

### SCHEDULE 3

#### The derogation conditions

##### **Record of nitrogen and phosphate produced by animals**

**14.**—(1) The occupier must make a record of the expected number of livestock animals to be kept on the holding during the calendar year to which the derogation relates, and the category for each animal by reference to the categories in Schedule 1.

(2) Having complied with the duty under sub-paragraph (1), the occupier must calculate and record the amount of nitrogen and phosphate in manure expected to be produced by the livestock on the holding during that year by reference to Schedule 1.

(3) A record required under this paragraph must be made by 1st March for the calendar year concerned.
