

SCHEDULE 14

Signs for traffic control by light signals, signs for crossings, and signs for lane control

PART 6

The Schedule 14 General Directions

- 39.** The sign—
- (a) may only be placed in connection with works involving—
 - (i) an alteration in the layout of a level crossing; or
 - (ii) the placing, removal or alteration of signs on or near a level crossing; and
 - (b) may be retained in place not later than the end of the period of three months beginning with the day of the completion of those works.
