2016 No. 507

The Tobacco and Related Products Regulations 2016

PART 5

Herbal products for smoking

Herbal products for smoking - supplementary

30.—(1) Regulations 25 (submission of information) and 26 (use of information) apply in relation to information provided in accordance with regulation 29 as they apply in relation to information provided in accordance with regulation 18 (information about tobacco products).

(2) A producer who fails to submit information in accordance with regulation 29 in respect of a herbal product for smoking may not supply the product concerned until the producer submits the required information in accordance with regulation 25.
