- (a) three months, or
 - (b) in the event of a declaration by the Prudential Regulation Committee of the Bank of England under paragraph (2) and considering all relevant factors including the average duration of the technical provisions, seven years.
- (2) The Prudential Regulation Committee of the Bank of England must declare the existence of exceptional adverse situations in the conditions set out in paragraph (3).
- (3) Exceptional adverse situations exist where the financial situation of insurance or reinsurance undertakings representing a significant share of the market or of the affected lines of business are seriously or adversely affected by one or more of the following conditions—
- (a) a fall in financial markets which is unforeseen, sharp and steep;
 - (b) a persistent low interest rate environment;
 - (c) a high-impact catastrophic event.
- (4) The Prudential Regulation Committee of the Bank of England must assess on a regular basis whether the conditions referred to in paragraph (3) still apply.
- (5) The Prudential Regulation Committee of the Bank of England must declare when an exceptional adverse situation has ceased to exist.
- (6) An extension granted under paragraph (1)(b) must be withdrawn where the insurance undertaking or reinsurance undertaking submits to the PRA a progress report that shows that there was no significant progress in achieving the re-establishment of the level of eligible own funds covering the solvency capital requirement or the reduction of the risk profile to ensure compliance with the solvency capital requirement between the date of the observation of non-compliance of the solvency capital requirement and the date of the submission of the progress report.]

[^{F8}Duty to publish technical information

4B.—(1) For the relevant quarter and every quarter thereafter, by the 8th working day of the month that follows the end of the quarter, the PRA must publish on its website the following information for each relevant currency—

- (a) the relevant risk-free interest rate term structure used to calculate the best estimate, without any matching adjustment or volatility adjustment,
- (b) for each relevant duration, credit quality and asset class, a fundamental spread for the calculation of the matching adjustment to the relevant risk-free interest rate term structure used to calculate the best estimate for a portfolio of life insurance or reinsurance obligations, and
- (c) for each relevant national insurance market, a volatility adjustment to the relevant risk-free interest rate term structure used to calculate the best estimate.

(1A) For the purposes of paragraph (1), the “relevant quarter” is the first quarter which ends after this regulation comes into force.

(2) Paragraph 17(9)(b) of Schedule 6A to the Bank of England Act 1998 does not prohibit the making of a rule that imposes an obligation on PRA-authorised persons by reference to information published by the PRA under this regulation.

(3) The volatility adjustment referred to in paragraph (1) must, for each relevant currency—

- (a) be based on the spread between the interest rate that could be earned from the assets included in the reference portfolio for that currency and the rates of the relevant basic risk-free interest rate term structure for that currency, and
 - (b) correspond to 65% of the risk-corrected currency spread.
- (4) The reference portfolio for a currency is one that is representative of the assets which are denominated in that currency and which insurance and reinsurance undertakings are invested in to cover the best estimate for insurance and reinsurance obligations denominated in that currency.
- (5) The risk-corrected currency spread must be calculated as the difference between the spread referred to in paragraph (3)(a) and the portion of the spread that is attributable to a realistic assessment of expected losses or unexpected credit or other risk of the assets.
- (6) For each relevant country, the volatility adjustment to the risk-free interest rates referred to in paragraph 3(b) for the currency of that country must, before application of the 65% factor, be increased by the difference between the risk-corrected country spread and twice the risk-corrected currency spread, whenever that difference is positive and the risk-corrected country spread is higher than 85 basis points.
- (7) For the purposes of paragraph (6), the risk-corrected country spread must be—
- (a) calculated in the same way as the risk-corrected currency spread for the currency of that country, but based on a reference portfolio that is representative for the assets which insurance and reinsurance undertakings are invested in, to cover the best estimate for insurance and reinsurance obligations of products sold in the insurance market of that country, and
 - (b) denominated in the currency of that country.]

[^{F9}**Powers in relation to Gibraltar undertakings**

4C.—(1) If this regulation applies, the PRA may impose any requirement in relation to a Gibraltarian insurance undertaking or a Gibraltarian reinsurance undertaking (the Gibraltarian undertaking) which it could impose if—

- (a) the undertaking's permission was a Part 4A permission (as defined by section 55A(5) of FSMA); and
 - (b) the PRA was entitled to exercise its power under section 55M(3) of FSMA.
- (2) This regulation applies if—
- (a) the Gibraltarian undertaking is contravening, or is at material risk of contravening, in respect of its activities in the United Kingdom, any requirement applying to that undertaking in or under these Regulations, the Solvency 2 Regulation, or UK law which implemented the Solvency 2 directive (“a relevant requirement”);
 - (b) the undertaking has, in purported compliance with any relevant requirement imposed on it, knowingly or recklessly given the PRA information which is false or misleading in a material particular; or
 - (c) subject to paragraph (3), it is desirable to impose the requirement in order to advance any of the PRA's objectives.

Changes to legislation: The Solvency 2 Regulations 2015 is up to date with all changes known to be in force on or before 28 September 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

(3) The PRA may not impose a requirement in reliance on paragraph (2)(c) if doing so would, before IP completion day, have been considered to constitute financial supervision of the undertaking unless the conditions in paragraph (4) are satisfied.

(4) The conditions in this paragraph are satisfied if—

- (a) the requirement to be imposed is necessary and appropriate to protect against the risk of disruption to the continuity of financial services that could, in the opinion of the PRA, threaten financial stability in the United Kingdom;
- (b) the FSC has not, in the opinion of the PRA, taken measures to ensure the contravention or risk of contravention is remedied; and
- (c) no reorganisation measures have been commenced by the FSC or other authorities in Gibraltar in relation to the undertaking.

(5) For the purposes of this regulation, “reorganisation measures” means any measures by the FSC or other Gibraltar authorities which are intended to preserve or restore the financial situation of the Gibraltar insurance or reinsurance undertaking concerned (“the relevant undertaking”) and which affect pre-existing rights of parties other than the relevant undertaking itself, including but not limited to measures involving the possibility of a suspension of payments, suspension or enforcement measures or reduction of claims.

(6) Nothing in this regulation affects the powers of the FSC or any other Gibraltar authority.

