Importers

Information identifying importer

18.—(1) Before placing electrical equipment on the market, an importer must indicate on the electrical equipment—

- (a) the name, registered trade name or registered trade mark of the importer; and
- (b) a postal address at which the importer can be contacted.

(2) The information specified in paragraph (1) must be in a language easily understood by end-users and the market surveillance authority in the member State in which it is to be made available to such end-users.

(3) Where it is not possible to indicate the information specified in paragraph (1) on the electrical equipment, the importer must indicate that information—

- (a) on the packaging; or
- (b) in a document accompanying the electrical equipment.
