2016 No. 1101

The Electrical Equipment (Safety) Regulations 2016

Part 2

Obligations of economic operators

Importers

Instructions and safety information

19.—(1) When placing electrical equipment on the market, an importer must ensure that it is accompanied by instructions and safety information in a language which can be easily understood by consumers and other end-users.

(2) Where the electrical equipment is placed on the market in the UK, the language referred to in paragraph (1) must be English.
