opinion on the following issues for the purpose of determining any question arising under this scheme—

- (a) whether a person is incapable of performing any duties of the role in which that person was last employed because of incapacity of mind or body;
- (b) whether the incapacity in sub-paragraph (a) above is likely to continue until normal pension age or deferred pension age, as the case may be;
- (c) whether a person has become capable of performing any duties of the role from which that person retired on grounds of ill-health;
- (d) whether a person is or has become capable of undertaking regular employment; or
- (e) any other issue wholly or partly of a medical nature.

(3) Subject to paragraph (6), the IQMP must certify under paragraph (2) that—

- (a) the IQMP has not previously advised, or given an opinion on, or otherwise been involved in, the particular case for which the opinion has been requested; and
- (b) the IQMP is not acting, and has not at any time acted, as the representative of the member, the scheme manager, or any other party in relation to the same case.

(4) An IQMP's opinion under paragraph (2) is binding on the scheme manager unless it is superseded by the IQMP's response under regulation 153(2) (review of medical opinion) or the outcome of an appeal under regulation 154 (appeals against determinations based on medical evidence).

(5) The IQMP's response under regulation 153 (review of medical opinion) or the outcome of an appeal under regulation 154 (appeals against determinations based on medical evidence), as the case may be, is binding on the scheme manager.

(6) Where, in consequence of an opinion given under paragraph (2), a member has retired on the grounds of ill-health, the IQMP who gave the opinion may, if so requested by the scheme manager for the purposes of a review under regulation 68(1) (review of ill-health award or early payment of retirement pension), give a further opinion.

(7) If—

(a) a person wilfully or negligently fails to submit to medical examination by the IQMP selected by the scheme manager; and

(b) the IQMP is unable to give an opinion on the basis of the medical evidence available, the scheme manager may make a determination on the issue on such other medical evidence as the scheme manager thinks fit, or without medical evidence.

(8) Within 14 days of making a determination under these Regulations, the scheme manager must—

(a) give written notice of it to the person concerned; and

(b) in the case of a determination on an issue wholly or partly of a medical nature, unless paragraph (7) applies, supply that person with a copy of the opinion obtained under paragraph (2).

Review of medical opinion

153.—(1) Where—

(a) new evidence on an issue wholly or partly of a medical nature is presented to the scheme manager by a member (P) in respect of whom a determination has been made under these Regulations;

(b) the scheme manager receives that evidence—

(i) where a copy of an opinion was supplied in accordance with paragraph (8) of regulation 152 (role of IQMP in determinations by the scheme manager), within 28 days of the receipt by P of that copy, and

(ii) in any other case, within 28 days of the receipt by P of notice of the scheme manager's determination; and

(c) the scheme manager and P agree that the IQMP should be given the opportunity of reviewing that opinion in the light of the new evidence,

the scheme manager must send a copy of the new evidence to the IQMP and invite the IQMP to reconsider that opinion.

(2) An IQMP's response to an invitation under paragraph (1) must be in writing.

(3) An IQMP's response under paragraph (2) is binding on the scheme manager unless it is superseded by the outcome of an appeal under regulation 154 (appeals against determinations based on medical evidence).

(4) As soon as reasonably practicable after receiving a response under paragraph (2), the scheme manager must reconsider its determination.

(5) Within 14 days of that reconsideration, the scheme manager must—

(a) give written notice to P that it has confirmed its determination or revised its determination (as the case may be);

- (b) if it has revised its determination, supply P with written notice of the revised determination; and
- (c) supply P with a copy of the response under paragraph (2).

CHAPTER 2

Appeals to Board of Medical Referees

Appeals against determinations based on medical evidence

154.—(1) A member (P) who wishes to appeal against a scheme manager’s determination on an issue of a medical nature may do so to a board of medical referees in accordance with the provisions of regulations 155 (notice of appeal) to 162 (notices etc).

(2) Subject to paragraph (3), where a determination—

- (a) is made with regard to an opinion obtained under regulation 152(2) (role of IQMP in determinations by the scheme manager) or medical evidence relied on as mentioned in regulation 152(7); or
- (b) is reconsidered under regulation 153(4) (review of medical opinion) with regard to a response under paragraph (2) of that regulation,

the scheme manager must, within 14 days of making, confirming or revising the determination (as the case may be), send to P the documents mentioned in paragraph (4).

(3) Nothing in paragraph (2) requires the supply of documents that have already been supplied under regulation 152(8) (role of IQMP in determinations by the scheme manager) or 153(5) (review of medical opinion).

