**The National Grid (Hinkley Point
C Connection Project) Order 2016**

PART 5

POWERS OF ACQUISITION

Compulsory acquisition of land

19. National Grid (but not WPD) may acquire compulsorily so much of the Order land specified in columns (1) and (2) of Schedule 11 (land which may be compulsorily acquired) as is required for the construction, operation and maintenance of the authorised development not including the WPD Works or is incidental to it or required to facilitate it.

Compulsory acquisition of land – incorporation of the mineral code

20. Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981(1) (minerals) are incorporated into this Order subject to the modifications that—

- (a) paragraph 8(3) is not incorporated; and
- (b) for “the acquiring authority” there is substituted “the undertaker”.

Time limit for exercise of authority to acquire land compulsorily

21.—(1) After 18th January 2024—

- (a) no notice to treat may be served under Part 1 of the 1965 Act; and
- (b) no declaration may be executed under section 4 of the 1981 Act as applied by article 25 (application of the Compulsory Purchase (Vesting Declarations) Act 1981)(2).

(2) The authority conferred by article 29 (temporary use of land by National Grid) and article 30 (temporary use of land by WPD) ceases at the end of 18th January 2024, save that nothing in this paragraph prevents the undertaker remaining in possession of land after the end of that period, if the land was entered and possession was taken before the end of that period.

Compulsory acquisition of rights

22.—(1) Subject to the provisions of this article, the undertaker may acquire compulsorily the rights, and impose the restrictions, over the Order land, described in the Book of Reference, by creating them as well as by acquiring rights and the benefits of restrictions already in existence.

(1) [1981 c. 67](#). Sub-paragraph (5) of paragraph 1 of Part 1 of Schedule 2 was amended by section 67 of, and paragraph 27(3) of Schedule 9 to, the Coal Industry Act [1994 \(c. 21\)](#) and paragraph 8 of Part 3 of Schedule was amended by section 46 of the Criminal Justice Act [1982 \(c. 48\)](#). There are other amendments to the 1981 Act which are not relevant to this Order.

(2) [1981 c. 66](#). Sections 2 and 116 were amended by section 4 of, and paragraph 52 of Schedule 2 to, the Planning (Consequential Provisions) Act [1990 \(c. 11\)](#). There are other amendments to the 1981 Act which are not relevant to this Order.

(2) This article is subject to article 19 (compulsory acquisition of land), article 29 (temporary use of land by National Grid) and article 30 (temporary use of land by WPD).

(3) Subject to section 8 of the 1965 Act (provisions as to divided land) as substituted by paragraph 5 of Schedule 10 (modification of compensation and compulsory purchase enactments for creation of new rights), where the undertaker acquires a right over land or imposes a restriction under paragraph (1), the undertaker is not required to acquire a greater interest in that land.

(4) Schedule 10 has effect for the purpose of modifying the enactments relating to compensation and the provisions of the 1965 Act in their application in relation to the compulsory acquisition under this article of a right over land by the creation of a new right or imposes a restriction.

(5) In any case where the acquisition of rights or the imposition of a restriction under paragraph (1) is required for the purpose of diverting, replacing or protecting apparatus of a statutory undertaker, the undertaker may, with the consent of the Secretary of State, transfer the power to acquire such rights or impose such restrictions to the statutory undertaker in question.

(6) The exercise by a statutory undertaker of any power in accordance with a transfer under paragraph (5) is subject to the same restrictions, liabilities and obligations as would apply under this Order if that power were exercised by the undertaker.

Extinguishment and suspension of private rights

23.—(1) Subject to the provisions of this article, all private rights and restrictive covenants over land subject to compulsory acquisition under this Order are extinguished—

- (a) as from the date of acquisition by the undertaker of the land whether compulsorily or by agreement; or
- (b) on the date of entry on the land by the undertaker under section 11(1) of the 1965 Act (power of entry),

whichever is the earlier.

(2) Subject to the provisions of this article, all private rights and restrictive covenants over land owned by the undertaker which, being within the Order limits, is required for the purposes of this Order, are extinguished on the commencement of any activity authorised by this Order which interferes with or breaches such rights or such restrictive covenants.

(3) Subject to the provisions of this article, all private rights or restrictive covenants over land subject to compulsory acquisition of rights or the imposition of restrictions under the Order must be extinguished in so far as their continuance would be inconsistent with the exercise of the right acquired or the burden of the restriction imposed—

- (a) as from the date of the acquisition of the right or the benefit of the restriction by the undertaker, whether compulsorily or by agreement; or
- (b) on the date of entry on the land by the undertaker under section 11(1) of the 1965 Act in pursuance of the right;

whichever is the earlier.

