2016 No. 765

The Air Navigation Order 2016

PART 7

Air traffic services

CHAPTER 4

Certificate of competence to operate an aeronautical radio station

Approval of courses, persons, examinations and simulators

204. Without prejudice to any other provision of this Order the CAA may, for the purposes of this Chapter, approve—

- (a) any course of training or instruction;
- (b) a person to conduct such examinations, assessments or tests as it may specify; and
- (c) any examinations, assessments or tests.
