Contents of an enforcement undertaking

- 2.—(1) An enforcement undertaking must specify—

 - (b) action to secure that the position is, so far as possible, restored to what it would have been if the offence had not been committed;
 - (c) action (including the payment of a sum of money) to benefit any person affected by the offence; or

- (2) It must specify the period within which the action must be completed.
- (3) It must include—
- (a) a statement that the undertaking is made in accordance with this Schedule;
 - (b) the terms of the undertaking;

- (4) The enforcement undertaking may be varied, or the period within which the action must be completed may be extended, if both parties agree in writing.

Acceptance of an enforcement undertaking

3. If the Agency has accepted an enforcement undertaking then, unless the person from whom the undertaking is accepted has failed to comply with the undertaking or any part of it, that person may not at any time be convicted of the offence in respect of the act or omission to which the undertaking relates.

General provisions on enforcement undertakings

Inaccurate, incomplete or misleading information

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Environmental Permitting (England and Wales) Regulations 2010 (S.I. 2010/675) in relation to England. They provide for the Environment Agency to accept an enforcement undertaking in respect of an offence under regulation 38(1), (2), (4)(a), (5)(a) or (6) of those Regulations, committed in relation to a regulated or exempt facility in England. An enforcement undertaking is an undertaking from a person whom the Environment Agency suspects of having committed an offence to take certain action within a specified period (for

example action to secure that the offence does not continue or recur). A person from whom an enforcement undertaking is accepted may not be convicted of the offence to which it relates unless that person fails to comply with the undertaking.
