

## SCHEDULE

### PART 2

#### Other specified information

##### ***Cancer Outcomes and Services Data Set***

1. Data relating to all patients (both adult and paediatric) diagnosed with cancer or receiving cancer treatment in, or funded by, the National Health Service in England provided to Public Health England<sup>(1)</sup> for collation for the purposes of the Cancer Outcomes and Services Data Set (a data set used to build indicators of activity, performance and outcomes of cancer care in England), other than the information referred to in paragraph 3.

##### ***Hospital and Community Health Services Complaints Collection***

2. Information supplied to the Information Centre, or to another person on the Centre's behalf, for collation for the purposes of the Hospital and Community Health Services Complaints Collection (data which is used for the purpose of monitoring written hospital and community complaints (by service area, profession and type) received by the National Health Service each year).

##### ***National Cancer Waiting Times Monitoring Data Set***

3. Information supplied to the Information Centre, or to another person on the Centre's behalf, for collation for the purposes of the National Cancer Waiting Times Monitoring Data Set (a patient-level data set used, amongst other things, for the monitoring of timed pathways of care for cancer patients and waiting times for cancer services).

##### ***National Diabetes Audit***

4. Information supplied to the Information Centre, or to another person on the Centre's behalf, for collation for the purposes of the National Diabetes Audit (an annual clinical audit of patient-level data used for the monitoring of complications from diabetes and care provided to people with diabetes).

##### ***National Maternity Services Data Set***

5. Information supplied to the Information Centre, or to another person on the Centre's behalf, for collation for the purposes of the National Maternity Services Data Set (a patient-level data set that captures key information at each stage of the maternity service care pathway).

##### ***Quality Accounts***

6. The information contained in documents published under section 8 of the Health Act 2009 (duty of providers to publish information)<sup>(2)</sup>.

---

(1) Public Health England is an executive agency of the Department of Health.

(2) 2009 c. 21. The National Health Service (Quality Accounts) Regulations 2010 (S.I. 2010/279, as amended by S.I. 2011/269 and 2012/3081) set out the prescribed information, general content and form of quality accounts to be published under section 8 of the Health Act 2009.
