- (2) In particular, the standard in paragraph (1) requires the registered person to ensure—

  - (e) that the child's placing authority is contacted, and a review of that child's relevant plans is requested, if—
    - (i) the registered person considers that the child is at risk of harm or has concerns that the care provided for the child is inadequate to meet the child's needs;
    - (ii) the child is, or has been, persistently absent from the home without permission; or
