The Air Navigation Order 2016

PART 8

[^{F1}Aerodromes, lighting and en-route obstacles]

CHAPTER 2

Lights and lighting

Aeronautical lights

221.—(1) Except with the permission of the CAA and in accordance with any conditions subject to which the permission may be granted, a person must not establish, maintain or alter the character of—

- (a) an aeronautical beacon within the United Kingdom; or
- (b) any aeronautical ground light (other than an aeronautical beacon) at a national licensed aerodrome, or which forms part of the lighting system for use by aircraft taking off from or landing at such an aerodrome.

(2) In the case of an aeronautical beacon which is or may be visible from the waters within an area of a general lighthouse authority, the CAA must not give its permission for the purpose of this article except with the consent of that authority.

(3) A person must not intentionally or negligently damage or interfere with any aeronautical ground light established by or with the permission of the CAA.