Procedure on the exercise of powers under regulation 4C

4D.—(1) A requirement takes effect—

- (a) immediately, if the notice given under paragraph (3) states that that is the case;
- (b) on such date as may be specified in the notice; or
- (c) if no date is specified in the notice, when the matter to which it relates is no longer open to review.

(2) A requirement may be expressed to take effect immediately (or on a specified date) only if the PRA, having regard to the ground on which it is exercising the power under regulation 4C, considers that it is necessary for the requirement to take effect immediately (or on that date).

(3) If the PRA proposes to impose a requirement under regulation 4C on a Gibraltar insurance or reinsurance undertaking, or imposes such a requirement with immediate effect, it must give the undertaking written notice.

(4) The notice must—

- (a) give details of the requirement;
- (b) inform the undertaking of when the requirement takes effect;
- (c) state the PRA's reasons for imposing the requirement and for its determination as to when the requirement takes effect;
- (d) inform the undertaking that it may make representations to the PRA within such period as may be specified in the notice (whether or not it has referred the matter to the Upper Tribunal); and
- (e) inform it of its right to refer the matter to the Upper Tribunal.

- (5) The PRA may extend the period allowed under the notice for making representations.
- (6) If, having considered any representations made by the undertaking, the PRA decides—
- (a) to impose the requirement proposed, or
 - (b) if it has been imposed, not to rescind the requirement,
- it must give the undertaking written notice.
- (7) If, having considered any representations made by the undertaking, the PRA decides—
- (a) not to impose the requirement proposed,
 - (b) to impose a different requirement from that proposed, or
 - (c) to rescind a requirement which has effect,
- it must give it written notice.
- (8) A notice given under paragraph (6) must inform the undertaking of its right to refer the matter to the Upper Tribunal.
- (9) A notice under paragraph (7)(b) must comply with paragraph (4).
- (10) If a notice informs a person of the person's right to refer a matter to the Upper Tribunal, it must give an indication of the procedure on such a reference.]

Group Solvency

Supervision of group solvency and frequency of calculation

[^{F32}15.—(1) Subject to paragraph (2), where the PRA is the group supervisor of a type of group referred to in regulation 9A(a) or (b), the PRA must—

- (a) ensure that the calculations referred to in rules 4.1 and 4.2 of the Group Supervision part of the PRA Rulebook are carried out at least annually to ensure that the group has adequate financial resources at the level of the ultimate UK solvency 2 parent,
- (b) conduct supervisory reviews to determine whether the insurance undertakings or reinsurance undertakings in the group are complying with the requirement to ensure that the group has adequate financial resources at the level of the ultimate UK solvency 2 parent, and
- (c) where the group is not headed by an insurance undertaking or reinsurance undertaking, Gibraltarian insurance undertaking or Gibraltarian reinsurance undertaking, consult the undertakings in the group before identifying an undertaking other than an insurance holding company or a mixed financial holding company to supply relevant data for, and the results of, the calculations referred to in paragraph (1)(a).

(2) Subject to paragraph (3), where the PRA is required to rely on supervision exercised by a supervisory authority in a third country which has a prudential group supervision regime which is determined as equivalent in accordance with regulation 35, the PRA may determine that paragraph (1)—

- (a) does not apply, or

Inclusion of proportional share

17.—(1) In this regulation, “proportional share” means the proportional share held by a participating undertaking in its related undertakings.

(2) The PRA must determine the proportional share which must be taken into account in the calculation of group solvency where—

- (a) the PRA is the group supervisor of a group; and
- (b) any of the following applies—
 - (i) there are no capital ties between any of the undertakings in a group;

19.—(1) This regulation applies where—

- (a) the PRA is the group supervisor of a group;
- (b) the group contains an insurance undertaking [^{F43}, reinsurance undertaking, Gibraltarian insurance undertaking or Gibraltarian reinsurance undertaking][^{F44}for which the calculation of the group solvency includes] a third-country insurance undertaking or third-country reinsurance undertaking; and
- (c) the third country in which the third-country insurance undertaking or third country reinsurance undertaking has its head office makes it subject to authorisation and imposes on it a solvency regime at least equivalent to that specified in [^{F45}the United Kingdom law which implemented] Chapter 6 of Title 1 of the Solvency 2 Directive.

(2) The PRA must permit the group to take into account national laws adopted by the third country in respect of the group's solvency capital requirement and the own funds eligible to satisfy the solvency capital requirement in the calculation of the group's solvency unless—

- (a) there has been a significant change to those national laws; and
- (b) it is not in the interests of the group's policyholders to do so.

[^{F46}(2A) Where the Treasury have made regulations under Article 379A of the Solvency 2 Regulation, or the Commission have adopted a delegated act under Article 227 of the Solvency 2 Directive prior to IP completion day, determining that the supervisory regime of a third country is provisionally equivalent, that third country is deemed to be equivalent for the purposes of paragraph (2).]

[^{F47}(3) Where no regulations have been made by the Treasury pursuant to Article 379A of the Solvency 2 Regulation, and the Commission has not adopted a delegated act under Article 227 of the Solvency 2 directive prior to IP completion day, the PRA—

(2) Where group solvency is determined in accordance with method 2, the PRA must, when it determines whether the aggregated group solvency capital requirement appropriately reflects the risk profile of the group, pay particular attention to any specific risks existing at group level which would not be sufficiently covered because they are difficult to quantify.

(3) Where ^{F56}... the PRA considers that the risk profile of an insurance undertaking or reinsurance undertaking belonging to a group deviates significantly from the assumptions underlying the internal model approved at group level, the PRA may—

- (a) impose a capital add-on to the solvency capital requirement of the insurance undertaking or reinsurance undertaking;
- (b) in exceptional circumstances where a capital add-on would not be appropriate, require the insurance undertaking or reinsurance undertaking to calculate its solvency capital requirement on the basis of the standard formula; or
- (c) where the PRA has exercised its discretion under sub-paragraph (b) to require an insurance undertaking or reinsurance undertaking to calculate its solvency capital requirement on the basis of the standard formula, impose a capital add-on to the solvency capital requirement.

