

SCHEDULE 2

Permitted development rights

PART 16

Communications

Class C – other telecommunications development: microwave antenna

Interpretation of Class C

C.3 The relevant size criteria for the purposes of paragraph C.1(d)(iii) are that:

- (a) only 1 of the antennas may exceed 0.6 metres in length; and
- (b) any antenna which exceeds 0.6 metres in length must not exceed 1 metre in length.