(4) Subject to the provisions of this article and article 24 (extinguishment of private rights and restrictive covenants relating to apparatus belonging to National Grid or WPD removed from land subject to temporary possession), all private rights or restrictive covenants over land of which the undertaker takes temporary possession under this Order are suspended and unenforceable for as long as the undertaker remains in lawful possession of the land.

(5) Any person who suffers loss by the extinguishment or suspension of any private right or restrictive covenant under this article is entitled to compensation to be determined, in case of dispute, under Part 1 of the 1961 Act.

(6) This article does not apply in relation to any right to which section 138 of the 2008 Act (extinguishment of rights, and removal of apparatus, of statutory undertakers etc.) or article 33 (statutory undertakers) applies.

(7) Paragraphs (1) to (4) have effect subject to—

(a) any notice given by the undertaker before—

(i) the completion of the acquisition of the land or rights or the imposition of restrictive covenants over or affecting the land;

(ii) the undertaker's appropriation of it;

(iii) the undertaker's entry onto it; or

(iv) the undertaker's taking temporary possession of it,

that any or all of those paragraphs do not apply to any right specified in the notice; and

(b) any agreement made, in so far as it relates to the authorised development, at any time between the undertaker and the person in or to whom the right or restrictive covenant in question is vested, belongs or benefits.

(8) If any such agreement as is referred to in paragraph (7)(b)—

(a) is made with a person in or to whom the right is vested or belongs; and

(b) is expressed to have effect also for the benefit of those deriving title from or under that person,

it is effective in respect of the persons so deriving title, whether the title was derived before or after the making of the agreement.

(9) A reference in this article to private rights and restrictive covenants over land includes any trust, incident, easement, wayleave, liberty, privilege, right or advantage annexed to land (including any land forming part of a common, open space or fuel or field garden allotment) and adversely affecting other land, including any natural right to support.

Extinguishment of private rights and restrictive covenants relating to apparatus belonging to National Grid or WPD removed from land subject to temporary possession

24.—(1) This article applies to any Order land specified in Part 1 (National Grid) and Part 2 (WPD) of Schedule 8 (extinguishment of private rights and restrictive covenants relating to apparatus belonging to National Grid or WPD removed from land subject to temporary possession) and any other Order land of which National Grid takes temporary possession under article 29 (temporary use of land by National Grid) or WPD takes temporary possession under article 30 (temporary use of land by WPD).

(2) All private rights or restrictive covenants in relation to apparatus belonging to National Grid or WPD removed from any land to which this article applies are extinguished from the date on which National Grid or WPD gives up temporary possession of that land under article 29 or 30, as the case may be.

(3) The extinguishment of rights by paragraph (2) does not give rise to any cause of action relating to the presence on or in the land of any foundations (save for those which lie less than one metre underground) referred to in article 29(5)(c) and (6)(c) or 30(5)(c) and (6)(c) (National Grid and WPD not required to remove foundations when giving up temporary possession).

Application of the Compulsory Purchase (Vesting Declarations) Act 1981

25.—(1) The 1981 Act applies as if this Order were a compulsory purchase order.

(2) The 1981 Act, as so applied, has effect with the following modifications.

- (3) In section 3 (preliminary notices) for subsection (1) there is substituted—
- “(1) Before making a declaration under section 4 with respect to any land which is subject to a compulsory purchase order the acquiring authority must include the particulars specified in subsection (3) in a notice which is—
- (a) given to every person with a relevant interest in the land with respect to which the declaration is to be made (other than a mortgagee who is not in possession); and
 - (b) published in a local newspaper circulating in the area in which the land is situated.
- (4) In that section, in subsection (2), for “(1)(b)” there is substituted “(1)” and after “given” there is inserted “and published”.
- (5) In that section, for subsections (5) and (6) there is substituted—
- “(5) For the purposes of this section, a person has a relevant interest in land if—
- (a) that person is for the time being entitled to dispose of the fee simple of the land, whether in possession or in reversion; or
 - (b) that person holds, or is entitled to the rents and profits of, the land under a lease or agreement, the unexpired term of which exceeds one month.”
- (6) In section 5 (earliest date for execution of declaration)—
- (a) in subsection (1), after “publication” there is inserted “in a local newspaper circulating in the area in which the land is situated”; and
 - (b) subsection (2) is omitted.
- (7) In section 7 (constructive notice to treat), in subsection (1)(a), the words “(as modified by section 4 of the Acquisition of Land Act 1981)” are omitted.
- (8) References to the 1965 Act in the 1981 Act must be construed as references to the 1965 Act as applied by section 125 of the 2008 Act (application of compulsory acquisition provisions) to the compulsory acquisition of land under this Order.