(4) Where the PRA—

- (a) imposes a capital add-on on an insurance undertaking or reinsurance undertaking; or
- (b) requires the insurance undertaking or reinsurance undertaking concerned to calculate its solvency capital requirement on the basis of the standard formula,

Risk concentration and intra-group transactions

Supervision of risk concentration and intra-group transactions

24.—(1) [^{F62}Subject to paragraph (4), where] the PRA is the group supervisor [^{F63}of a type of group referred to in regulation 9A(a) or (b)], the PRA must—

- (a) identify the type of risks and intra-group transactions which insurance undertakings and reinsurance undertakings in the group must report to the PRA in all circumstances, taking into account the specific group and risk management structure of the group;
- (b) impose appropriate thresholds based on solvency capital requirements, or technical provisions, in order to identify which significant risk concentrations and significant intra-group transactions should be reported;
- (c) identify the insurance undertaking or reinsurance undertaking in the group responsible for submitting the information required under rules implementing Articles 244 and 245 of the Solvency 2 Directive where the group is not headed by an insurance undertaking or a reinsurance undertaking;
- (d) review the risk concentrations of the group and intra-group transactions at group level, and in particular monitor the possible risk of contagion within the group, the risk of a conflict of interests and the level or volume of risks.

[^{F64}(1A) For the purposes of paragraph (1), references to insurance undertakings and reinsurance undertakings include a reference to Gibraltar insurance undertakings and Gibraltar reinsurance undertakings.]

(2) The PRA must consult the group [^{F65}and, where the FSC is concerned in the supervision of the group, the FSC] whilst carrying out the activities referred to in sub-paragraphs (a) to (c) of paragraph 24.

(3) Where the [^{F66}FSC is] the group supervisor and the [^{F67}the FSC consults the PRA] in relation to the supervision of risk concentration at group level or the reporting of intra-group transactions, the PRA must take into account the specific group and risk management structure of the group when giving its opinion about the type of risks to be reported.

[^{F68}(4) Where the PRA is required to rely on supervision exercised by a supervisory authority in a third country which has a prudential group supervision regime determined as equivalent in accordance with regulation 35, the PRA may determine that paragraph (1)—

- (a) does not apply; or
 - (b) applies with only such modifications as may be specified in the determination.
- (5) The PRA may not give a determination under paragraph (4) unless it is satisfied that—
- (a) compliance by insurance or reinsurance undertakings in the group with rules or requirements imposed by the PRA pursuant to paragraph (1) would be unduly burdensome; and

- (c) assess the group's compliance with the rules on solvency, risk concentration and intra-group transactions ^{F79}...;
- (d) assess the group's system of governance in accordance with regulation 25;
- (e) assess whether the members of the administrative, management or supervisory body of the participating undertakings in the group [^{F80}are fit and proper to carry out their functions];
- ^{F81}(f)
- (g) [^{F82}determine applications for] an internal model at group level as set out in regulation 49;
- ^{F83}(h)
- (i) carry out the other tasks, measures and decisions assigned to the group supervisor by the [^{F84}United Kingdom law which implemented the] Solvency 2 Directive.

[^{F85}(3) Where the PRA is required to rely on supervision exercised by a supervisory authority in a third country which has a prudential group supervision regime determined as equivalent in accordance with regulation 35, the PRA may determine that paragraph (2)—

- (a) does not apply; or
 - (b) applies with only such modifications as may be specified in the determination.
- (4) The PRA may not give a determination under paragraph (3) unless it is satisfied that —
- (a) compliance by insurance or reinsurance undertakings in the group with rules or requirements imposed by the PRA pursuant to paragraph (2) would be unduly burdensome; and
 - (b) the determination would not adversely affect the advancement of any of the PRA's objectives.

(5) The PRA may revoke or vary a determination given under paragraph (3).]

CHAPTER 7

Third countries

Non-EEA solvency 2 parent undertakings: equivalence

[^{F93}35.—(1) The PRA must rely on the equivalent group supervision exercised by third country supervisory authorities, where the condition in paragraph (2) is met, or the alternative condition in paragraph (3) is met.

(2) The condition is that—

(a) either of the following determinations have been made—

(i) the Treasury have made regulations under regulation 380A(1) of the Solvency 2 Regulation, or the Commission has adopted a delegated act under Article 260(3) of the Solvency 2 Directive prior to IP completion day, determining that the prudential regime of the third country is equivalent, or

(ii) the Treasury have made regulations under regulation 380A(4) of the Solvency 2 Regulation, or the Commission has adopted a delegated act under Article 260(5) of the Solvency 2 Directive prior to IP completion day, determining that the prudential regime of the third country is temporarily equivalent,

(b) that determination still applies,

- (c) there is no insurance undertaking or reinsurance undertaking situated in the United Kingdom with a balance sheet total that exceeds the balance sheet total of the parent undertaking situated in the third country, and
 - (d) the PRA has verified that the that the group is subject to supervision by a third-country supervisory authority in accordance with that equivalent or temporarily equivalent regime.
- (3) The alternative condition is that the PRA has verified that the group is subject to supervision by a third country supervisory authority which is equivalent in accordance with paragraph (4).
- (4) Where the conditions referred to in paragraph (2) do not apply, the PRA—
- (a) must take a decision on equivalence at the request of the parent undertaking or the insurance undertaking or reinsurance undertaking; or
 - (b) may take a decision on equivalence on its own initiative,
- in accordance with paragraph (5).
- (5) Where the PRA takes a decision on equivalence, the PRA must—
- (a) verify equivalence at the level of the ultimate non-UK solvency 2 parent,
 - (b) ensure that its decision on equivalence does not contradict any previous decision taken in relation to the third country, except where it is necessary to do so in order to take into account significant changes to the supervisory regime laid down in Part 3 of these Regulations and the PRA Rulebook on Group Supervision or to the supervisory regime in the third country, and
 - (c) take its decision on equivalence in accordance with the criteria set out in Regulation 380 of the Solvency 2 Regulation.
- (6) Paragraph (7) applies where the PRA is required to rely on supervision exercised by a supervisory authority in a third country which, in accordance with paragraph (2) or (3), has a prudential group supervision regime which is determined as equivalent to Part 3 of these Regulations and the PRA Rulebook on Group Supervision (but see paragraph (8)).
- (7) The PRA must consult the other members of the college of supervisors before taking a decision which is of importance to the supervisory tasks of another supervisory authority with regard to—
- (a) changes in the shareholder, organisational or management structure of insurance undertakings or reinsurance undertakings in the group, which require the approval or authorisation of the other supervisory authority,
 - (b) a decision on the extension of the recovery period under rule 3.1(3) of the Undertakings in Difficulty part, and rule 4.4 of the Group Supervision part, of the PRA Rulebook, or
 - (c) the imposition of a capital add-on, a limitation on the use of an internal model for calculating the solvency capital requirement, or any other major sanctions or exceptional measures taken by the other supervisory authority.
- (8) Paragraph (7) does not apply—
- (a) in cases of urgency, or
 - (b) where consultation may jeopardise the effectiveness of a decision of the PRA,
- provided the PRA informs the other supervisory authorities concerned without delay.
- (9) The PRA must also consult a supervisory authority before taking a decision based on information received from that supervisory authority.]

