The Pyrotechnic Articles (Safety) Regulations 2015

PART 2

Obligations of economic operators

Chapter 3

Manufacturers and importers

Provision of information and cooperation

23.—(1) A manufacturer or importer must, further to a reasoned request from an enforcing authority and within such period as the enforcing authority may specify, provide the authority with the information and documentation necessary to demonstrate that the pyrotechnic article is in conformity with Part 2—

- (a) in paper or electronic form; and
- (b) in a language which can be easily understood by the enforcing authority.

(2) A manufacturer or importer must, at the request of the enforcing authority, cooperate with the authority on any action taken to—

- (a) evaluate a pyrotechnic article in accordance with regulation 56 (evaluation of pyrotechnic articles presenting a risk); or
- (b) eliminate the risks posed by a pyrotechnic article which the manufacturer or importer has placed on the market.
