

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 12

Directional signs

PART 23

Provisions applying to Part 24

3. For the purposes of this Part, an appropriate diagram A sign is a sign shown in diagram A in column 2 of the sign table in Part 22 for an item of that table, the number of which is specified in column 4 of the sign table in Part 24.