Parent undertaking outside the United Kingdom: absence of equivalence

[^{F94}36.—(1) This regulation applies where—

- (a) a parent undertaking of an insurance undertaking or reinsurance undertaking established in the United Kingdom has its head office in a third country,
- (b) one of the conditions in paragraph (2) is satisfied, and
- (c) one of the conditions in paragraph (3) is satisfied.

(2) The conditions are—

- (a) the prudential group supervision regime of the third country has not been determined to be equivalent by the Treasury or the PRA, and the Commission has not adopted a delegated act under Article 260(3) of the Solvency 2 Directive prior to IP completion day, determining that the prudential regime of the third country is equivalent to Title 3 of the Solvency 2 Directive;
- (b) the prudential group supervision regime has been determined to be equivalent by the Treasury, the PRA or the Commission, but the PRA has not verified that the group is subject to supervision by a third-country supervisory authority in accordance with that equivalent regime.

(3) The conditions are—

- (a) the prudential group supervision regime of the third country has not been determined to be temporarily equivalent;
- (b) if the prudential group supervision regime of the third country has been determined to be temporarily equivalent, the group is not subject to that regime or the group contains an insurance undertaking or reinsurance undertaking in the United Kingdom with a balance sheet total that exceeds the balance sheet total of the parent undertaking situated in the third country.

(4) The PRA must, at the level of the ultimate non-UK solvency 2 parent—

- (a) ensure appropriate supervision of the insurance undertakings and reinsurance undertakings that are authorised by the PRA in the group, and
- (b) ensure the objectives of group supervision are achieved.

(5) The PRA may require the group to establish an insurance holding company or mixed financial holding company with its head office in the United Kingdom.]

[^{F95}Parent undertakings outside the United Kingdom: levels

36A.—(1) Where the parent undertaking of an insurance undertaking or reinsurance undertaking with its head office outside the United Kingdom is itself a subsidiary of—

- (a) an insurance holding company or a mixed financial holding company which has its head office in a third country, or
- (b) a third-country insurance or reinsurance undertaking,

regulation 35 only applies at the level of the ultimate parent undertaking which is a third-country insurance holding company, a third-country mixed financial holding company, a third-country insurance undertaking or a third-country reinsurance undertaking.

(2) The PRA may, in the absence of equivalent supervision referred to in regulation 35, carry out a new verification of equivalence at a lower level where a parent undertaking of insurance or reinsurance undertakings exists, whether at the level of a third-country insurance holding company, a third country mixed financial holding company, a third-country insurance undertaking or a third-country reinsurance undertaking.

(3) Where paragraph (2) applies, regulation 35 applies with any necessary changes at that lower level.

(4) Where paragraph (2) applies, the PRA must explain its decision to the group to which the insurance undertaking or reinsurance undertaking belongs.]

37.—(1) This regulation applies where—

- (a) the parent undertaking of one or more insurance undertakings or reinsurance undertakings in the group is a mixed-activity insurance holding company; and
- (b) the PRA supervises one or more of the insurance undertakings or reinsurance undertakings in the group.

(2) The PRA must exercise general supervision over transactions between—

- (a) the mixed-activity holding company and its related undertakings; and
- (b) the insurance undertakings or reinsurance undertakings supervised by the PRA.

Procedure: applications

Meaning of “approval”, “group application” [F97 and “protected item”]

38.—(1) In this Part ^{F98}...—

“approval” means an approval granted by the PRA under this Part;

“group application” means an application for permission to calculate any of the following matters in accordance with an internal model—

- (i) the consolidated group solvency capital requirement for a group and the solvency capital requirements for the insurance undertakings [F99, reinsurance undertakings, Gibraltarian insurance undertakings and Gibraltarian reinsurance undertakings] in the group in accordance with method 1 ^{F100};
- (ii) the aggregated group solvency capital requirement in relation to group solvency determined in accordance with method 2 ^{F101}; and

“protected item” has the same meaning as in section 413 of FSMA.

Applications: eligibility, process, information and documents

39.—(1) This regulation applies to an application to the PRA for—

- (a) the grant of an approval; or
- (b) a variation of an existing approval.

(2) An insurance undertaking, reinsurance undertaking or third-country insurance undertaking may apply for an approval under regulations 41 to 48, 53 and 54 only if it is authorised under Part 4A of FSMA.

(3) [F103 An] application must—

- (a) be made in such manner as the PRA may direct; and
- (b) contain, or be accompanied by, such other information or documents as the PRA may reasonably require.

(4) At any time after receiving the application and before determining it, the PRA may require the undertaking to provide it with such further information or documents as it may reasonably require.

(5) The PRA may require any information provided under this regulation to be provided in such form and verified in such manner as it may reasonably require.

(6) The PRA may require any documents provided under this regulation to be produced at such place and authenticated in such manner as it may reasonably require.

(7) Different directions may be given, and different requirements imposed, in relation to different applications or categories of application.

(8) The powers conferred on the PRA by this regulation—

- (a) must be exercised in accordance with any directly applicable regulation [^{F104}that forms part of retained EU law] made under the Solvency 2 Directive; and
- (b) may not be used to require the production of a protected item.

