

## SCHEDULE 14

Signs for traffic control by light signals, signs for crossings, and signs for lane control

### PART 6

#### The Schedule 14 General Directions

- 32.** The road marking may only be placed—
- (a) in conjunction with the traffic light signals provided for at item 1 or 3; and
  - (b) when the signal provided for at items 2 to 7 of the table in Part 3 (light signal for control of tramcars) is part of those traffic light signals.
