The Tobacco and Related Products Regulations 2016

PART 4

Reporting about tobacco products

Ingredients information

19. The ingredients information relating to a tobacco product means the following information, by brand and variant name—

- (a) a list of all ingredients in the product, and the quantity of each ingredient, set out in descending order by weight;
- (b) a statement setting out the reasons for the inclusion of each ingredient in the product;
- (c) a statement setting out the status of each ingredient including whether or not it has been registered under Regulation (EC) No. 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals⁽¹⁾;
- (d) each ingredient's classification under Regulation (EC) No 1272/2008 of the European Parliament and of the Council on classification, labelling and packaging of substances and mixtures⁽²⁾;
- (e) any available toxicological data regarding each ingredient in burnt or unburnt form as appropriate, referring in particular to the effect of the ingredient on the health of consumers and taking into account, among other things, any addictive effects; and
- (f) in the case of cigarettes and hand rolling tobacco and where the ingredient is an additive, a general description of the additive and its properties.