^{F105}(9)

(10) Where an application has been made to the PRA under regulation 43 (volatility adjustment), paragraphs (3)(b) and (4) may only be used to require—

- (a) a liquidity plan projecting the incoming and outgoing cash flows in relation to the assets and liabilities subject to the volatility adjustment;
- (b) where the disapplication of the volatility adjustment would result in the undertaking failing to meet the solvency capital requirement, an analysis of the measures the undertaking could apply to re-establish the level of own funds covering the solvency capital requirement or reduce its risk profile to restore compliance with the solvency capital requirement;
- (c) the undertaking's written policy on risk management;
- (d) an assessment of the undertaking's compliance with the [^{F106}solvency capital requirement and minimum capital requirement]—
 - (i) when the volatility adjustment is applied; and
 - (ii) when the volatility adjustment is not applied.

F107 Reg. 40 omitted (31.12.2020) by virtue of [The Solvency 2 and Insurance \(Amendment, etc.\) \(EU Exit\) Regulations 2019 \(S.I. 2019/407\)](#), regs. 1(2), **10(4)** (as amended by [S.I. 2020/1385](#), regs. 1(2), 54(2))

CHAPTER 2

Specific Approvals

Verification that the Solvency 2 Directive does not apply

41.—(1) An insurance undertaking may apply to the PRA for verification that the conditions specified in [^{F108}the United Kingdom law which implemented Article 4(4) of the Solvency 2 Directive] are satisfied.

(2) Where the PRA receives an application under paragraph (1), the PRA may approve the application.

(3) The PRA may revoke an approval granted under paragraph (2) where the conditions specified in [^{F108}the United Kingdom law which implemented Article 4(4) of the Solvency 2 Directive] cease to be satisfied.

Matching adjustment

42.—(1) An insurance undertaking, reinsurance undertaking or third-country insurance undertaking may apply to the PRA for permission to apply a matching adjustment to a risk-free interest rate term structure in order to calculate the best estimate of a portfolio of life insurance or reinsurance obligations.

(2) The PRA must approve an application made under paragraph (1) if the conditions specified in paragraph (4) would be satisfied if approval were granted.

(3) The PRA must revoke an approval granted under paragraph (2) if an undertaking fails to comply with a condition specified in sub-paragraphs (a) to (k) of paragraph (4) in relation to that approval for a period of two months or more.

(4) The conditions referred to in paragraphs (2) and (3) are—

- (a) the undertaking assigns a portfolio of assets, consisting of bonds or other assets with similar cash flow characteristics, to cover the best estimate of the portfolio of insurance or reinsurance obligations;
- (b) the undertaking maintains the assignment referred to in sub-paragraph (a) over the lifetime of the obligations, except for the purpose of maintaining the replication of expected cash flows between assets and liabilities where the cash flows have materially changed;
- (c) the portfolio of insurance or reinsurance obligations to which the matching adjustment is applied and the assigned portfolio of assets are—
 - (i) identified; and
 - (ii) organised and managed separately from the other activities of the undertaking;
- (d) the assigned portfolio of assets referred to in sub-paragraph (c) cannot be used to cover losses arising from the other activities of the undertaking;
- (e) the expected cash flows of the assigned portfolio of assets replicate each of the expected cash flows of the portfolio of insurance or reinsurance obligations in the same currency;

- (f) any mismatch between the expected cash flows referred to in sub-paragraph (e) does not give rise to risks which are material in relation to the risks inherent in the insurance business to which the matching adjustment is applied;
- (g) the contracts underlying the portfolio of insurance or reinsurance obligations do not give rise to future premium payments;
- (h) the only underwriting risks connected to the portfolio of insurance or reinsurance obligations are longevity risk, expense risk, revision risk or mortality risk;
- (i) where the underwriting risk connected to the portfolio of insurance or reinsurance obligations includes mortality risk, the best estimate of the portfolio of insurance or reinsurance obligations does not increase by more than 5% under a mortality risk stress that is calibrated in accordance with rules implementing paragraphs (2) to (5) of Article 101 of the Solvency 2 Directive;
- (j) the contracts underlying the insurance or reinsurance obligations include—
 - (i) no options for the policyholder; or
 - (ii) only a surrender option with a surrender value not exceeding the value of the assets, valued in accordance with [F109] rules 2.1 and 2.2 of the Valuation part of the PRA Rulebook], covering the insurance or reinsurance obligations at the time the surrender option is exercised;
- (k) the cash flows of the assigned portfolio of assets are—
 - (i) fixed and cannot be changed by the issuers of the assets or any third parties; or
 - (ii) fixed except for a dependence on inflation, and the assets replicate the cash flows of the portfolio of insurance or reinsurance obligations that depend on inflation;
- (l) the undertaking does not apply a volatility adjustment to the risk free interest rate term structure in accordance with an approval granted under regulation 43;
- (m) the undertaking does not apply a transitional measure to the risk free interest rates in accordance with an approval granted under regulation 53;
- (n) the undertaking has not ceased to apply a matching adjustment to the risk-free interest rate term structure in the 24 months prior to the application.

(5) For the purposes of paragraph (4), the insurance or reinsurance obligations of an insurance or reinsurance contract must not be split into different parts when composing the portfolio of insurance or reinsurance obligations.

(6) For the purposes of sub-paragraph (4)(k)(i), where issuers or third parties have the right to change the cash flows of an asset, that right does not disqualify the asset from admissibility to the assigned portfolio, provided the investor receives sufficient compensation to allow it to obtain the same cash flow by re-investing the compensation in assets of an equivalent or better quality.

(7) In this regulation, “life insurance and reinsurance obligations”—

- (a) includes annuities stemming from non-life insurance or reinsurance contracts; [F110] and]
- (b) in the case of a third-country insurance undertaking F111 ..., refers only to insurance and reinsurance obligations assumed in the United Kingdom; F112 ...

Volatility adjustment

43.—(1) An insurance undertaking, reinsurance undertaking or third-country insurance undertaking may apply to the PRA for permission to apply a volatility adjustment to the relevant risk-free interest rate term structure in order to calculate the best estimate referred to in Article 77(2) of the Solvency 2 Directive.