Acquisition of subsoil or air-space only

26.—(1) The undertaker may compulsorily acquire so much of, or such rights in, the subsoil of, or the air-space over, the land referred to in article 19 (compulsory acquisition of land) and article 22 (compulsory acquisition of rights) as may be required for any purpose for which that land may be acquired or for which rights over or under the land may be acquired under those provisions instead of acquiring the whole of the land.

(2) Where the undertaker acquires any part of, or rights in, the subsoil of or the air-space over land under paragraph (1), the undertaker is not required to acquire an interest in any other part of the land.

(3) Paragraph (2) does not prevent article 27 (acquisition of part of certain properties) from applying where the undertaker acquires a cellar, vault, arch or other construction forming part of a house, building or manufactory.

Acquisition of part of certain properties

27.—(1) This article applies instead of section 8(1) of the 1965 Act (other provisions as divided land) (as applied by section 125 of the 2008 Act) where—

- (a) a notice to treat is served on a person (“the owner”) under the 1965 Act (as so applied) in respect of land forming only part of a house, building or manufactory or of land consisting of a house with a park or garden (“the land subject to the notice to treat”); and
- (b) a copy of this article is served on the owner with the notice to treat.

(2) In such a case, the owner may, within the period of 21 days beginning with the day on which the notice was served, serve on the undertaker a counter-notice objecting to the sale of the land subject to the notice to treat and stating that the owner is willing and able to sell the whole (“the land subject to the counter-notice”).

(3) If no such counter-notice is served within that period, the owner is required to sell the land subject to the notice to treat.

(4) If such a counter-notice is served within that period, the question whether the owner is required to sell only the land subject to the notice to treat must, unless the undertaker agrees to take the land subject to the counter-notice, be referred to the Tribunal.

(5) If on such a reference the Tribunal determines that the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice; or
- (b) where the land subject to the notice to treat consists of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the owner is required to sell the land subject to the notice to treat.

(6) If on such a reference the Tribunal determines that only part of the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice; or
- (b) where the land subject to the notice to treat consists of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the notice to treat is deemed to be a notice to treat for that part.

(7) If on such a reference the Tribunal determine that—

- (a) the land subject to the notice to treat cannot be taken without material detriment to the remainder of the land subject to the counter-notice; but
- (b) the material detriment is confined to a part of the land subject to the counter-notice,

the notice to treat is deemed to be a notice to treat for the land to which the material detriment is confined in addition to the land already subject to the notice, whether or not the additional land is land which the undertaker is authorised to acquire compulsorily under this Order.

(8) If the undertaker agrees to take the land subject to the counter-notice, or if the Tribunal determines that—

- (a) none of the land subject to the notice to treat can be taken without material detriment to the remainder of the land subject to the counter-notice or, as the case may be, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house; and
- (b) the material detriment is not confined to a part of the land subject to the counter-notice,

the notice to treat is deemed to be a notice to treat for the land subject to the counter-notice whether or not the whole of that land is land which the undertaker is authorised to acquire compulsorily under this Order.

(9) Where by reason of a determination by the Tribunal under this article a notice to treat is deemed to be a notice to treat for less land or more land than that specified in the notice, the undertaker may, within the period of 6 weeks beginning with the day on which the determination is made, withdraw the notice to treat; and, in that event, must pay the owner compensation for any loss or expense occasioned to the owner by the giving and withdrawal of the notice, to be determined in case of dispute by the Tribunal.

(10) Where the owner is required under this article to sell only part of a house, building or manufactory or of land consisting of a house with a park or garden, the undertaker must pay the owner compensation for any loss sustained by the owner due to the severance of that part in addition to the value of the interest acquired.

Rights under or over streets

28.—(1) The undertaker may enter on and use so much of the subsoil of, or air-space over, any street within the Order limits as may be required for the purposes of the authorised development and may use the subsoil or air-space for those purposes or any other purpose ancillary to the authorised development.

(2) Subject to paragraph (3), the undertaker may exercise any power conferred by paragraph (1) in relation to a street without being required to acquire any part of the street or any easement or right in the street.

(3) Paragraph (2) does not apply in relation to—

- (a) any subway or underground building; or
- (b) any cellar, vault, arch or other construction in, on or under a street which forms part of a building fronting onto the street.

(4) Subject to paragraph (5), any person who is an owner or occupier of land appropriated under paragraph (1) without the undertaker acquiring any part of that person's interest in the land, and who suffers loss as a result, is entitled to compensation to be determined, in case of dispute, under Part 1 of the 1961 Act.

(5) Compensation is not payable under paragraph (4) to any person who is an undertaker to whom section 85 of the 1991 Act (sharing cost of necessary measures) applies in respect of measures of which the allowable costs are to be borne in accordance with that section.

Temporary use of land by National Grid

29.—(1) National Grid may, in connection with the carrying out of the authorised development—

(a) enter on and take temporary possession of—

- (i) so much of the land specified in column (1) of Part 1 of Schedule 12 (land of which temporary possession may be taken) to exercise the powers described in the Book of Reference for the purpose specified in relation to that land in column (2) of Part 1 of that Schedule relating to the part of the authorised development specified in column (3) of Part 1 of that Schedule; and
- (ii) any other Order land in respect of which no notice of entry has been served under section 11 of the 1965 Act (other than in connection with the acquisition of rights only) and no declaration has been made under section 4 of the 1981 Act;

(b) remove any electric line, electrical plant, buildings, structures, pylons, apparatus and vegetation from that land;

(c) construct temporary works (including the provision of means of access) and buildings on that land; and

(d) construct any works specified in relation to that land in column (2) of Part 1 of Schedule 12 or any other mitigation works.

(2) Not less than 14 days before entering on and taking temporary possession of land under this article, National Grid must serve notice of the intended entry on the owners and occupiers of the land.

(3) National Grid may not, without the agreement of the owners of the land, remain in possession of any land under this article—

- (a) in the case of land referred to in paragraph (1)(a)(i), after the end of the period of one year beginning with the date of completion of the part of the authorised development specified in relation to that land in column (3) of Part 1 of Schedule 12, or
- (b) in the case of land referred to in paragraph (1)(a)(ii), after the end of the period of one year beginning with the date of completion of the work for which temporary possession of the land was taken unless National Grid has, by the end of that period, served a notice of entry under section 11 of the 1965 Act or made a declaration under section 4 of the 1981 Act in relation to that land.

(4) National Grid must provide the owner of any land of which temporary possession has been taken under this article with written notice of the date of completion of the works for which temporary possession was taken within 28 days of the completion of those works.

(5) Before giving up possession of land of which temporary possession has been taken under paragraph (1)(a)(i), National Grid must remove all temporary works and restore the land to the reasonable satisfaction of the owners of the land, but National Grid is not required to—

- (a) replace a building, structure, electric line, electrical plant or pylon removed under this article;
- (b) restore the land on which any works have been carried out under paragraph (1)(d) insofar as the element of works shown in column (4) of Part 1 of Schedule 12 is concerned;
- (c) remove any foundations below one metre which had been placed in that land to support pylons and electric lines constructed upon those foundations; or
- (d) remove any pylons or electric lines or underground cables constructed or installed on, over, under or in that land as part of the authorised development.

(6) Before giving up possession of land of which temporary possession has been taken under paragraph (1)(a)(ii), unless otherwise agreed by the owners of the land, National Grid must either acquire the land or the interest on, over, or in the land in accordance with the provisions of paragraph (3)(b) or remove all temporary works and restore the land to the reasonable satisfaction of the owners of the land; but National Grid is not required to—

- (a) replace a building, structure, electric line, electrical plant or pylon removed under this article;
- (b) restore the land on which any works have been carried out under paragraph (1)(d) insofar as the element of works shown in column (4) of Part 1 of Schedule 12 is concerned;
- (c) remove any foundations below one metre which had been placed in that land to support pylons and electric lines constructed upon those foundations; or
- (d) remove any pylons or electric lines or underground cables constructed or installed on, over, under or in that land as part of the authorised development.

(7) National Grid must pay compensation to the owners and occupiers of land of which temporary possession is taken under this article for any loss or damage arising from the exercise in relation to the land of the provisions of this article.

(8) Any dispute as to a person's entitlement to compensation under paragraph (7), or as to the amount of the compensation, must be determined under Part 1 of the 1961 Act.

(9) Nothing in this article affects any liability to pay compensation under section 152 of the 2008 Act (compensation in case where no right to claim in nuisance) or under any other enactment in respect of loss or damage arising from the carrying out of the authorised development, other than loss or damage for which compensation is payable under paragraph (7).

(10) National Grid may not compulsorily acquire under this Order the land referred to in paragraph (1)(a)(i) except that National Grid is not precluded from—

- (a) acquiring new rights or imposing restrictions over any part of that land under article 22 (compulsory acquisition of rights); or
- (b) acquiring any rights in the subsoil or rights in air-space over (or rights in the subsoil or in the air-space over) that land under article 26 (acquisition of subsoil or air-space only).

(11) Where National Grid takes possession of land under this article, National Grid is not required to acquire the land or any interest in it.

(12) Section 13 of the 1965 Act (refusal to give possession to acquiring authority) applies to the temporary use of land pursuant to this article to the same extent as it applies to the compulsory acquisition of land under this Order by virtue of section 125 of the 2008 Act (application of compulsory acquisition provisions).

(13) Nothing in this article prevents National Grid from taking temporary possession more than once in relation to any land specified in Part 1 of Schedule 12.

Temporary use of land by WPD

30.—(1) WPD may, in connection with the carrying out of the WPD Works—

- (a) enter on and take temporary possession of—
 - (i) so much of the land specified in column (1) of Part 2 of Schedule 12 (land of which temporary possession may be taken) to exercise the powers described in the Book of Reference for the purpose specified in relation to that land in column (2) of Part 2 of that Schedule relating to the part of the authorised development specified in column (3) of Part 2 of that Schedule; and
 - (ii) any other Order land in respect of the WPD Works in respect of which no notice of entry has been served under section 11 of the 1965 Act (other than in connection with the acquisition of rights only) and no declaration has been made under section 4 of the 1981 Act;
- (b) remove any electric lines, electrical plant, buildings, structures, pylons, apparatus and vegetation from that land;
- (c) construct temporary works (including the provision of means of access) and buildings on that land; and
- (d) construct any works specified in relation to that land in column (2) of Part 2 of Schedule 12, or any other mitigation works.

(2) Not less than 14 days before entering on and taking temporary possession of land under this article WPD must serve notice of the intended entry on the owners and occupiers of the land.

(3) WPD may not, without the agreement of the owners of the land, remain in possession of any land under this article—

- (a) in the case of land referred to in paragraph (1)(a)(i), after the end of the period of one year beginning with the date of completion of the part of the authorised development specified in relation to that land in column (3) of Part 2 of Schedule 12, or
- (b) in the case of land referred to in paragraph (1)(a)(ii), after the end of the period of one year beginning with the date of completion of the work for which temporary possession of the land was taken unless the undertaker has, by the end of that period, served a notice of entry under section 11 of the 1965 Act or made a declaration under section 4 of the 1981 Act in relation to that land.

(4) WPD must provide the owner of any land of which temporary possession has been taken under this article with written notice of the date of completion of the work for which temporary possession was taken within 28 days of the completion of those works.

(5) Before giving up possession of land of which temporary possession has been taken under paragraph (1)(a)(i), WPD must remove all temporary works and restore the land to the reasonable satisfaction of the owners of the land; but WPD is not required to—

- (a) replace a building, structure, electric line, electrical plant or pylon removed under this article;
- (b) remove any pylons, electric lines or underground cables constructed or installed on, over, under or in that land as part of the WPD Works;
- (c) remove any foundations below one metre which had been placed in that land to support pylons and electric lines constructed upon those foundations; or
- (d) restore the land on which any works have been carried out under paragraph (1)(d) insofar as the element of works shown in column (4) of Part 2 of Schedule 12 is concerned.

(6) Before giving up possession of land of which temporary possession has been taken under paragraph (1)(a)(ii), unless otherwise agreed by the owners of the land, WPD must either acquire the right on, over, or in the land in accordance with the provisions of paragraph (3)(b) or remove all temporary works and restore the land to the reasonable satisfaction of the owners of the land; but WPD is not required to—

- (a) replace a building, structure, electric line, electrical plant or pylon removed under this article;
- (b) remove any pylons, electric lines or underground cables constructed or installed on, over, under or in that land as part of the WPD Works;
- (c) remove any foundations below one metre which had been placed in that land to support pylons and electric lines constructed upon those foundations; or
- (d) restore the land on which any works have been carried out under paragraph (1)(d) insofar as the element of works shown in column (4) of Part 2 of Schedule 12 is concerned.

(7) WPD must pay compensation to the owners and occupiers of land of which temporary possession is taken under this article for any loss or damage arising from the exercise in relation to the land of the provisions of this article.

