**2014 No. 3318**

The Clean Air (Miscellaneous Provisions) (England) Regulations 2014

PART 4

Information about air pollution

**Section 36 notices concerning emissions from chimneys and other outlets**

**5.** A section 36 notice may relate to the emission of pollutants and other substances from any chimney, flue or other outlet used for the discharge, from any premises to the atmosphere, of any emission of any of the following kinds—

- (a) sulphur dioxide or particulate matter derived from any combustion process where the material being heated does not contribute to the emission;
- (b) any gas or particulate matter derived from any combustion process where the material being heated contributes to the emission;
- (c) any gas or particulate matter derived from any non-combustion process or other similar industrial activity.

**Changes to legislation:**

There are currently no known outstanding effects for the The Clean Air (Miscellaneous Provisions) (England) Regulations 2014, Section 5.