(2) The PRA must approve an application made under paragraph (1) if the proposed application of the volatility adjustment would satisfy all the conditions specified in paragraph (4).

(3) The PRA must revoke an approval granted under paragraph (2) where the application of the volatility adjustment does not satisfy a condition specified in paragraph (4).

(4) The conditions referred to in paragraphs (2) and (3) are—

- (a) the volatility adjustment is applied correctly to the relevant risk-free interest rate term structure in order to calculate the best estimate;
- (b) the undertaking does not breach a relevant requirement as a result or consequence of applying the volatility adjustment;
- (c) the application of the volatility adjustment does not create an incentive for the undertaking to engage in pro-cyclical investment behaviour.

(5) In paragraph (4)(b), a “relevant requirement” is—

- (a) a requirement imposed by or under FSMA in pursuance of [^{F114}the United Kingdom law which implemented] the Solvency 2 Directive; or
- (b) a requirement of a directly applicable regulation made under the Solvency 2 Directive [^{F115}which forms part of retained EU law].

Supervisory approval of ancillary own-funds

44.—(1) An insurance undertaking, reinsurance undertaking or third-country insurance undertaking may apply to the PRA for permission to take the amount of an ancillary own-fund item into account when determining its own funds in accordance with rules implementing Article 90 of the Solvency 2 Directive and any directly applicable regulations made under Article 92.

- (2) Where the PRA receives an application under paragraph (1), the PRA must approve—
 - (a) a monetary amount for each ancillary own-fund item; or
 - (b) a method by which each ancillary own-fund item may be determined for a specified period of time.
- (3) Where the PRA grants approval under paragraph (2)—
 - (a) the undertaking may apply to vary that approval; and
 - (b) the PRA may vary that approval.
- (4) The PRA must base its approval or variation of approval on an assessment of—
 - (a) the status of the counterparties concerned, in relation to their ability and willingness to pay;
 - (b) the recoverability of the funds, taking account of the legal form of the ancillary own-fund item and any conditions which would prevent the item from being successfully paid in or called up; and
 - (c) any information on the outcome of past calls which insurance undertakings, reinsurance undertakings and third-country insurance undertakings have made for ancillary own fund items they have paid in or called up, to the extent that such information can be reliably used to assess the expected outcome of future calls.

Eligible own funds for an intermediate insurance holding company

45.—(1) This regulation applies where the PRA is the group supervisor of a group which includes an intermediate insurance holding company or an intermediate mixed financial holding company.

(2) The intermediate insurance holding company or an intermediate mixed financial holding company may apply to the PRA for permission to include eligible own funds in the calculation of group solvency.

- (3) Where the PRA receives an application under paragraph (2) , the PRA must approve—
 - (a) a monetary amount for each ancillary own-fund item; or
 - (b) a method by which each ancillary own-fund item may be determined for a specified period of time.
- (4) Where the PRA grants approval under paragraph (3)—
 - (a) the undertaking may apply to vary that approval; and
 - (b) the PRA may vary that approval.
- (5) The PRA must base its approval or variation of approval on an assessment of—
 - (a) the status of the counterparties concerned, in relation to their ability and willingness to pay;
 - (b) the recoverability of the funds, taking account of the legal form of the ancillary own-fund item and any conditions which would prevent the item from being successfully paid in or called up; and
 - (c) any information on the outcome of past calls which intermediate insurance holding companies and intermediate mixed financial holding companies have made for each ancillary own-fund item, to the extent that information can be reliably used to assess the expected outcome of future calls.

Classification of funds

46.—(1) This regulation applies to an own-fund item which is not included in the list of own-fund items referred to in Article 97(1) of the Solvency 2 Directive.

Changes to legislation: The Solvency 2 Regulations 2015 is up to date with all changes known to be in force on or before 28 September 2023. (2) An insurance undertaking, reinsurance undertaking or third-country insurance undertaking may apply to the PRA for approval of its assessment and classification of an own-fund item referred to in paragraph (1).

(3) The PRA may approve an application made under paragraph (2).

(4) Where the PRA grants approval under paragraph (3)—

(a) the undertaking may apply to vary the approval;

(b) the PRA may vary the approval; or

(c) the PRA may revoke the approval.

(5) The PRA must base its decision to grant, vary or revoke approval on the criteria referred to in Article 94 of the Solvency 2 Directive.

Basic Solvency Capital Requirement

47.—(1) This regulation applies where an insurance undertaking, reinsurance undertaking or third-country insurance undertaking uses the standard formula to calculate its basic solvency capital requirement.

(2) In order to calculate its life, non-life and health underwriting risk modules, the undertaking may apply to the PRA for approval to use a subset of parameters specific to the undertaking instead of a subset of parameters of the standard formula.

(3) The PRA may only approve an application made under paragraph (2) when—

(a) the parameters the undertaking has applied to use are calibrated on the basis of the internal data of the undertaking concerned, or on the basis of data which are directly relevant to the operations of that undertaking using standardised methods; and

(b) the PRA has verified the completeness, accuracy and appropriateness of the data used.

(4) Where the PRA grants approval under paragraph (3)—

(a) the undertaking may apply to vary the approval;

(b) the PRA may vary the approval provided sub-paragraphs (a) and (b) of paragraph (3) continue to be satisfied; or

(c) the PRA may revoke the approval.

Models

48.—(1) An insurance undertaking, reinsurance undertaking or third-country insurance undertaking may apply to the PRA for approval of—

(a) a full or partial internal model;

(b) major changes to an approved internal model; or

(c) the policy for changing an approved internal model.

(2) The PRA may require an undertaking to run its internal model—

(a) on relevant benchmark portfolios; or

(b) using assumptions based on external rather than internal data,

in order to verify the calibration of the internal model and to check that its specification is in line with generally accepted market practice.

