The Private Water Supplies (England) Regulations 2016

PART 3

Monitoring

New supplies

13.—(1) Where a local authority becomes aware of a private water supply that is to be, or has been, used for the first time (or for the first time after being out of use for a period of 12 months or more), the requirements of regulations 6 to 12 and 14 to 16 must be complied with as soon as is reasonably practicable.

(2) A private water supply must not be brought into use or used until the local authority is satisfied that the supply does not constitute a potential danger to human health.

Changes to legislation:
