**2015 No. 398**

**The Offshore Installations (Offshore Safety Directive) (Safety Case etc.) Regulations 2015**

**Other provisions as to well examination schemes**

**12.**—(1) A well examination scheme must provide for the matters contained in Part 2 of Schedule 4.

(2) The well operator must—

- (a) ensure that, where tasks under a well examination scheme are allocated by the well examiner to personnel of the well examiner, they are appropriately allocated to personnel qualified to undertake them;
- (b) make suitable arrangements for the communication of information between the well operator and the well examiner; and
- (c) give the well examiner suitable authority to carry out the functions under the well examination scheme effectively.

(3) The well operator must ensure that the well examination scheme is reviewed and revised as often as may be appropriate.

(4) The well operator must ensure that the well examination scheme is put into effect from the time it is established and that effect continues to be given to the scheme, or any revision of the scheme, until the well is abandoned.