(8) Any dispute as to a person's entitlement to compensation under paragraph (7), or as to the amount of the compensation, is to be determined under Part 1 of the 1961 Act.

(9) Nothing in this article affects any liability to pay compensation under section 152 of the 2008 Act (compensation in case where no right to claim in nuisance) or under any other enactment in respect of loss or damage arising from the carrying out of the authorised development, other than loss or damage for which compensation is payable under paragraph (7).

(10) WPD may not compulsorily acquire under this Order the land referred to in paragraph (1)(a)(i) except that WPD is not precluded from—

- (a) acquiring new rights or imposing restrictions over any part of that land under article 22 (compulsory acquisition of rights); or
- (b) acquiring any rights in the subsoil or in air-space over (or rights in the subsoil or in air-space over) that land under article 26 (acquisition of subsoil or air-space only).

(11) Where WPD takes possession of land under this article, WPD is not required to acquire the land or any interest in it.

(12) Section 13 of the 1965 Act (refusal to give possession to acquiring authority) applies to the temporary use of land pursuant to this article to the same extent as it applies to the compulsory acquisition of land under this Order by virtue of section 125 of the 2008 Act (application of compulsory acquisition provisions).

(13) Nothing in this article prevents WPD from taking temporary possession more than once in relation to any land specified in Part 2 of Schedule 12.

Temporary use of land for maintaining the authorised development

31.—(1) Subject to paragraph (2), at any time during the maintenance period relating to any part of the authorised development, the undertaker may—

- (a) enter upon and take temporary possession of any land within the Order limits if such possession is reasonably required for the purpose of maintaining the authorised development;
- (b) construct such temporary works (including the provision of means of access) and buildings on the land as may be reasonably necessary for that purpose; and
- (c) enter on any land within the Order limits for the purpose of gaining access as is reasonably required for the purpose of maintaining the authorised development.

(2) Paragraph (1) does not authorise the undertaker to take temporary possession of—

- (a) any house or garden belonging to a house; or
- (b) any building (other than a house) if it is for the time being occupied.

(3) Not less than 28 days before entering upon and taking temporary possession of land under this article the undertaker must serve notice of the intended entry on the owners and occupiers of the land.

(4) The undertaker may remain in possession of land under this article only for so long as may be reasonably necessary to carry out the maintenance of the part of the authorised development for which possession of the land was taken.

(5) Before giving up possession of land of which temporary possession has been taken under this article, the undertaker must remove all temporary works and restore the land to the reasonable satisfaction of the owners of the land.

(6) The undertaker must pay compensation to the owners and occupiers of land of which temporary possession is taken under this article for any loss or damage arising from the exercise in relation to the land of the powers conferred by this article.

(7) Any dispute as to a person's entitlement to compensation under paragraph (6), or as to the amount of the compensation, must be determined under Part 1 of the 1961 Act.

(8) Nothing in this article affects any liability to pay compensation under section 152 of the 2008 Act (compensation in case where no right to claim in nuisance) or under any other enactment in respect of loss or damage arising from the maintenance of the authorised development, other than loss or damage for which compensation is payable under paragraph (6).

(9) Where the undertaker takes possession of land under this article, the undertaker is not required to acquire the land or any interest in it.

(10) Section 13 of the 1965 Act (refusal to give possession to the acquiring authority) applies to the temporary use of land pursuant to this article to the same extent as it applies to the compulsory acquisition of land under this Order by virtue of section 125 of the 2008 Act (application of compulsory acquisition provisions).

(11) In this article “the maintenance period” in relation to any part of the authorised development means the period of five years beginning with the date on which that part of the authorised development is brought into operational use, except where the authorised development is replacement or landscape planting where “the maintenance period” means the period of five years beginning with the date on which that part of the replacement or landscape planting is completed.

Crown rights

32.—(1) Nothing in this Order affects prejudicially any estate, right, power, privilege, authority or exemption of the Crown and, in particular, nothing in this Order authorises the undertaker or any licensee—

- (a) to take, use, enter on or in any manner interfere with any land or rights of any description (including any part of the shore or bed of the sea or any river, channel, creek, bay or estuary)—
 - (i) belonging to Her Majesty in right of the Crown and forming part of the Crown Estate without the consent in writing of the Crown Estate Commissioners;
 - (ii) belonging to Her Majesty in right of the Crown and not forming part of the Crown Estate without the consent in writing of the government department having the management of that land; or
