**2015 No. 430**

**The Ship Recycling Facilities Regulations 2015**

**Authorisation of ship recycling facilities**

4.—(1) The Agency's functions in relation to a permit for a ship recycling facility include ensuring compliance with Articles 13 [<sup>F1</sup> to 15] of the EU Ship Recycling Regulation, but the Agency must only exercise any such functions relating to health and safety with the consent of the Executive.

(2) A condition relating to health and safety to ensure compliance with Articles 13 [<sup>F2</sup> to 15] of the EU Ship Recycling Regulation may be imposed by a permit for a ship recycling facility.

(3) A power to serve a suspension notice in relation to a permit for a ship recycling facility includes the power to serve a notice where the competent authority considers that the operation of the facility involves a serious risk to health and safety.
