The Fluorinated Greenhouse Gases Regulations 2015

PART 3

Certification, evaluation and attestation

Obligations on certification bodies, attestation bodies and evaluation bodies to provide information

19.—(1) When requested to do so by any person, a certification body must, within 14 days of the request being made, provide details of any certificate issued by it pursuant to—

- (a) Commission Regulation 303/2008;
- (b) Commission Regulation 304/2008;
- (c) Commission Regulation 305/2008; or
- (d) Commission Regulation 306/2008.

(2) When requested to do so by any person, an attestation body must, within 14 days of the request being made, provide details of an attestation issued by it pursuant to Commission Regulation 307/2008.

(3) In this regulation, “details”, in relation to a certificate or attestation, includes—

- (a) the name of the person to whom the certificate or attestation was issued;
- (b) the date on which the certificate or attestation was issued; and
- (c) in the case of an individual, the examination or training to which the certificate or attestation relates.

(4) When requested to do so by the Secretary of State, a relevant body must provide as soon as reasonably practicable to the Secretary of State such information as the Secretary of State may require to ensure that the obligations of the United Kingdom imposed by the first sentence of Article 10(10) of the 2014 Regulation (training and certification) and by Commission Regulation 308/2008 are complied with.

(5) In paragraph (4), “relevant body” means a certification body, an attestation body or an evaluation body referred to in, or appointed under, these Regulations.