(4) The documents are—

- (a) a copy of the opinion, response or evidence (as the case may be);
- (b) an explanation of the procedure for appeals under this rule; and
- (c) a statement that, if P wishes to appeal against the scheme manager’s determination on an issue of a medical nature, P must give written notice to the scheme manager, stating P’s name and address and the grounds of appeal, not later than 28 days after P receives the last of the documents required to be supplied under this paragraph, or within such longer period as the scheme manager may allow.

Notice of appeal

155.—(1) Subject to paragraph (2), written notice of appeal against a determination on an issue of a medical nature stating—

- (a) the appellant (P)’s name and address; and
- (b) the grounds of the appeal,

must be given to the scheme manager within 28 days of the date on which P receives the documents referred to in regulation 154(4) (appeals against determinations based on medical evidence); and where P receives those documents on different dates, they are to be treated for this purpose as received on the later or latest of those dates.

(2) Where—

- (a) notice of appeal is not given within the period specified in paragraph (1); but
- (b) the scheme manager is of the opinion that P’s failure to give it within that period was not due to P’s own default,

the scheme manager may extend the period for giving notice for such length, not exceeding six months from the date mentioned in paragraph (1), as the scheme manager considers appropriate.

Reference of appeal to the board

156.—(1) On receiving a notice of appeal, the scheme manager must supply the Secretary of State with three copies of—

- (a) the notice of appeal;
- (b) the notice of the relevant determination;
- (c) the opinion, response or evidence (as the case may be) supplied to the appellant (P); and
- (d) every other document in its possession or under its control which appears to it to be relevant to the issue that is the subject of the appeal.

(2) The Secretary of State must refer an appeal to a board of medical referees (“the board”).

(3) The board is to consist of not less than three medical practitioners appointed by, or in accordance with arrangements made by, the Secretary of State.

(4) One member of the board must be a specialist in a medical condition relevant to the appeal.

(5) One member of the board must be appointed as chairman.

(6) Where there is an equality of votes among the members of the board, the chairman is to have a second or casting vote.

(7) As soon as reasonably practicable after referring an appeal to the board, the Secretary of State must supply the board’s administrator with three copies of every document supplied under paragraph (1).

(8) The board must arrange for one of their number to review those documents (‘the reviewing member’).

(9) As soon as reasonably practicable after concluding the review, the reviewing member must give written notice to the Secretary of State—

- (a) of any other information which the reviewing member considers would be desirable so as to provide the board with sufficient information for the purpose of enabling the board to determine the appeal; and
- (b) if it is the case, that it is the reviewing member’s opinion that the board may regard the appeal as frivolous, vexatious or manifestly ill-founded.

(10) On receipt of the reviewing member’s notice the Secretary of State must—

- (a) where the reviewing member has notified the Secretary of State of the desirability of obtaining other information, require the scheme manager to use its best endeavours to obtain that information; and
- (b) where the notice contains an opinion of the description mentioned in paragraph (9)(b), send a copy of it to the scheme manager.

(11) A scheme manager which receives a copy of a reviewing member’s opinion must, as soon as reasonably practicable—

- (a) send a copy of it to P; and
- (b) by written notice to P—
 - (i) advise P that, if P’s appeal is unsuccessful, P may be required to pay the scheme manager’s costs, and
 - (ii) require P to notify it within 14 days of the date of the notice, whether P intends to pursue or withdraw the appeal.

(12) A scheme manager which notifies P under paragraph (11)(b) must inform the Secretary of State of P's response to its request under sub-paragraph (b)(ii); and the Secretary of State must notify the board accordingly.

Procedure where appeal to be pursued

157.—(1) Where an appeal is to be pursued, the board must secure that the appellant (P) and the scheme manager (“the parties”) have been informed—

- (a) that the appeal is to be determined by the board; and
- (b) of an address to which communications relating to the appeal may be delivered to the board.

(2) Subject to paragraph (5), the board—

- (a) must interview and medically examine P at least once; and
- (b) may interview or medically examine P or cause P to be interviewed or medically examined on such further occasions as the board thinks necessary for the purpose of determining the appeal.

(3) The board must appoint, and give the parties not less than two months' notice of, the time and place for every interview and medical examination; and if the board is satisfied that P is unable to travel, the place must be P's place of residence.

(4) P must attend at the time and place appointed for any interview and medical examination by the board or any member of the board or any person appointed by the board for that purpose.

(5) If—

- (a) P fails to comply with paragraph (4); and
- (b) the board is not satisfied that there was a reasonable cause for the failure,

the board may dispense with the interview and medical examination, and may determine the appeal on such information as is then available.

(6) Any interview under this regulation may be attended by persons appointed for the purpose by the scheme manager or by P or by each of them.

(7) Where either party intends to submit written evidence or a written statement at an interview held under paragraph (2), the party must, subject to paragraph (8), submit the evidence or statement to the board and to the other party not less than 28 days before the date appointed for the interview.

