**24.—(1)** The standard in this paragraph is met if the proprietor ensures that suitable accommodation is provided in order to cater for the medical and therapy needs of pupils, including—

- (a) accommodation for the medical examination and treatment of pupils;
- (b) accommodation for the short term care of sick and injured pupils, which includes a washing facility and is near to a toilet facility; and
- (c) where a school caters for pupils with complex needs, additional medical accommodation which caters for those needs.

(2) The accommodation provided under sub-paragraphs (1)(a) and (b) may be used for other purposes (apart from teaching) provided it is always readily available to be used for the purposes set out in sub-paragraphs (1)(a) and (b).

(3) For the purposes of sub-paragraph (1)(c), a pupil has “complex needs” if the pupil has profound and multiple learning difficulties in addition to other significant difficulties, such as a physical disability or sensory impairment, which require provision which is additional to or different from that generally required by children of the same age in schools other than special schools or by children with special requirements.
