CHAPTER 3

MATERIAL SCOPE

SECTION 2

*Excluded contracts and design contests; special provisions
for procurement involving defence and security aspects*

SUB-SECTION 2 Procurement involving defence and security aspects

Contracts and design contests involving defence or security aspects which are awarded or organised pursuant to international rules

27.—(1) These Regulations do not apply to contracts or design contests involving defence or security aspects which the utility is obliged to award or organise in accordance with procurement procedures which are different from those laid down in these Regulations and are established by any of the following—

- (a) an international agreement or arrangement, concluded in accordance with the Treaties, between a member State and one or more third countries (or subdivisions of such countries) and covering works, supplies or services intended for the joint implementation or exploitation of a project by its signatories;
- (b) an international agreement or arrangement relating to the stationing of troops and concerning the undertakings of a member State or a third country;
- (c) an international organisation.

(2) These Regulations do not apply to contracts or design contests involving defence or security aspects which the utility awards or organises in accordance with procurement rules provided by an international organisation or international financing institution where the contracts or design contests concerned are fully financed by that organisation or institution.

(3) In the case of contracts or design contests co-financed for the most part by an international organisation or international financing institution the parties shall agree on applicable procurement procedures.