(3) The PRA must approve an application made under paragraph (1) if—

(a) the internal model complies with the requirements of rules implementing Article 112 of the Solvency 2 Directive;

- (b) the internal model complies with the requirements of any directly applicable regulations made under Article 127 of the Solvency 2 Directive;
 - (c) the systems of the undertaking for identifying, measuring, monitoring, managing and reporting risk are adequate; and
 - (d) in the case of a partial internal model, the model fulfils the requirements of rules implementing Article 113 of the Solvency 2 Directive and any directly applicable regulation made under Article 114 of the Solvency 2 Directive.
- (4) The PRA must give a decision on an application made under paragraph (1) within six months of its receipt of the completed application.
- (5) Where the PRA grants approval under paragraph (3), the PRA may—
- (a) vary the approval;
 - (b) revoke the approval.
- (6) In this regulation “internal model” includes a partial internal model.

Group applications

49.—(1) An insurance undertaking or reinsurance undertaking may make a group application to the PRA where the PRA is the group supervisor for the group to which the undertaking belongs.

[^{F116}(2) The PRA may approve an application made under paragraph (1).]

(3) Where the PRA grants an approval under paragraph (2), the approval may include conditions to which the approval is subject.

(4) The PRA may revoke an approval granted under paragraph (2).

Transitional measures on risk-free interest rates

53.—(1) An insurance undertaking, reinsurance undertaking or third-country insurance undertaking may apply to the PRA for permission to apply a transitional adjustment to a risk-free interest rate term structure with respect to admissible insurance or reinsurance obligations.

(2) Admissible insurance or reinsurance obligations are insurance or reinsurance obligations that meet all of the following requirements—

- (a) the contracts that give rise to the insurance or reinsurance obligations are concluded before 1st January 2016;
- (b) the technical provisions for the insurance and reinsurance obligations are determined in accordance with rules implementing Article 20 of Directive [2002/83/EC](#) of the European Parliament and of the Council of 5th November 2002 concerning life assurance ^{F120} until 1st January 2016;
- (c) the insurance or reinsurance obligations are not subject to a matching adjustment in accordance with an approval granted under regulation 42.

(3) For the purposes of paragraph (2)(a), the renewal of a contract does not give rise to a new contract.

(4) The PRA must approve an application made under paragraph (1) if the condition specified in paragraph (6) would be satisfied if the approval is granted.

(5) Where the PRA grants approval under paragraph (4)—

- (a) the undertaking may apply to vary the approval;
- (b) the PRA must vary the approval on an application made under sub-paragraph (a) if the condition specified in paragraph (6) would be satisfied in relation to the approval as varied;
- (c) the PRA must revoke the approval if the condition specified in paragraph (6) ceases to be satisfied;
- (d) the PRA must revoke the approval if the condition specified in paragraph (7) is satisfied.

(6) The condition referred to in paragraphs (4), (5)(b) and (5)(c) is that the transitional adjustment is calculated in accordance with rules implementing Article 308c of the Solvency 2 Directive.

(7) The condition referred to in paragraph (5)(d) is that a progress report submitted to the PRA under rules implementing Article 308e of the Solvency 2 Directive shows that it is unrealistic to expect compliance with the solvency capital requirement by 2032.

F120 OJ No L345, 19.12.02, p 1.

Transitional measures on technical provisions

54.—(1) An insurance undertaking, reinsurance undertaking or third-country insurance undertaking may apply to the PRA for permission to—

- (a) apply a transitional deduction to its technical provisions or to such of its technical provisions as are contained within an homogenous risk group; or
- (b) recalculate the amount of those technical provisions (and any matching adjustment or volatility adjustment to those technical provisions) at periods of 24 months or less.

(2) The PRA must approve an application made under paragraph (1)(a) if—

- (a) conditions 1 and 2 are satisfied; and
- (b) condition 3 is satisfied or would be satisfied if the amount of the approved deduction were limited.
- (3) The PRA must approve an application made under paragraph (1)(b) if condition 4 is satisfied.
- (4) The PRA may also grant the approval referred to in paragraph (1)(b) other than on an application under that paragraph if condition 4 is satisfied.
- (5) Where the PRA approves an application under paragraph (2), the PRA may—
 - (a) make the approval subject to a condition limiting the amount of the approved deduction; or
 - (b) at any time after granting approval, vary the approval so that—
 - (i) the approval is subject to a condition limiting the amount of the approved deduction; or
 - (ii) if the approval is already subject to a condition imposed under sub-paragraph (a) or (b)(i), amend the condition to change the limit.
- (6) A limit specified in a condition imposed under paragraph (5) must be no larger than is necessary to ensure that condition 3 is satisfied.
- (7) Where the PRA grants approval under paragraph (2), (3) or (4) the undertaking may apply to vary the approval.
- (8) Paragraphs (2) to (6) apply to an application to vary an approval under paragraph (7) as they would apply to an application for the approval as varied.
- (9) The PRA must revoke an approval granted under paragraph (2) if—
 - (a) condition 1 or 2 is not satisfied;
 - (b) condition 3 cannot be satisfied by imposing a condition limiting the amount of the approved deduction; or
 - (c) condition 5 is satisfied.
- (10) In this regulation—
 - (a) “GENPRU 1.2.26R” means the rule known as GENPRU 1.2.26R (requirement to have adequate financial resources) in the PRA's General Prudential Sourcebook as at 31st December 2015, treated as having been made by the PRA on 7th March 2013 under the Financial Services Act 2012 (Transitional Provisions) (Rules and Miscellaneous Provisions) Order 2013^{F121};
 - (b) “INSPRU 7” means the rules and guidance known as INSPRU 7 (individual capital assessment) in the PRA's Prudential Sourcebook for Insurers as at 31st December 2015, made or treated as having been made by the PRA on 7th March 2013 under FSMA and the Financial Services Act 2012 (Transitional Provisions) (Rules and Miscellaneous Provisions) Order 2013; and
 - (c) conditions specified in the first column of Table 3 have the meaning given in the second column of Table 3.

Changes to legislation: The Solvency 2 Regulations 2015 is up to date with all changes known to be in force on or before 28 September 2023. where—

T_N is the amount of the transitional deduction in the year N , so that T_0 is the transitional deduction in 2016, T_1 is the transitional deduction in 2017, T_2 is the transitional deduction in 2018 and continuing until T_{16} which is the transitional deduction in 2032.

