

SCHEDULE 4

Upright signs that control waiting, loading and parking along a road

PART 2

On-street parking control signs

Height of legends to be proportionate

24.—(1) This paragraph applies whether or not the sign consists of a single panel or more than one panel.

(2) The x-height of a legend used on a sign provided for in this Schedule must be in proportion to the size of any symbol on the sign.

(3) Where a sign contains more than one legend, the x height must be the same for each legend.

(4) Sub-paragraph (3) does not apply to the legends provided for at item 7 or 10 in the Part 3 sign table.
