**2016 No. 1105**

**The Pressure Equipment (Safety) Regulations 2016**

**PART 2**

Obligations of economic operators

Distributors

**Duty to take action in respect of pressure equipment made available on the market which are not in conformity**

**34.**—(1) A distributor who considers, or has reason to believe, that pressure equipment or assemblies which the distributor has made available on the market is not in conformity with Part 2 must make sure that the necessary corrective measures are taken to—

- (a) bring that pressure equipment or assembly into conformity;
- (b) withdraw the pressure equipment or assembly; or
- (c) recall the pressure equipment or assembly.

(2) Where the pressure equipment or assembly presents a risk, the distributor must immediately inform the market surveillance authority, and the competent national authorities of the member States in which the distributor has made the pressure equipment or assembly available on the market, of that risk, giving details of—

- (a) the respect in which pressure equipment is considered not to be in conformity with Part 2; and
- (b) any corrective measures taken.