X_N is the amount of the technical provisions to which the approval or application for approval relates, calculated for the year N , less the amount recoverable (if any) from reinsurance contracts and special purpose vehicles. The technical provisions for the year N must be calculated in accordance with rules implementing Article 76 of the Solvency 2 Directive, applied as at the last date (“the relevant date”) before the year N at which technical provisions may be recalculated in accordance with an approval granted under paragraph (1)(b) or, if no such approval has been granted, as at 1st January 2016. Where a matching adjustment or volatility adjustment was applied to those technical provisions on 1st January 2016 in accordance with an approval granted under regulation 42 or 43 (as the case may be), the calculation must take into account the matching adjustment or volatility adjustment, recalculated for the relevant date in accordance with an approval granted under paragraph (1)(b) (if any).

Y_N is the amount of the technical provisions to which the approval or application for approval relates, calculated for the year N , less the amount recoverable (if any) from reinsurance contracts. The technical provisions for the year N must be calculated in accordance with INSPRU 7, applied as at the last date before the year N at which technical provisions may be recalculated in accordance with an approval granted under paragraph (1)(b) or, if no such approval has been granted, as at 31st December 2015.

N represents the years from 2016 to 2032. N takes integer values from 0 to 16, so that 2016 is year 0, 2017 is year 1, 2018 is year 2, and continuing until 2032 which is year 16.

- 2 A transitional deduction is not applied in any year after 2032.
- 3 The transitional deduction does not result in the financial resources which the undertaking is required to maintain in accordance with requirements imposed by or under FSMA in pursuance of the Solvency 2 Directive being less than the financial resources which the undertaking would be required to maintain in accordance with GENPRU 1.2.26R if GENPRU 1.2.26R still applied to the undertaking.
- 4 The risk profile of the undertaking has changed materially.
- 5 A progress report submitted to the PRA under rules implementing Article 308e of the Solvency 2 Directive shows that it is unrealistic to expect compliance with the solvency capital requirement by 2032.

CHAPTER 3

Procedure: decisions, appeals and notices

Decisions: written notices

55.—(1) On determining an application for the grant of an approval, the PRA must give the undertaking a written notice stating—

- (a) its decision;
 - (b) the conditions (if any) to which the approval is subject;
 - (c) the reasons on which the decision is based; and
 - (d) if the approval is granted, the date on which the approval takes effect.
- (2) Where the PRA varies or revokes an approval, it must give the undertaking concerned a written notice stating—
- (a) that the approval is varied or revoked;
 - (b) the reasons on which the decision to vary or revoke the approval is based;
 - (c) if the approval is varied, the conditions (if any) to which the approval is subject; and
 - (d) the date on which the variation or revocation takes effect.
- (3) Where the PRA gives a direction under regulation 58(2), it must give the undertaking concerned a written notice stating—
- (a) the direction;
 - (b) the reasons on which the decision to give the direction is based; and
 - (c) the date on which the direction takes effect.
- (4) Where the PRA varies or revokes a direction under regulation 58(3), it must give the undertaking concerned a written notice stating—
- (a) that the direction is varied or revoked;
 - (b) the reasons on which the decision to vary or revoke the direction is based; and
 - (c) the date on which the variation or revocation takes effect.
- (5) The date on which an approval takes effect under paragraph (1)(d) must not be before 1st January 2016.

Appeals

- 56.**—(1) An undertaking may refer the matter to the Tribunal where it is aggrieved at—
- (a) the determination by the PRA of an application for the—
 - (i) grant of an approval to an undertaking; or
 - (ii) variation of an approval granted to an undertaking;
 - (b) in respect of an approval that was granted to that undertaking, the exercise by the PRA of a power to—
 - (i) vary the approval; or
 - (ii) revoke the approval.
- (2) Part 9 of FSMA (hearings and appeals) applies to a reference to the Tribunal under this regulation as it applies to a reference to the Tribunal under FSMA.

Publication of written notices

- 57.**—(1) Subject to paragraph (2), the PRA must publish a relevant notice in the way appearing to the PRA to be best calculated for bringing it to the attention of—
- (a) persons likely to be affected by it; and
 - (b) persons who are, in the opinion of the PRA, likely to make an application for a similar approval.
- (2) Paragraph (1) does not apply—

Changes to legislation: The Solvency 2 Regulations 2015 is up to date with all changes known to be in force on or before 28 September 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. - (a) if the relevant notice relates to an application for an approval which has been refused;
 - (b) if the PRA is satisfied that it is inappropriate or unnecessary to publish the relevant notice;
or
 - (c) to the extent that such publication would be incompatible with an obligation imposed on the PRA by a directly applicable regulation made under the Solvency 2 Directive.
- (3) In deciding whether it is satisfied of the matters mentioned in paragraph (2)(b), the PRA must consider whether publication of the relevant notice—
- (a) would prejudice, to an unreasonable degree, the commercial interests of the undertaking concerned or any other member of the undertaking's immediate group;
 - (b) without mentioning the identity of the undertaking concerned might avoid any adverse consequence of publication.
- (4) In this regulation, “relevant notice” means a written notice—
- (a) given under regulation 55 in relation to a decision or direction of the PRA; or
 - (b) stating that an event referred to in paragraph (5) has occurred in relation to such a decision.
- (5) The events mentioned in paragraph (4)(b) are—
- (a) the decision has been referred to the Tribunal;
 - (b) the decision has been suspended by the Tribunal;
 - (c) any suspension of the decision has been revoked by the Tribunal;
 - (d) the reference has been dismissed by the Tribunal.

CHAPTER 4

Rule waivers

Modification or waiver of rules

58.—(1) In this regulation, “rule” means a rule made by the PRA under Part 9A of FSMA.

(2) Where the PRA approves an application from an insurance undertaking, reinsurance undertaking or third-country insurance undertaking under regulation 42, 43, 53 or 54, the PRA must direct that any rule to which the undertaking is subject—

- (a) is not to apply to that undertaking; or
- (b) is to apply to that undertaking with modifications,

to the extent necessary to give effect to that approval.

(3) Where the approval referred to in paragraph (2) is varied or revoked, the PRA must vary or revoke the direction referred to in paragraph (2) to the extent necessary to give effect to the variation or revocation of the approval.

(4) This regulation is without prejudice to the generality of section 138A of FSMA.
