

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 2

Signs that warn of hazards and signs for bridges and other structures

PART 4

Traffic signs for bridges and other structures

2. In the case of the description at item 3, the warning is to be conveyed by both the triangular signs shown in the diagram in combination, and paragraph 1 applies to each of those signs.