(8) Where any written evidence or statement has been submitted under paragraph (7) less than 28 days before the date appointed for the interview, any written evidence or statement in response may be submitted by the other party to the board and the party submitting the first-mentioned evidence or statement at any time up to, and including, that date.

(9) Where any written evidence or statement is submitted in contravention of paragraph (7), the board may postpone the date appointed for the interview and require the party who submitted the evidence or statement to pay such reasonable costs of the board and of the other party as arise from the postponement.

The board's report

158.—(1) The board must supply the Secretary of State with—

- (a) a written report of its decision on the relevant medical issues; and
- (b) if the board is of the opinion that the appeal was frivolous, vexatious or manifestly ill-founded, a statement to that effect (which may form part of the report).

(2) The Secretary of State must supply the parties with a copy of the report and of any separate statement under paragraph (1)(b).

Reconsideration by the board

159.—(1) Where the parties have received a copy of the report supplied under regulation 158 (the board’s report) and—

- (a) the parties agree that the board has made an error of fact which materially affects the board’s decision;
- (b) the scheme manager must within 28 days of receipt of the report, supply the Secretary of State with two copies of a statement agreed between the parties setting out—
 - (i) the error of fact,
 - (ii) the correct fact, andinvite the board to reconsider its decision.

(2) The Secretary of State must within 14 days of receipt of the statement supply a copy of it to the board.

(3) As soon as reasonably practicable after receiving the statement, the board must reconsider its decision.

(4) Within 14 days of that reconsideration the board must—

- (a) give written notice to the Secretary of State that it has confirmed its decision, or revised its decision (as the case may be); and
- (b) if it has revised its decision, supply the Secretary of State with a written report of its revised decision.

(5) The Secretary of State must supply to the appellant and the scheme manager a copy of the written notice confirming the board’s decision, or a copy of the written report of the board’s revised decision (as the case may be).

Fees and allowances payable to the board

160.—(1) There must be paid to the board and the reviewing member—

- (a) such fees and allowances (including those payable to the reviewing member for work undertaken on the review of documents under regulation 156(8) (reference of appeal to the board)) as are determined in accordance with arrangements made by the Secretary of State; or
- (b) where no such arrangements have been made, such fees and allowances as the Secretary of State may from time to time determine.

(2) The fees and allowances payable under paragraph (1) must—

- (a) be paid by the scheme manager; and
- (b) be treated for the purposes of regulation 161 (expenses of each party) as part of the scheme manager’s expenses.

Expenses of each party

161.—(1) Subject to regulation 157(9) (procedure where appeal to be pursued) and paragraphs (2) to (5) below, the expenses of each party to the appeal must be borne by that party.

(2) Where the board—

- (a) determines an appeal in favour of the scheme manager; and

(b) states that, in its opinion, the appeal was frivolous, vexatious or manifestly ill-founded, the scheme manager may require the appellant (P) to pay it such sum, not exceeding the total amount of the fees and allowances payable to the board under regulation 160(1)(fees and allowances payable to the board), as the scheme manager considers appropriate.

(3) Where—

(a) P gives notice to the board—

(i) withdrawing the appeal,

(ii) requesting cancellation of, postponement of, or adjournment of the date appointed for an interview or medical examination under regulation 157(3) (procedure where appeal to be pursued), and

the notice is given less than 22 working days before the date appointed under regulation 157(3); or

(b) P's acts or omissions cause the board to cancel, postpone or otherwise adjourn the date appointed under regulation 157(3) less than 22 working days before the date appointed,

the scheme manager may require P to pay it such sum, not exceeding the total amount of the fees and allowances payable to the board under regulation 160(1) (fees and allowances payable to the board), as the scheme manager considers appropriate.

(4) Where the board—

(a) determines an appeal in favour of P; and

(b) does not otherwise direct,

the scheme manager must refund to P the amount specified in paragraph (5).

(5) The amount is the total of—

(a) any personal expenses actually and reasonably incurred by P in respect of any interview under regulation 157(2) (procedure where appeal to be pursued); and

(b) if any such interview was attended by a qualified medical practitioner appointed by P, any fees and expenses reasonably paid by P in respect of such attendance.

(6) For the purposes of paragraphs (2) and (4) any question arising as to whether the board's determination is in favour of the scheme manager or of P is to be decided by the board or, in default, by the Secretary of State.

Notices etc

162. Any notice, information or document which an appellant (P) is entitled to receive for any purpose of regulations 154 (appeals against determinations based on medical evidence) to 161 (expenses of each party) is, unless the contrary is proved, to be treated as having been received by P if it was posted in a letter addressed to P at P's last known place of residence.
